In submitting the above scheme to the
public, the Managers will not attempt any
eulogium on the importance or necessity of
the object in view. They believe that, at
this time, not a doubt exists in the mind of
any well informed person, of the efficacy of
the Kine Pock as a safe and certain preven-
tive of the Small Pox. The difficulty, and
it might be added the impossibility, of pre-
serving this remedy without the aid of an
Institution, (such as is intended to be estab-
lished and supported by the profits arising
from this Lottery) is also well known. But
it is proper to observe, that this Institution
not only contemplates to preserve the genu-
ine Vaccine Matter for the use of the citi-
zens of this state, but also to give it, at all
times, free of every expence, (with direc-
tions when required) to any of them who
may have occasion to use it. To aid them
in accomplishing objects such as these, the
Managers feel confident of the liberal and
prompt support of the public.

The Scheme on an attentive examination,
will be found to afford inducements to adven-
turers, at least equal to any heretofore pro-
posed in this city. All prizes will be paid
within sixty days after the drawing is com-
pleted.
