judges of the sixth judicial district of the
state of Maryland, by petition in writing of
William Moore, of Baltimore county, stating
that he is in actual confinement, and praying
the benefit of the act of the general assem-
bly of the state of Maryland, passed at No-
vember session eighteen hundred and five,

if any they have, why the said Wm. Moore
should not have the benefit of said act and
supplements. Given under my hand this
14th day of August, eighteen hundred and
ten.

In submitting the above scheme to the
public, the Managers will not attempt any
eulogium on the importance or necessity of
the object in view. They believe that, at
this time, not a doubt exists in the mind
of any well informed person, of the efficacy
of the Kine Pock as a safe and certain pre-
ventative of the Small Pox. The difficulty, and
it might be added the impossibility, of pre-
serving this remedy without the aid of an
Institution, (such as is intended to be estab-
lished and supported by the profits arising
from this Lottery) is also well known. But
it is proper to observe, that this Institution
not only contemplates to preserve the genu-
ine Vaccine Matter for the use of the citi-
zens of this state, but also to give it, at all
times, free of every expence, (with direc-
tions when required) to any of them who
may have occasion to use it. To aid them
in recompiling objects such as these, the
Managers feel confident of the liberal and
prompt support of the public.
The Scheme on an attentive examination,
will be found to afford inducements to adven-
turers, at least equal to any heretofore pro-
posed in this city. All prizes will be paid
within sixty days after the drawing is com-
pleted.
