LEE'S
Worm-Destroying Lozenges.
THIS Medicine, which is as innocuous and
mild as it is certain and efficacious in its op-
eration, cannot injure the youngest infant,
who has no worms extant in the body; but will
without pain or grief, cleanse the stomach
and bowels of whatever is foul or offensive,
and thereby prevent the production of worms
and many fatal diseases.
Among the various attending worms are
disagreeable breath, especially in the morning
—bad and corrupted gums—itching at the
nose and about the ears—convulsions and epi-
leptic fits, and sometimes privation of speech
—starting and grinding of the teeth in sleep
—irregular appetite—sometimes loathing of food
and sometimes voracious appetite, with thin
and faded stools—weight and hard
body—pains and tenderness at the stomach—
pains in the head and thighs, with looseness of
spirits—dry fever, with small and irregular
pulse—a dry cough—face swelled—some-
times a pale and unwholesome countenance,
and sometimes the face bloated and flushed.
Persons afflicted with any of the above symp-
toms should have recourse to Lee's
Worm-Destroying Lozenges, which have been
constantly a tried and successful in all com-
plaints similar to those above described.

From the many cures that daily
come to our knowledge, we have selected the
following:
Mrs. Mich. Lee & Co.
Observing that my son, six years of age,
was troubled with difficulty in breathing,
(something frequent) in his throats;
restlessness at night, loss of sleep, &c. From
those symptoms I was confident he had worms,
an having procured a box of Lee's Worm-
Destroying Lozenges, the first day he expelled
twenty-three large worms, which gave him
immediate relief—He now enjoys a good state
of health, and I believe I can from experience
say, that Lee's Lozenges are the most effica-
cious remedy for worms now in use.
THOMAS PETERS,
of the late firm of Peters & Johnson.
Baltimore, July 1, 1810.

Mrs. Mich. Lee & Co.
A child of Mr. Henry Grimes, near Mr.
E. Brett's nail factory, was upwards of 18
months of age, who was afflicted with a
restlessness at night, loss of sleep, &c. From
those symptoms I was confident he had worms,
an having procured a box of Lee's Worm-
Destroying Lozenges, the first day he expelled
twenty-three large worms, which gave him
immediate relief—He now enjoys a good state
of health, and I believe I can from experience
say, that Lee's Lozenges are the most effica-
cious remedy for worms now in use.

You are at liberty to publish the astonish-
ing cure performed by your Lozenges on my
son, ten years old, who was afflicted with a

Destroying Lozenges, the first day he expelled
twenty-three large worms, which gave him
immediate relief—He now enjoys a good state

Mrs. Mich. Lee & Co.
My son, five years old, has for some time
past been very healthy, having fevers, had
a loss of appetite. Hearing of the many
cures performed by your Lozenges, I was
induced to give them a trial. The effec-
tiveness of them, and my expectations, as a large
quantity of small worms was expelled, and
dozens of them were above for some time.

judge of the sixth judicial district of the
state of Maryland by petition in writing of
Abraham Long and Henry Millard, insolvent
debtors of Baltimore county, stating that

the benefit of the act for the relief of sundry
insolvent debtors, passed at November ses-
sion 1805, and the several supplements there-
to, on the terms in the said act and suppli-
ment prescribed; a schedule of their prop-
erty, and a list of their creditors on oath,
as far as they can ascertain them at present,
being annexed to their petitions—and hav-
ing answered me by competent testimony,
that they are residing in the state of Mary-
land, for the two years immediately pre-
ceding the time of their application; and hav-
ing taken the oath by the said act pre-
scribed for delivery up their property; and hav-
ing given sufficient security for their persoa-
lity, as required by the county court of Balti-
more county, to answer such allegations as
may be made against them by their creditors.
