Original Family Medicines. For the Prevention and Cure of BILIOUS & MALIGNANT FEVERS.

Lee's Anti-Bilious Pills, PREPARED BY MICHAEL LEE & CO.

Persons wishing to purchase this valuable medicine, are requested to be particular in enquiring for Lee's Anti-Bilious Pills, put up in wooden boxes, having on the outside wrapper the signature of Michael Lee & Co. late Richard Lee & Son—this is necessary, as there are other Pills of the same name.

The operation of these highly esteemed pills is perfectly mild, and the experience of thousands has proved, they may be used in every situation in life, without the least inconvenience.

CASES OF CURES! Selected from thousands, the authenticity of which can be ascertained by personal application to any of the subscribers—not but performed in Europe, (no one knows where) but at home.

Messrs. Mich. Lee & Co. Your Anti-bilious Pills has had the desired effect in relieving me from head-ache, pains in the back, lassitude, &c. If you think proper, you are at liberty to use my name.

DANIEL CONN, Aisquith st. Balt. June 20, 1810.

Messrs. Mich. Lee & Co. With pleasure, I acknowledge the benefit received from your Anti-bilious Pills, in removing violent pains in the bowels, sickness and head-ache.

RD. ROBINSON, Market-st. Balt. June 26, 1810.

Messrs. Mich. Lee & Co. I have taken but two doses of your Anti-bilious Pills, and I am quite relieved from that sickness of the stomach, flatulency, &c. which has troubled me for some time. I shall recommend them to all my friends in similar cases.

G C COLLINS. Sept 7

Messrs. Richard Lee & Son. The high opinion I have of your Bilious Pills, and a desire to make known their utility for the benefit of mankind, I wish you to publish the following:

For two months past, I have been afflicted with violent sickness at the stomach, an inclination to vomit, and loss of appetite—by taking two doses of your Pills, I am restored to a perfect state of health, which I owed my wife to try them also, which was attended with the same good effects. Being now able to attend to her domestic concerns. In my opinion this medicine is unequalled in its stomach and bowel complaints, not being attended with that griping pain, common to other medicines.

LEE'S Worm-Destroying Lozenges.

THIS Medicine, which is as innocent and mild as it is certain and efficacious in its operation, cannot injure the youngest infant, should no worms exist in the body; but will without pain or griping, cleanse the stomach and bowels of whatever is foul or offensive, and thereby prevent the production of worms and many fatal diseases.

Messrs. Mich. Lee & Co. Observing that my son, six years of age, was troubled with difficulty in breathing, (something frequent) rising in his throat; restlessness at night, loss of flesh, &c. From those symptoms I was confident he had worms, and having procured a box of Lee's Worm-Destroying Lozenges, the first dose expelled twenty-three large worms, which gave him immediate relief—He now enjoys a good state of health, and I believe I can from experience say that Lee's Lozenges are the most efficacious remedy I know of now in use.

THOMAS PETERS, of the late firm of Peters & Johnson. Baltimore, July 1, 1810.

Messrs. Mich. Lee & Co. A child of Mr. Henry Grimes, near Mr. E. Betts's nail factory, was for upwards of 18 months violently afflicted with sickness, which appeared to proceed from worms, the symptoms were restlessness at night, debility, pain in the legs, loss of flesh, &c. After having the advice of an eminent physician, and trying a variety of medicines without success, the afflicted parents were advised to try Lee's Worm-Destroying Lozenges, which expelled twenty-three large worms, which gave him immediate relief—He now enjoys a good state of health, and I believe I can from experience say that Lee's Lozenges are the most efficacious remedy I know of now in use.

Richard Barry. Bait June 20, 1810.

Messrs. Michael Lee & Co. I was attacked with a most violent cold, a severe cough, and pains in the breast, which continued to grow worse; during which my appetite failed, and my voice altered so much that it was with the utmost exertion I could pronounce a single sentence louder than my breath. Some of my friends having observed to me that much good had been done by the use of Lee's Elixir, advised me to procure a bottle from Messrs Warner and Hanna which I accordingly did—and to those persons unacquainted with the merits of this medicine, it will appear astonishing that three doses should remove the pains in my breast, and the use of one bottle restored me to perfect health.

Messrs. Michael Lee & Co. I think it my duty to inform you, that from experience I am convinced your Ague Drops is an infallible cure for Agues and Fevers. My little son was violently afflicted with Agues and Fevers. He was advised and attended by an eminent physician failed—I was next advised to try the country air, which also failed, and it appeared to all that saw him, impossible for him to recover.—When Mr. George Hays advised me to try Lee's Ague Drops (observing that they had cured him.) A bottle was procured and given according to the directions, which effected a speedy cure, and he has not had a return thereof since.

The Columbia Academy Again OPENS for the reception of YOUNG LADIES, AS BOARDERS OR DAY SCHOLARS, On the first Monday in September.

Mrs GROOMBRIDGE, grateful for the extensive patronage she has been honored with during six years residence in Baltimore, assures her friends and the public, that the report of her intention to give up her School, is entirely without foundation, she is far from having such an idea; & although she has twelve Teachers in whose ability she can confide, yet she dedicates the principal part of her time to the superior advantage of her pupils. Their progress she does not enlarge upon, as the parents and guardians of those confided to her care, have had frequent opportunities of judging for themselves, both in her public and private examinations.

In addition to the other branches of education, the Italian and Spanish Languages are taught with elegance and correctness. Parents or guardians who desire to have their young ladies instructed in those branches, may have an opportunity of hearing the pupils go through their exercises, by applying to Mrs. Groombridge for the purpose.
