**Prevention better than Cure.**  
For the Prevention and Cure of Bilious and  
Malignant Fevers, is recommended  
**HAIN'S ANTI-BILIOUS PILLS.**  
Prepared (only) by **H. LEE, 56 Maiden**  
**Lane, New York.**

THIS Medicine has, for ten years past,  
been attended with a degree of success  
highly grateful to the inventor's feelings, in  
several parts of the West-Indies, and the  
southern of the United States, particularly  
in Baltimore, Petersburg, Richmond, Nor-  
folk, Edenton, Wilmington, Charleston and  
Savannah. The testimony of a number of  
persons in each of the above places has been  
adduced, who have reason to believe that a  
timely use of this salutary remedy has, un-  
der Providence, preserved their lives when  
in the most alarming circumstances.

Facts of this conclusive nature, speak more  
in favour of a medicine than columns of  
pomposity eulogy founded on mere assertion  
could do.  
It is not indeed presumptuously proposed  
as an infallible cure, but the inventor has  
every possible reason that can result from  
extensive experience, for believing that a  
dose of these pills, taken once every two  
weeks, during the prevalence of our bilious  
fevers, will prove an infallible preventative  
—and further, that in the earlier stages of  
those diseases, their use will very generally  
succeed in restoring health, and frequently  
in cases esteemed desperate, and beyond the  
power of common remedies.

The operation of these pills is perfectly  
mild, so as to be used with safety by all per-  
sons in every situation, and of every age.  
They are excellently adapted to carry off  
superfluous bile, and prevent its morbid  
accretions—to restore and amend the appetite  
—produce a free perspiration, and thereby  
prevent colds, which are often fatal con-  
sequences. A dose never fails to remove a  
cold, if taken on its first appearance. They  
are celebrated for removing habitual  
constiveness—sickness at the stomach and head-  
ache—and ought to be taken by all persons  
on a change of climate.

They have been found remarkably effica-  
cious in preventing and curing disorders at-  
tendant on long voyages, and should be pro-  
cured, and carefully preserved for use by  
every seaman.

**Certificate of Mr. William Devenney.**  
During the last nine years, I have been in  
the habit of using Hain's Anti-Bilious Pills,  
prepared by the late Mr. Lee, whenever  
colds, head-aches or constiveness have  
rendered medicine necessary; in these cases a  
single dose has uniformly removed my head-  
ache, and has generally been found suffi-  
cient to remove every symptom of cold, if tak-  
en on its first appearance. Induced by the  
benefit received, I have for many years past  
recommended them to many of my friends,  
and I have the pleasure to inform you, they  
have invariably succeeded, in removing the  
above complaints. Yours, &c.  
**WM. DEVENNEY,**  
145, Cherry-street, New-York.

**HAMILTON'S**  
**Celebrated Worm-Destroying Lozenges,**  
Which there is reason to believe, have,  
within ten years past, cured upward of two  
hundred thousand persons of both sexes,  
of every age, and in every situation, of vari-  
ous dangerous complaints arising from worms,  
and from obstructions or fulness in the stom-  
ach and bowels.  
This medicine bears no analogy whatever  
to others of similar title, so commonly com-  
plained of as operating with violence on  
the system, or producing an excessive  
profuse perspiration, or the most delicate  
of a weak child, should no worms exist in the  
body, but will, without pain or griping, cleanse  
the stomach and bowels of whatever is foul  
or offensive, and thereby prevent the pro-  
duction of worms and many fatal disorders.  
The lozenges are particularly efficacious in  
carrying off all gross humors and eruptions,  
feverish and bilious complaints, and are the  
safest and mildest purgative that can be used  
on any occasion.  
A dose of this medicine given occasionally  
during the warm season, will effectually pre-  
vent the vomiting and purging of chil-  
dren's dreadful disorder, which annually  
destroys thousands of the infant part of our  
citizens. It is likewise the mildest and most  
certain remedy known, and has restored to  
health and strength a great number when in  
an advanced stage of this fatal complaint.—  
Particular and plain instructions are given  
for every part of the necessary treatment in  
such cases.

Children generally take this medicine with  
eagerness; having a pleasing appearance,  
and an agreeable taste.  
Cures of Cures, selected from thousands,  
the authenticity of which any person may as-  
ertain, either by letter or personal applica-  
tion; not being performed in Europe, nobody  
knows where—but at home.  
**TAPE-WORM.**  
Mr. Samuel Fuller, book-keeper on the Har-  
ford, ten miles from Baltimore, began about  
12 months ago, to be grievously afflicted,  
with a tape-worm, which increased fast in  
size and strength, so as to excite the most  
horrid sensations by its writhing motion,  
and intolerable pains, resembling the gnaw-  
ing and tearing of his bowels, which deprived  
him of his necessary sleep, and caused  
such dreadful apprehensions as cannot be  
described, but by one in a similar situation;  
his appetite declined rapidly, and with that  
his strength, so that he was unable to attend

to any business, when he had recourse to ex-  
cellent cures performed by Hamilton's Worm  
Lozenges; he took a large dose, which  
brought away about 4 yards (now in posses-  
sion of H. Lee); but a renewal of his pains  
soon convinced him that this monstrous  
reptile had recovered its first vigour. Appli-  
cation was made, for more of the medicine,  
with advice, &c. which resulted the total  
expulsion of this formidable enemy, in sev-  
eral pieces, which he supposed to be six or  
eight yards more. A few weeks have since  
elapsed, and Mr. Fuller is now in perfect  
health. The above facts are well known to  
a numerous circle of his neighbors, and he  
himself will gratify any who may wish to  
make further inquiries on the subject.

At length Hamilton's Worm Lozenges pro-  
duce such powerful effects, when neces-  
sary, yet they are perfectly innocent and mild  
in their operation on the human body, even  
when taken in large doses as Mr. Fuller  
will testify. Their peculiar address is a-  
bundantly evident in the following cures of  
infants.

Letter from Mr. Henry Ackerman, brick-  
layer, in Magazine-street, near Broadway,  
New-York.  
It would be ungrateful were I to withhold  
my testimony in favor of Hamilton's Worm  
destroying Lozenges. I had been between  
6 and 6 years past much indisposed, and let-  
tely other tormented with severe griping and  
pains in the bowels, troubled with offensive  
breath, with violent febrile fits, and other  
obvious symptoms of worms; but frequently  
bearing your Worm Lozenges recommende-  
d in cases similar to mine, I determined on  
a trial of them, as my last resource. The  
first evacuated twelve or thirteen feet of a  
tape worm, two other doses were taken,  
which brought away a quantity of matter  
broken like skins and pieces of worms. I  
suppose the tape worm, voided at different  
times, must in the whole have exceeded 40  
feet. The almost incredible benefit I re-  
ceived from this medicine, induced me to  
give a dose to a child of mine who was pin-  
ing and sickly; it produced the same good  
effect in this instance, expelled a worm of a  
different kind, from under to twelve inches  
long, and at the same time restoring a good  
state of health.

**HENRY ACKERMAN.**  
**Dr. Hamilton's Grand Restorative,**  
Which the inventor confidently recom-  
mends as an invaluable medicine for the speed-  
y relief, and permanent cure of various  
complaints which result from disordered  
pleasures, juvenile indiscretions, residence  
in climates unfavorable to the constitution,  
the immediate use of tea, frequent intem-  
perance, or any destructive intemperance,  
the unskillful or excessive use of mercury,  
the diseases peculiar to females at a certain  
period of life, had, &c. &c.  
And is proved by long and extensive ex-  
perience to be absolutely infallible in the  
cure of nervous disorders, consumption,  
loss of spirits, loss of appetite, in purity  
of the blood, hysterical affections, inward  
weakness, violent cramps in the stomach and  
back, indigestion, melancholy, gout in the  
stomach, pains in the limbs, relaxations, in-  
voluntary emissions, seminal weakness, ob-  
stinate pleuris, haemorrhoids, (or whites) im-  
potency, barrenness, &c. &c.

**ITCH BARKED**  
By once using Lee's Sovereign Ointment,  
The proprietor informs those persons and fa-  
milies who are suffering under this disease  
(against the infection of which no person is  
safe) that if this ointment is used at night  
on going to bed it never fails to perform a  
cure by the following morning, as thousands  
who have used it during the last ten years  
can testify. The peculiar excellencies of  
this infallible remedy for the itch, over every  
other, are the certainty of the cure by a  
single application; the ingredients being so  
innocent as to be applied with perfect safety  
to the tenderest infant; and its being not  
only free from any offensive smell, but equal-  
ly agreeable with the pleasantest pomatum.

**NOTICE**  
It is hereby given to all my creditors, that I  
intend to apply to the county court of Anne-  
Arundel county, or to some judge thereof  
in the process of said court (after this notice  
shall have been published two months,) for  
the benefit of the act of assembly passed at  
November session 1805, entitled "an act  
for the relief of sundry insolvent debtors,"  
and of the several supplementary acts thereon.
