### Baltimore County, ss:

ON application to the subscriber in the recess of the Court, as one of the associate judges of the sixth judicial district of the state of Maryland, by petition in writing of William Moore, of Baltimore county, stating that he is in actual confinement, and praying the benefit of the act of the general assembly of the state of Maryland, passed at November session eighteen hundred and five, entitled, an act for the relief of sundry insolvent debtors, and the several supplements thereto on the terms therein mentioned—a schedule of his property and a list of his creditors on oath, as far as he can ascertain being annexed to his said petition; and the said William Moore having satisfied me by competent testimony, that he has resided two years within the state of Maryland, immediately preceding the time of his application; and the said William Moore having taken the oath by the said act prescribed for delivering up his property; and having given sufficient security for his personal appearance at the county court of Baltimore county, to answer such allegations as may be made against him by his creditors.

I do therefore appoint Luke Tiernan his trustee, and order and adjudge that the said William Moore be discharged from imprisonment; and that by causing a copy of this order to be inserted in some one of the public newspapers in the city of Baltimore, every other day for three months successively, before the seventeenth day of November next, he give notice to his creditors to appear before the said court at the court house of said county, at ten o'clock in the forenoon of said day, for the purpose of recommending a trustee for their benefit, and to shew cause if any they have, why the said Wm. Moore should not have the benefit of said act and supplements. Given under my hand this 14th day of August, eighteen hundred and ten.

In submitting the above scheme to the public, the Managers will not attempt any eulogium on the importance or necessity of the object in view. They believe that, at this time, not a doubt exists in the mind of any well informed person, of the efficacy of the Vaccine Matter as a safe and certain preventative of the Small Pox. The difficulty, and it might be added the impossibility, of preserving this remedy without the aid of an Institution, (such as is intended to be established and supported by the profits arising from this Lottery) is also well known. But it is proper to observe, that this Institution not only contemplates to preserve the genuine Vaccine Matter for the use of the citizens of this state, but also to give it, at all times, free of every expense, (with directions when required) to any of them who may have occasion to use it. To aid them in accomplishing objects such as these, the Managers feel confident of the liberal and prompt support of the public.

The Scheme on an attentive examination, will be found to afford inducements to adventurers, at least equal to any heretofore proposed in this city. All prizes will be paid within sixty days after the drawing is completed.

Miller, where he will provide himself with means of procuring places for servants, and servants for places; of giving information respecting animals strayed; and of furnishing intelligence relative to rare and unusual articles of merchandise or traffic; together with such other articles of intelligence as interest the farmer coming to market, the citizen resident in town, or the stranger who may come hither by land or water.

Terms will be cheap and accommodating. Persons wishing to have their animals strayed, may have it done with any letter or letters, on the shortest notice, by
