acknowledgments to the public for their pa-

particularly, he will be able to gratify the
taste of visitors with such liquors or viands

doubt it, are welcome to take a healthful

to the rural beauties, the shades and limpid
springs of the place; he keeps a supply of

to repeat, that *Fresh Mackerel, Soft Crabs,*

LEE'S
Worm-Destroying Lozenges.
THIS Medicine, which is as innocuous as
mild as it is certain and efficacious in its op-
eration, cannot injure the youngest infant,
should no worms exist in the body; but will
without pain or griping, cleanse the stomach
and bowels of whatever is foul or offensive,
and thereby prevent the production of worms
and many fatal diseases.

Among the symptoms attending worms, are
disagreeable breath, especially in the morning
— bad and corrupt digests—itching at the
nose and about the seat—convulsions—a deli-
cious taste, and sometimes privation of speech
— starting and grinding of the teeth in sleep
— irregular appetite, sometimes loathing food
and some time voracious—purgings, with many
and faint stools—vomiting—large and hard
belly—pains and sickness at the stomach—
pains in the head and thighs, with loss of
spirits—fever, with small and frequent
pulse—a dry cough—excessive thirst—con-
tinued pain and an unhealthy countenance, and
5 or 6 times the face bloated and flushed.

Persons afflicted with any of the above sym-
ptoms, should have immediate recourse to Lee's
Worm-Destroying Lozenges, which have been
constantly a tried and with success in all com-
plaints similar to those above described.

From the many cases of cures that daily
come to our knowledge, we have selected the
following:
Messrs. Mich. Lee & Co.
Observing that my son, six years of age,
was troubled with difficulty in breathing,
(sometime frequent y rising in his throat;) re-
stlessness at night, loss of sleep, &c. From
those symptoms, I was confident he had worms,
and having procured a box of Lee's Worm-
Destroying Lozenges, the first dose expelled
twenty-five large worms, which gave him
immediate relief.—He now enjoys a good state
of health, and I believe I can from ex-
perience say, that Lee's Lozenges are the most effi-
cacious remedy for worms now in use.

THOMAS PETERS,
of the late firm of Peters & Johnson.
Baltimore, July 1, 1810.

Messrs. Mich. Lee & Co.
A child of Mr. Henry Grimes, near Mr.
E. Betts's millinery, was for upwards of 3
months afflicted with sickness, which
appeared to proceed from worms, the sym-
ptoms were restlessness at night, debility, pains
in the legs, loss of sleep, &c. After having
the advice of an eminent physician, and trying
a variety of medicines without success, the af-
flicted parents were advised to try Lee's
Worm-Destroying Lozenges, which expelled
during the operation of the medicine, a great
quantity of large worms, some of which mea-
sured 12 inches—the child now enjoys a good
state of health.

Baltimore, June 8, 1809.

Messrs. Mich. Lee & Co.
You are at liberty to publish the astonish-
ing cure performed by your Lozenges on my
son, ten years old, who was afflicted with
fever, pain in his side, and a continual head-
ache, which reduced him so low that he was
unable to sit up. One of my neighbors desired
me to use your Lozenges, which has had
the happy effect of restoring him to a better
state of health than he has enjoyed for several
years, in the short space of 17 days.

JOHN KELLY,
1st-street.

Messrs. Mich. Lee & Co.
My son, five years old, has for some time
past been very unhealthy, having fever, head-
ache and loss of appetite. Hearing of the suc-
cess performed by your Worm Lozenges,
I was induced to give them a trial. The ef-
fect was beyond my expectation, as a large
quantity of them were expelled, and hun-
dreds of them were alive for some time after.
JOHN KENNEDY,
Potter-street

Edward Higgins, South street, Baltimore,
administered Lee's Lozenges agreeable to the
directions, to his child of 14 months old—the
first of which expelled 14 worms measuring 20
inches long and near half an inch thick; the se-
cond dose expelled 10 other 12 inches long
and the same thickness, and a quantity of small
worms mixed with slime, &c. The child en-
joys a good state of health.
