THIS Medicine, which is as inno. In and mi'd as it is certain and efficacious in its operation, cannot injure the youngest infant, should no worms knist in the body; but will without pain or griping, clease the stemach and bowels of whatever is foul or offensive,

without pain or griping, clease the stomach and bowels of whatever is foul or offensive, and thereby prevent the production of worms and many latel dis ries.

Among the syptems attending worms, are disagreeable breath, especially in the morning—bad and corrupted gums—tching at the nose and ab ut the test—convulsions as depileptic fits, and sometimes privation of speech—starting and grinding of the teeth in sleep—irregular appetice, sometimes Luthing food and sometime volucious—purging, with limy and fettid stoch—wording—large and had belly—pains and sickness at the stomach—pains in the head and thighs, with lowers of spirits—al we fever, with smell and irregular pulse—a dry cough—excessive this et—sometimes pale and the eathly count in nice, and sometimes the fact bloated and fluthed.

Persons afflicted with any of the above symptoms, should have immediate recourse to Lee's Worm-Destroping Loz liges, which have been constantly a tend of virth anceess in all complaints similar to those above described.

From the many cases of cures that daily me to our knowledge, we have relected the

come to our knowledge following:
