This Lotion is excelled by no other in the world. It has been administered by the proprietor for several years in Europe and America with the greatest success. By the simple application of this fluid, night and morning, it will remove the most rancorous and alarming scurvy in the face. It is perfectly safe, yet powerful, and possesses all the good qualities of the most celebrated cosmetics, without any of their doubtful effects. It is therefore recommended as a certain and efficacious remedy, and a valuable and almost indispensable appendage to the toilet, infinitely superior to the common trash—Cream drawn from Violets and Milk of Roses!—
Suffice it however to say, it has been administered to many thousands in the U. States and West Indies, with the greatest and most unparallelled success, and without even a single complaint of its efficacy. A small bottle at 75 cents, will be found sufficient to prove its value.

Miller, where he will provide himself with means of procuring places for servants, and servants for places; of giving information respecting animals, property, and of furnishing intelligence relative to news and unusual articles of merchandise, together with such other articles of intelligence as interest the citizen coming to market, the citizen residing in town, or the stranger who may come hither by land or water.

Lee's Worm-Destroying Lozenges.
THIS Medicine, which is as innocent and mild as it is certain and efficacious in its operation, cannot injure the youngest infant, should no worms exist in the body; but will without pain or griping, cleanse the stomach and bowels of whatever is foul or offensive, and thereby prevent the production of worms and many fatal diseases.
Among the symptoms attending worms are disagreeable breath especially in the morning—red and corrupt gums—itching at the nose and about the ears—convulsions a epileptic fits, and sometimes privation of speech—starting, grinding of the teeth in sleep—irregular appetite, sometimes loathing food and some time voracious—purgings with lumpy and fluid stool—vomiting—large and hard belly—pains and sickness at the stomach—pains in the head and thighs, with worms of spirals—stomach, with anal and intestinal pulse—dry cough—excessive thirst—vomiting a pale and unwholesome countenance, and sometimes the face bloated and flushed.
Persons afflicted with any of the above symptoms, should have immediate recourse to Lee's Worm-Destroying Lozenges, which have been constantly a tried and successful in all complaints similar to those above described.
From the many cases of cures that daily come to our knowledge, we have elected the following:
Messrs. Mich. Lee & Co.
Observing that my son, six years of age, was troubled with difficulty in breathing, (soon thing frequenty rising in his throat) restlessness at night, loss of sleep, &c. From those symptoms I was confident he had worms, and having procured a box of Lee's Worm-Destroying Lozenges, the first day he swallowed twenty or three large worms, which gave him immediate relief.—He now enjoys a good state of health, and I believe I can from experience say, that Lee's Lozenges are the most efficacious remedy for worms now in use.
THOMAS PETERS,
of the late firm of Peters & Johnson.
Baltimore, July 1, 1810.

Messrs. Mich. Lee & Co.
A child of Mr. Henry Grimes, near Mr. E. Bet's millinery, was for upwards of 18 months severely afflicted with sickness, which appeared to proceed from worms; the symptoms were less restlessness at night, debility, pains in the legs, loss of sleep, &c. After having the advice of an eminent physician, and trying a variety of medicines without success, the afflicted parents were advised to try Lee's Worm-Destroying Lozenges, which expelled during the operation of the medicine, a great quantity of worms, some of which measured 12 inches—the child now enjoys a good state of health.
Baltimore, June 8, 1808.

Messrs. Mich. Lee & Co.
I have the honor to publish the astonishing cure performed by your Lozenges on my son, ten years old, who was afflicted with fever, pain in his side, and a continual headache, which reduced him so low that he was unable to sit up. One of my neighbors advised me to use your Lozenges, which has had the happy effect of restoring him to a better state of health than he has enjoyed for several years, in the short space of 17 days.
JOHN KELLY,
Pitt-street.

Messrs. Mich. Lee & Co.
My twelve year old boy, has for some time past been very healthy, having fever, headache, a loss of appetite. Hearing of the many cures performed by your Worm Lozenges, I was induced to give them a trial. The effect was beyond my expectation, as a large quantity of small worms was expelled, hundreds of them were alive for some time after.
JOHN KENNEDY,
Porter-street

Edward Higgins, South-street, Baltimore, administered Lee's Lozenges agreeable to the directions, to his child, 14 months old—the first of which expelled a worm measuring 20 inches long and near half an inch thick; the second dose expelled one he 16 inches long and the same thickness, and a quantity of small worms mixed with slime, &c. The child enjoys a good state of health.
