Worm-Destroying Lozenges. THIS Medicine, which is as innocent and mild as it is certain and efficacious in its operation, cannot injure the youngest infant, should no worms exist in the body; but will without pain or griping, cleanse the stomach and bowels of whatever is put or offensive, and thereby prevent the production of worms and many fatal diseases. Among the symptoms attending worms, are disagreeable breath, especially in the morning—bad and corrupted gum—itching at the nose and about the seat of the eyes; and epileptic fits, and sometimes a variation of speech—starting and grinding of the teeth in sleep—irregular appetite, sometimes loathing of food and sometimes voraciousness, with slimy and stid stool—vomiting—green and hard belly—pains and sickness at the stomach—pains in the head and thigh—with loss of spirits—dry fever, with small and irregular pulse—a dry cough—excess of thirst—sometimes pale and an cathartic urine, and sometimes the face bloated and flushed. Persons afflicted with any of the above symptoms, should have immediately recourse to Lee's Worm-Destroying Lozenges, which have been constantly tried with success in all complaints similar to those above described. From the many cases of cures that daily come to our knowledge, we have selected the following: Messrs. Mich. Lee & Co. Observing that my son, six years of age, was troubled with dizziness in his head, (something frequently rising in his throat) restlessness at night, loss of sleep, &c. From those symptoms I was confident he had worms, and having procured a box of Lee's Worm-Destroying Lozenges, the first day he expelled twenty-three large worms, which gave him immediate relief—he now enjoys a good state of health, and I believe I can from experience say, that Lee's Lozenges are the most efficacious remedy for worms now in use. THOMAS PETERS, of the late firm of Peters & Johnson. Baltimore, July 1, 1810. Messrs. Mich. Lee & Co. A child of Mr. Henry Grimes, near Mr. E. Betts's nail factory, was for upwards of 18 months violently afflicted with sickness, which appeared to proceed from worms, the symptoms were restlessness at night, debility, pains in the legs, loss of flesh, &c. After having the advice of an eminent physician, and trying a variety of medicines without success, the afflicted parents were advised to try Lee's Worm-Destroying Lozenges, which expelled during the operation of the medicine, a great quantity of large worms, some of which measured 12 inches—the child now enjoys a good state of health. Baltimore, June 3, 1810. Messrs. Mich. Lee & Co. You are at liberty to publish the astonishing cure performed by your Lozenges on my son, ten years old, who was afflicted with fever, pain in his side, and a continual headache, which reduced him so low that he was unable to sit up. One of my neighbors advising me to use your Lozenges, which has had the happy effect of restoring him to a better state of health than he has enjoyed for several years, in the short space of 17 days. JOHN KELLY, Pitt-street. Messrs. Mich. Lee & Co. Edward Higgins, South-street, Baltimore, recommended Lee's Lozenges agreeable to the directions, to his child of 14 months old—the first worm expelled a worm measuring 20 inches long and near half an inch thick; the second dose expelled another, 16 inches long and the same thickness, and a quantity of small worms mixed with slime, &c. The child enjoys a good state of health. A. MILTENBERGER, No. 102, Market-street, at his Patent Medical Warehouse, Book & Stationary store, and Franklin Printing Office. WARNER & HANNA, Corner of Gay and Market-streets. JOHN VANCE & Co. 178, Market-st. 3 doors below Charles-st. NATH. KNIGHT, 23, Fell's-street, Fell's Point. To detect counterfeiters, observe each article has on the outside wrapper, the signature of Michael Lee & Co. late Richard Lee & Son. July 18 d
