Messrs. Richard Lee & Son.
 The high opinion I have of your Bilious Pills, and a desire to make known their utility for the benefit of mankind, I wish you to publish the following:
 For two months past, I have been afflicted with violent sickness at the stomach, an inclination to vomit, and loss of appetite—by taking two doses of your Pills, I am restored to a perfect state of health; which induced my wife to try them also, which was attended with the same good effects, being now able to attend to her domestic concerns. In my opinion this medicine is unequalled in stomach and bowel complaints, not being attended with that griping pain, common to other medicines.

LEE'S
Worm-Destroying Lozenges.
 THIS Medicine, which is as innocent and mild as it is certain and efficacious in its operation, cannot injure the youngest infant, should no worms exist in the body; but will without pain or griping, cleanse the stomach and bowels of whatever is foul or offensive, and thereby prevent the production of worms in all many fatal disorders.
Messrs. Mich. Lee & Co.
 Observing that my son, six years of age, was troubled with difficulty in breathing, (some thing frequent rising in his throat) restlessness at night, loss of sleep, &c. From those symptoms I was confident he had worms, and having procured a box of Lee's Worm-Destroying Lozenges, the first day expelled twenty-three large worms, which gave him immediate relief—He now enjoys a good state of health, and I believe I can from experience say, that Lee's Lozenges are the most efficacious remedy for worms now in use.
THOMAS PETERS,
 of the late firm of Peters & Johnson.
 Baltimore, July 1, 1810.
Messrs. Mich. Lee & Co.
 A child of Mr. Henry Grimes, near Mr. E. Betts's nail factory, was for upwards of 18 months violently afflicted with sickness, which appeared to proceed from worms, the symptoms were restlessness at night, debility, pain in the legs, loss of flesh, &c. After having the advice of an eminent physician, and trying a variety of medicines without success, the afflicted parents were advised to try Lee's Worm-Destroying Lozenge, which expelled during the operation of the medicine, a great quantity of large worms, some of which measured 12 inches—the child now enjoys a good state of health.
Baltimore, June 8, 1803.
Edward Higgins, South-street, Baltimore, administered Lee's Lozenges agreeable to the directions, to his child of 14 months old—the first of which expelled a worm measuring 20 in his long and near half an inch thick; the second dose expelled another, 16 inches long and the same thickness, and a quantity of small worms mixed with slime, &c. The child enjoys a good state of health.

LEE'S ELIXIR
 A sovereign remedy for colds, obstinate coughs, catarrhs, &c. &c. sore throats, and approaching consumptions.
Messrs. Michael Lee & Co.
 You are at liberty to use my name in the recommendation of Lee's Elixir, as from repeated trials I have found it an excellent remedy for colds, coughs, &c.

 I was attacked with a most violent cold, a severe cough and pains in the breast, which continued to grow worse; during which my appetite failed, and my voice altered so much that it was with the utmost exertion I could pronounce a single sentence louder than my breath. Some of my friends having observed to me that much good had been done by the use of Lee's Elixir, advised me to procure a bottle from Messrs. Warner and Hanna which I accordingly did—and to these persons unacquainted with the merits of this medicine, it will appear astonishing that three doses should remove the pains in my breast, and the use of one bottle restored me to perfect health.

Infalible Ague & Fever Drops
 For the cure of agues, remittent and inter-mittent fevers.
 Thousands can testify of their being cured by these Drops after the bark and every other medicine has proved ineffectual; and not one in a hundred has had occasion to take more than one, and numbers not a half a bottle.
Messrs. Michael Lee & Co.
 I think it my duty to inform you, that from experience I am convinced your Ague Drops is an infalible remedy. My little son was violently afflicted with Agues and Fevers. His advice and attendance of an eminent physician failed—I was next advised to try the country air, which also failed, and it appeared to all

 This Lotion is excelled by no other in the World. It has been administered by the proprietor for several years in Europe and America with the greatest success. By the simple application of this fluid, night and morning, it will remove the most rancorous and alarming scurvy in the face. It is perfectly safe, yet powerful, and possesses all the good qualities of the most celebrated cosmetics, without any of their doubtful effects. It is therefore recommended as a certain and efficacious remedy, and a valuable and almost indispensable appendage to the toilet, infinitely superior to the common trash—Cream drawn from Violets and Milk of Roses!—Suffice it however to say, it has been administered to many thousands in the U. States and West Indies, with the greatest and most unparalleled success, and without even a single complaint of its efficacy. A small bottle at 75 cents, will be found sufficient to prove its value.

 On application to the subscriber in the recess of the court, as chief judge of the sixth judicial district of the state of Maryland, by petition in writing of Sater T. Walker of Baltimore county, stating that he is in actual confinement, and praying the benefit of the act of the general assembly of the state of Maryland, entitled, "An act for the relief of sundry insolvent debtors," passed at November session 1805, and the several supplements thereto, on the terms therein mentioned, a schedule of his property and a list of his creditors, on oath, as far as he can ascertain them, being annexed to his petition; and the said Sater T. Walker, having satisfied me by competent testimony, that he has resided two years within the state of Maryland, immediately preceding the time of his application; and the said Sater T. Walker having taken the oath by the said act prescribed for delivering up his property, and giving sufficient security for his personal appearance at the county court of Baltimore county, to answer such allegations as may be made against him: I do therefore appoint Middleton B. Magruder his trustee, and do order and adjudge that the said Sater T. Walker be discharged from imprisonment, and that by causing a copy of this order to be inserted in one of the public newspapers in the city of Baltimore, every other day for three months successively, before the thirteenth day of October next, he give notice to his creditors to appear before the said court, at the court-house of said county, at ten o'clock in the forenoon of said day, for the purpose of recommending a trustee for their benefit, and to shew cause, if any they have, why the said Sater T. Walker should not have the benefit of the said act and supplements. Given under my hand this seventh day of June, eighteen hundred and ten.

Hamilton's
Celebrated Worm-Destroying Lozenges,
 Which there is reason to believe, have, within ten years past, cured upward of two hundred thousand persons of both sexes, of every age, and in every situation, of various dangerous complaints arising from worms, and from obstructions or foulness in the stomach and bowels.
 This medicine bears no analogy whatever to others of similar title, so commonly complained of as operating with violence; on the contrary, a particular excellence of this remedy is its being suited to every age and constitution. It contains nothing but what is perfectly innocent, and is mild in its operation that it cannot injure the most delicate pregnant lady, or the tenderest infant of a week old, should no worms exist in the body, but will, without pain or griping, cleanse the stomach and bowels of whatever is foul or offensive, and thereby prevent the production of worms and many fatal disorders. The lozenges are particularly efficacious in carrying off all gross humors and eruptions, fevers, and bilious complaints, and are the safest and mildest purgative that can be used on any occasion.
 A dose of this medicine given occasionally during the warm season, will effectually prevent the vomiting and purging of children, a dreadful disorder, which annually destroys thousands of the infant part of our citizens. It is likewise the mildest and most certain remedy known, and has restored to health and strength a great number when in an advanced stage of this fatal complaint.—Particular and plain instructions are given for every part of the necessary treatment in such cases.
 Children generally take this medicine with eagerness; having a pleasing appearance, and an agreeable taste.
 Cases of Cures, selected from thousands, the authenticity of which any person may ascertain, either by letter or personal application; not being performed in Europe, nobody knows where—but at home.
TAPE-WORM.
 Mr. Samuel Fuller, inn-keeper on the Hartford, ten miles from Baltimore, began about 12 months ago, to be grievously afflicted with a tape-worm, which increased fast in size and strength, so as to excite the most horrid sensations by its writhing motions and intolerable pains, resembling the gnawing and tearing of his bowels, which deprived him of his necessary sleep, and caused such dreadful apprehensions as cannot be described but by one in a similar situation; his appetite declined rapidly, and with that his strength so that he was unable to attend to any business; when he heard of some excellent cures performed by Hamilton's Worm Lozenges, he took a large dose, which brought away about 4 yards (now in possession of H. Lee); but a renewal of his pains soon convinced him that this monstrous reptile had recovered its first vigour. Application was made for more of the medicine, with advice, from which resulted the total expulsion of his formidable enemy, in several pieces, which he supposed to be six or eight yards more.
