PREPARED BY
MICHAEL LEE & CO.

Persons wishing to purchase this valuable medicine, are requested to be particular in acquiring Lee's Anti-Bilious Pills, put up in wooden boxes, having on the outside wrapper the signature of Michael Lee & Co. late Richard Lee & Son—this is necessary, as there are other Pills of the same name.

The operation of these highly esteemed pills is perfectly mild, and the experience of thousands has proved, they may be used in every situation in life, without the least inconvenience.

CASES OF CURES.

Selected from thousands, the authenticity of which can be ascertained by personal application to any of the subscribers—not being performed in Europe, (no one knows where) but at home.

Messrs. Mich. Lee & Co.

Messrs. Mich. Lee & Co.
With pleasure I acknowledge the benefit received from your Anti-Bilious Pills, in removing violent pains in the bowels, sickness and head-ache.
RO. ROBINSON, Market-st.
Balt. June 26, 1810.

I have taken but two doses of your Anti-Bilious Pills, and I am quite relieved from that sickness of the stomach, giddiness, &c. which has troubled me for so long time. I shall recommend them to all my friends in similar cases.
G. C. COLLINS.
Balt. July 13, 1810.

Messrs. Mich. Lee & Co.
The high opinion I have of your Bilious Pills, and a desire to make known their utility for the benefit of mankind, I wish you to publish the following:

For two months past, I have been afflicted with violent sickness at the stomach, an inclination to vomit, and loss of appetite—by taking two doses of your Pills, I am restored to a perfect state of health; which induced my wife to try them also, which was attended with the same good effects, being now able to attend to her domestic concerns. In my opinion the medicine is unequalled in stomach and bowel complaints, not being attended with that griping pain, common to other medicines.

LEE'S Worm-Destroying Lozenges.

THIS Medicine, which is as innocent and mild as it is certain and efficacious in its operation, cannot injure the youngest infant, and no worms exist in the body; but will without pain or griping, cleanse the stomach and bowels of whatever is foul or offensive, and thereby prevent the production of worms and many fatal disorders.

Messrs. Mich. Lee & Co.
Observing that my son, six years of age, was troubled with difficulty in breathing, (something frequent rising in his throat,) restlessness at night, loss of sleep, &c. From those symptoms I was confident he had worms. On having procured a box of Lee's Worm-Destroying Lozenges, the first dose expelled twenty-three large worms, which gave him immediate relief—He now enjoys a good state of health, and I believe I can from experience say that Lee's Lozenges are the most efficacious remedy for worms now in use.

THOMAS PETERS,
of the late firm of Peters & Johnson.
Baltimore, July 1, 1810.

Messrs. Mich. Lee & Co.
A child of Mr. Henry Grimes, near Mr. E. Bennett's nail factory, was for upwards of 18 months violently afflicted with sickness, which appeared to proceed from worms, the symptoms were restlessness at night, debility, pain in the legs, loss of sleep, &c. After having the advice of an eminent physician, and trying a variety of medicines without success, the afflicted parents were advised to try Lee's Worm-Destroying Lozenge, which expelled during the operation of the medicine, a great quantity of large worms, some of which measured 12 inches—the child now enjoys a good state of health.

Baltimore, June 8, 1808.

Edward Higgins, South-street, Baltimore, administered Lee's Lozenges agreeable to the directions, to his child of 14 months old—the first of which expelled a worm measuring 20 inches long and near half an inch thick—the second dose expelled another 16 inches long and the same thickness, and a quantity of small worms mixed with slime, &c. The child enjoys a good state of health.

LEE'S ELIXIR.

A sovereign remedy for colds, obstinate coughs, catarrh, & scurvy, sore throats, and approaching consumptions.

Messrs. Michael Lee & Co.
You are at liberty to use my name in the recommendation of Lee's Elixir, as from repeated trials I have found it an excellent remedy for colds, coughs, &c.

RICHARD BARRY
Balt. June 20, 1810.

Messrs. Michael Lee & Co.
I was at first with a most violent cold, a severe cough and pains in the breast, which continued to grow worse in duration, which my appetite failed, and my voice altered so much that it was with the utmost exertion I could pronounce a single sentence louder than my area. Some of my friends having observed to me that much good had been done by the use of Lee's Elixir, advised me to procure a bottle from Messrs Warner and Hanna which I accordingly did—and to those persons unacquainted with the merits of this medicine, it will appear astonishing that three doses should remove the pains in my breast, and the use of one bottle restored me to perfect health.

LEE'S

Infallible Ague & Fever Drops

For the cure of agues, remittent and intermittent fevers.

Thousands can testify of their being cured by these Drops after the bark and every other medicine has proved inefficacious; and the one in a hundred had occasion to take more than one, and numbers not half a bottle.

Messrs. Michael Lee & Co.
I think it my duty to inform you, that from experience I am convinced your Ague Drops is an excellent remedy. My little son was violently afflicted with Ague and Fevers. The advice and attendance of an eminent physician failed—I was next advised to try the country air, which was tried, and it appeared to all

that one bottle, administered for the relief of the same.

Which Mr. George says advised me to try Lee's Ague Drops (observing that they had cured him.) A bottle was procured and given according to the directions, which effected a speedy cure, and he has not had a return thereof since.

By the simple application of this fluid, night and morning, it will remove the most rancorous and alarming scurvy in the face. It is perfectly safe, yet powerful, and possesses all the good qualities of the most celebrated cosmetics, without any of their doubtful effects. It is therefore recommended as a certain and efficacious remedy, and a valuable and almost indispensable appendage to the toilet, infinitely superior to the common trash—Cream drawn from Violets and Milk of Roses!
Suffice it however to say, it has been administered to many thousands in the U. States and West Indies, with the greatest and most unparalleled success, and without even a single complaint of its efficacy. A small bottle at 75 cents, will be found sufficient to prove its value.

On application to the subscriber in the recess of the court, as chief judge of the sixth judicial district of the state of Maryland, by petition in writing of Sater T. Walker of Baltimore county, stating that he is in actual confinement, and praying the benefit of the act of the general assembly of the state of Maryland, entitled, "An act for the relief of sundry insolvent debtors," passed at November session 1805, and the several supplements thereto, on the terms therein mentioned, a schedule of his property and a list of his creditors, on oath, as far as he can ascertain them, being annexed to his petition; and the said Sater T. Walker, having satisfied me by competent testimony, that he has resided two years within the state of Maryland, immediately preceding the time of his application; and the said Sater T. Walker having taken the oath by the said act prescribed for delivering up his property, and giving sufficient security for his personal appearance at the county court of Baltimore county, to answer such allegations as may be made against him: I do therefore appoint Middleton B. Nugruder his trustee, and do order and adjudge that the said Sater T. Walker be discharged from imprisonment, and that by causing a copy of this order to be inserted in one of the public newspapers in the city of Baltimore, every other day for three months successively, before the thirtieth day of October next, he give notice to his creditors to appear before the said court, at the court house of said county, at ten o'clock in the forenoon of said day, for the purpose of recommending a trustee for their benefit, and to show cause, if any they have, why the said Sater T. Walker should not have the benefit of the said act and supplements. Given under my hand this seventh day of June, eighteen hundred and ten.

Prevention better than Cure.

For the Prevention and Cure of **Bilious and Malignant Fevers,** is recommended
HANN'S ANTI-BILIOUS PILLS.
Prepared (only) by **H. LEE, 55 Maiden Lane, New York.**

THIS Medicine has, for ten years past, been attended with a degree of success highly grateful to the inventor's feelings, in several parts of the West-Indies, and the southern of the United States, particularly in Baltimore, Petersburg, Richmond, Norfolk, Edenton, Wilmington, Charleston and Savannah. The testimony of a number of persons in each of the above places has been adduced, who have reason to believe that a timely use of this salutary remedy has, under Providence, preserved their lives when in the most alarming circumstances.

Facts of this conclusive nature, speak more in favour of a medicine than columns of pompous eulogy founded on mere assertion could do.

It is not indeed presumptuously proposed as an infallible cure, but the inventor has every possible reason that can result from extensive experience, for believing that a dose of these pills, taken once every two weeks, during the prevalence of our bilious fevers, will prove an infallible preventative—and further, that in the earlier stages of those diseases, their use will very generally succeed in restoring health, and frequently in cases esteemed desperate, and beyond the power of common remedies.

The operation of these pills is perfectly mild, so as to be used with safety by all persons in every situation, and of every age.

They are excellently adapted to carry off superfluous bile, and prevent its morbid accumulations—to restore and amend the appetite—produce a free perspiration, and thereby prevent colds, which are often of fatal consequence. A dose never fails to remove a cold, if taken on its first appearance. They are celebrated for removing habitual costiveness—sickness at the stomach and head-ache—and ought to be taken by all persons on a change of climate.

They have been found remarkably efficacious in preventing and curing disorders attendant on long voyages, and should be procured, and carefully preserved for use by every seaman.

Certificate of Mr. William Devenney.
During the last nine years, I have been in the habit of using Hahn's Anti-Bilious Pills, prepared by the late Mr. Lee, whenever colds, head-aches or costiveness have rendered medicine necessary; in these cases a single dose has uniformly removed my head-ache, and has generally been found sufficient to remove every symptom of cold, if taken on its first appearance. Induced by the benefit received, I have for many years past recommended them to many of my friends, and I have the pleasure to inform you, they have invariably succeeded, in removing the above complaints.
Yours, &c.
WM. DEVENNEY,
145, Cherry-street, New-York.

TAPE-WORM.
Mr. Samuel Fuller, inn-keeper on the Hart-ford, ten miles from Baltimore, began about 18 months ago, to be grievously afflicted with a tape-worm, which increased in size and strength, so as to excite the most horrid sensations by its writhing motions and intolerable pains, resembling the gnawing and tearing of his bowels, which deprived him of his necessary sleep, and caused such dreadful apprehensions as cannot be described but by one in a similar situation; his appetite declined rapidly, and with that his strength so that he was unable to attend to any business; when he heard of some excellent cures performed by Hamilton's Worm Lozenges, he took a large dose, which brought away about 4 yards (now in possession of H. Lee); but a renewal of his pains soon convinced him that this monstrous reptile had recovered his first vigour. Application was made for more of the medicine, with advice, from which resulted the total expulsion of this formidable enemy, in several pieces, which he supposed to be six or eight yards more. A few weeks have since

been attended with a degree of success highly grateful to the inventor's feelings, in several parts of the West-Indies, and the southern of the United States, particularly in Baltimore, Petersburg, Richmond, Norfolk, Edenton, Wilmington, Charleston and Savannah. The testimony of a number of persons in each of the above places has been adduced, who have reason to believe that a timely use of this salutary remedy has, under Providence, preserved their lives when in the most alarming circumstances.

ITCH CURED

By one using Lee's Sovereign Ointment. The proprietor informs those persons and families who are suffering under this disease (against the infection of which no person is safe) that if this ointment is used at night on going to bed it never fails to perform a cure by the following morning, as thousands who have used it during the last ten years can testify. The peculiar excellencies of this infallible remedy for the itch, over every other, are the certainty of the cure by a single application; the ingredients being so innocent as to be applied with perfect safety to the tenderest infant; and its being not only free from any offensive smell, but equally agreeable with the pleasantest pomatum.
