Prevention better than Cure. For the Pr vention and Cure of Bilious and Malignant Feee's, is recommended HAHN'S AN II BILLIOUS PILLS.

Prepared (only) by H. LEB, 56 Maiden
Lane, New York.

[1:115 Medicine has, for ten years past,
been attended with a degree of success
highly grateful to the piventor's feelings, in
several parts of the West-Lakes, and the
southern of the United States, particularly
in Balingree P. teachure, dichinoid, Nanin Baltimore, P. tersburg, stich nond, Nor-rolk, Edenton, Wit nington, Charleston and Savannah. The testimony of a number of persons in each of the above places has been adduced, who have reason to believe that a timely use of this salutary remedy has, under Providence, preserved their lives when in the most air may decomplished.

Facts of this conflueive nature, speak more in favour of a medicine than columns of a medicine than columns.

empora culogy founded on more assertion

could do.

It is not indeed presumptuously proposed as an intallible cure, but the inventor has every possible reason that can result from extensive experience, for believing that a dose of these pills, taken once every two weeks, during the prevalence of our bridges fevers, will prove an intallible preventative—and further, that in the earlier stages of those diseases, there are will very generally those diseases, their use will very generally succeed in restoring health, and frequently in cases esteemed disperate, and beyond the power of common remedies.

power of common remedies.

The operation of twee pills is perfectly mild, so as to be used with safety by all persons in every situation, and of every age.

They are excellently a lapted to sarry off superfitions bite, and prevent its morbid secretion—to restore and amond the appetitement has been a free ne soliration, and thereby -proluce a free perspiration, and thereby prevent colds, which are often of fatal con-sequences. A dose never fails to remove a cold, if taken on its first ap rearance. They the celebrated for removing habitual con-traction in inchess at the stomach and head ache and ought to be taken by all persons

on a change of colmate.

They have been from them thatly efficacious in preventing and corner disorders attendant on long voyages, and should be accorded, and carefully preserved for use by

Certificate of Mr William Devenney.

Darna the last nine years, I have been in the habit of using H dan's Anni-tilious Pills, prepared by the late Mr. Lee, whenever colds, head-aches of costiveness have rendered medicine necessary; in these cases a single dose has uniformly removed my headache, and has generally been found suffici-ent to remove every symptom of cold, it tak-en on its first app arance. Induc. d by the benefit received, I have for many years past recommended them to many of my friends, and I have the pleasure to inform you, they have invariably succeeded, in removing the whove complaints. Yours, &c. WH DEVENNEY,

145, Cherry-st. eet, New-York.

HAMILTON'S

Celebrated Worm Destroying Lezenges, Which there is reason to believe, have, within ten years past, cured upward of exo hundred thousan I persons of both screes, of every age, and is every situation, of various dangerous complaints arising from worms, an I from characteristic or fouthers in the storage cheart agents. much and so wels.

The m-licing bears no analogy whatever

to others of similar tide, so romainly com-plained of as operating with violence; on the contrary, a section of excellence of this remady is its being saided to every age and constitution. It contains nothing but when is perfectly innocent, and is mild in its ration that it cannot in ure the most delicate pregnant lady, or the tenderest infant of a week old, should no worms exist in the body, but will, without pain or graping, cleans the stomach and bowels of whatever is fed or oilensive, and threeby prevent the po-diction of worms and many fatal disorders The lozenges are particularly effications in carrying off all gross humors and cruptions, toverish and bilious complaints, and are the sitest and mildest purgative that can be used

on any constitute

A dose of this medicine given occasionally A dose of this medicine given occasionally during the warm season, will effectively prevent he "vointing and purging of children," a dreadful disorder, which annually destroys the issueds of the infent part of our citizens. It is like wise the millest and most certain reasedy known, and has restored to health and strength a great number when in a radvanced stage of this facal complaint.—Particular and plain instructions are given to every part of the necessary treatment in for every part of the necessary treatment in

Children generally take this medicine with easterness; having a pleasing appearance, and an agreeable taste.

Gives of Gures, selected from thousands the authenticity of which any person new as-certain, either by letter or pursonal applica-tion; not being performed in Europe, nobo-dy knows where—but at home.

TAPE-WORM.

Mr. Samuel Fuller, inn-keeper on the Hart.

ford, ten miles from Haltimore, began about 12 months ago, to be grievously afflicted with a tape-worm, which increased fast hi size and strength, so as to excite the most horrid sensations by its writhing motions and intolerable pains, resembling the gnaw-ing and tearing of his bowels, which deprived him of his necessary sleep, and caused such dreadful apprehensions as cannot be described but by one in a similar situation; his appetite declined rapidly, and will that his strength so that he was mable to attend

t any busines f with the heart of a the ex-cellent coresperit mod by Hamilton'. Worm Lozonges, he took a large dose, which brought away bome 4 yard (now up posses-sion of H. Lee); by a rene satisfies pains soon consincer him that this monstrous rep-tile hast recovered its first vignor. Applica-tion was mod, for more of the m dieing, with advice, from wait a resulted the total capulsion of his form! able enemy, in seve-rat pieces, which he is proced to be six or espitison of its to it. a our enemy, in sever-ral pieces, which he is pposed to be six or eighty rds nore. A few weeks have since eighty rds nore. a numerous circle of his neighbors, and he

a numerous circle of his neighbors, and he himself will gravity any who may wish to make further inquiries on the subject.

Al hough Hamilton's Worm Lorenges produce such powerful effects, when necessary and thorous professionals of the subject o ry, yet they are perfectly innecest and mild in their operation on the human hedy, area when taken in large doses as Mr. Fuller will tentify. Their peculiar middels is abuncantly evident in the following clires of

Letter from Mr. Henry Ackerman, brick-layer, in Magazine-street, near Broadway, New-York.

I: would be ungrateful were I to withhold my testimony in favor of Hamilton's Worm destroying Lozenges. I had been between stroying Lorenges. I had been between 5 and 6 years past much indisposed, and laterly of en tormented with severe griping and pains in the bowels, troubled with officiary breath, with vio ent toverish fits, and other obvious symptoms of worms i but frequestly hearing your Wors. Lozenges recommended in cases similar to mine, I dotermined on a trial of them, as ny last resource. The a trial of them, as my last respunce. The first evacuated twelver thirteen feet of a tape worm, two over doesn were taken, which brought away a quentity of reatter broken like skins and pieces of worms. I suppose the tape worm, voided at different times, murt in the whole have exceeded 40 feet. The almost incredible besets I research from this modifier and the second of the sec feet. The almost incredible besett a re-ceived from this medience, ordered me to give a doze to a child of mire who wistpia-ing and sirkly; it produced the same good effect in this instance, expelled a wo mofa different kind, from nine to twelve inches long, and at the same time restoring a good state of health. Mare of health.

HENRY ACKERMAN.

Dr. Hamilton's Grand Restorative,

Dr. Hamilton's Grand Restorative,

Which the inventor confidently recomments as an invaluable medicine for the speedy relief, and permanent sure of various complaints which result from dissipated pleasures, juvenile indiscretions, resinence in clin ates untavorable to the constitution, the immoderate use of tha, frequest intuitionation, or any destructive intemperance, the unskilluif or excessive use of marcury, the diseases peculial to females at a certain period of life, bad layings in, &c.

And is proved by long and extensive experi nee to be sho outerly unparallelyd in the cure of nerveus diseases affections, inward weakness, violent cramps in the stomach and back, indigestion, neclanchely, part in the stomach, pairs in the limbs, r laxations, involuntary emissions, seminal weakness, obstinate gleens, fluer albus, (or white) importance. stinate gleers, fluer albus, (or whites) impo-tency, barrenness, &c. &c.

TTC11 GURED

By once using Lee's Sovereign Obtainent. The proprietor inform, those persons and families who are suffering under this disease (sgainst the infection of which so person is said) that if this continent is used at hight on proper to had it person fails to the family. sate) that it this continent is used at hight on going to bed it never fails to jetforn a cure by the following morning, as thousaids who have used it during the last ter years can testify. The prouliar excellence of this intallible remedy for the itch, over every other, are the certainty of the cure by a single application; the ingredients being so innocent as to be applied with perfect salety to the tenderest infact; and its being not only free from any offensive smell, but equal-ly agreeable with the pleasantest pomatum.
