THIS Medicine has, for ten years past, been attended with a degree of success bighly grateful to the inventor's feelings, in several parts of the West-Indies, and the southern of the United States, particularly in Baltimore, Petersburg, Richmond, Norfolk, Edenton, Wilmington, Gharleston and Savannah. The testimony of a number of persons in each of the above places has been adduced, who have reason to believe that a timely use of this salutary remedy has, under Providence, preserved their lives when in the most alarming circumstances.

It is not indeed presumptuously proposed as an infallible cure, but the inventor has every possible reason that can result from extensive experience, for believing that a dose of these pills, taken once every two weeks, during the prevalence of our bilious fevers, will prove an infallible preventative—and further, that in the earlier stages of those diseases, their use will very generally succeed in restoring health, and frequently in cases extended disperate, and beyond the in cases extended desperate, and beyond the power of common remedies.

The operation of these palls is perfectly

mild, so as to be used with safety by all per-tons in every situation, and of every age. They are excellently a layed to sarry of superfluous bits, and prevent its morbid se-

TAPE-WORM. Mr. Samuel Fuller, inn-keeper on the Hart-ford, ten miles from Baltimore, began about 12 months ago, to be grievously afflicted with a tape-worm, which increased fast in with a tape-worm, which increased fast in size and strength, so as to excete the most horrid sensations by its writhing motions and intolerable pains, resembling the gnawing and tearing of his bowels, which deprived him of his necessary sleep, and caused such dreadful apprehensions as cannot be described but by one in a similar situation; his appetite declined rapidly, and with that his strength so that he was triable to attend to any business; when he heard of some excellent cures performed by Hamilton's Worm Lozenges, he took a large dose, which throught away about 4 yards (now in possession of H. West, Sam. Walk-er, John Brown & J. In Thomas, of Balt, county, stating that they are in actual

confinement, and praying the benefit of the several insolvent laws of this state on the terms therein mentioned, a schedule of their property, and a list of their creditors, on oath, as far as they can ascertain them, being annexed to their petition-and they having satisfied me by competent testimony, that they have resided two years within the state of Marryland immediately preceding the time of their application, and having taken the oath by the said acts prescribed for delfvering up their property, and having given sufficient security for their personal appearance at the county court of Baltimore county, to enswer such allegations as may be made against them-I do therefore order and adjudge that the sald Benjamin Fleetwood, Vachel Shipley, John Perveil, Richard Robinson, Jacob Deale, John Miles, Elizabeth Main, John Berringer, Michael Van Kirk, Jonas White, Joob Welsh, Hugh S. West, Samuel Walker, John Brown and John Thomas be discharged from imprisonment-and that by causing a copy of this order to be inserted in some one of the public newspapers in the city of Baltimore, every other day for three months successively before the seventeenth day of November next, they give notice to their creditors to appear before the said court, at the court-house of said county, at ten o'clock in the forenoon of said day, for the purpose of recommending a trustee for their benefit—and to shew a trustee their term of a new cause, (if any they have), why the said Benjamin Fleetwood, Vachel Shipley, John Perveil, Richard Robinson, Jacob Deale, John Miles, Elizabeth Main, John

Thomas should not have the benefit of the said acts as prayed. Given under my hand this tenth day

Berringer, Michael Van Kirk, Jonas White, Jacob Welsh, Hugh S. West,
