### Baltimore County, ss:

ON application to the subscriber in the  
recess of the Court, as one of the associate  
judges of the sixth judicial district of the  
state of Maryland, by petition in writing of  
William Moore, of Baltimore county, stating  
that he is in actual confinement, and praying  
the benefit of the act of the general assen-  
sibly of the state of Maryland, passed at No-  
vember session eighteen hundred and five,  
entitled, an act for the relief of sundry inso-  
lvent debtors, and the several supplements  
thereto on the terms therein mentioned—a  
schedule of his property and a list of his cre-  
ditors of oath, as far as he can ascertain  
being annexed to his said petition; and the  
said William Moore having satisfied me by  
competent testimony, that he has resided two  
years within the state of Maryland, immedi-  
ately preceding the time of his application;  
and the said William Moore having taken the  
oath by the said act prescribed for delivering  
up his property; and having given sufficient  
security for his personal appearance at the  
county court of Baltimore county, to answer  
such allegations as may be made against  
him by his creditors.

I do therefore appoint Luke Tierman his  
trustee, and order and adjudge that the said  
William Moore be discharged from impris-  
onment; and that by causing a copy of this  
order to be inserted in some one of the public  
newspapers in the city of Baltimore, every  
other day for three months successively, be-  
fore the seventeenth day of November next,  
he give notice to his creditors, to appear be-  
fore the said court at the Court house of said  
county, at ten o'clock in the forenoon of said  
day, for the purpose of recommending a  
trustee for their benefit, and to show cause  
if any they have, why the said Wm. Moore  
should not have the benefit of said act and  
supplements. Given under my hand this  
14th day of August, eighteen hundred and  
ten.

be raised, is almost without a parallel:—2  
prizes of 20,000 dollars each, besides 2 of  
10,000, 2 of 5,000, &c.

The Managers contemplate a rapid sale of  
the Tickets—either the prospects of making a  
fortune by drawing the high prizes, or pro-  
moting the completion of a free road to one of  
the most flourishing cities in the world, will  
be inducements which they think sufficient to  
prompt the generosity, or ambition, of all who  
are desirous of wealth, or desirous of travelling  
on a complete free road to and from the city of  
Baltimore.

The drawing will be commenced so soon as  
a sufficient number of tickets are sold to war-  
rant the same.

In submitting the above scheme to the  
public, the Managers will not attempt any  
eulogium on the importance or necessity of  
the object in view. They believe that, at  
the time, not a doubt exists in the mind  
of any well informed person, of the efficacy  
of the Kine Pock as a safe and certain pre-  
ventative of the Small Pox. The difficulty,  
and it might be added the impossibility, of pre-  
serving this remedy without the aid of an  
Institution, (such as is intended to be estab-  
lished and supported by the profits arising  
from this Lottery) is also well known. But  
it is proper to observe, that this Institution  
not only contemplates to preserve the genu-  
ine Vaccine Matter for the use of the citi-  
zens of this state, but also to give it, at all  
times, free of every expence, (with direc-  
tions when required) to any of them who  
may have occasion to use it. To aid them  
in accomplishing objects such as these, the  
Managers feel confident of the liberal and  
prompt support of the public.

The Scheme on an attentive examination,  
will be found to afford inducements to adven-  
turers, at least equal to any heretofore pro-  
posed in this city. All prizes will be paid  
within sixty days after the drawing is com-  
pleted.

**MANAGERS.**

Robert Stewart, John W. Glenn,  
Luke Tierman, Andrew Agnew,

Aaron Levering, Edw. G. Woodyear,

Dr. John Cromwell, Peter Hoffman, jun.

The Managers will contract for the  
sale of any number of Tickets which com-  
panies or individuals may want; and will re-  
ceive and attend to orders for Tickets (post-  
paid) from any part of the United States.

### Intelligence Office.

The convenience of such an establishment  
in a large city like this, can be readily ap-  
preciated, from the inconvenience which attends  
the want of it. Moved by this consideration,  
the subscriber informs the citizens of Balti-  
more, that he will immediately open a general  
Intelligence Office, at the corner of the Fish  
Market and Marsh Market, in the house late-  
ly occupied by George W. Miller, where he  
will provide himself with means of procur-  
ing places for servants, and servants for places;  
of giving information respecting animals stray-  
ed; and of furnishing intelligence relative to  
rare and unusual articles of merchandise or  
traffic; together with such other articles of in-  
telligence as interest the farmer coming to  
market, the citizen resident in town, or the  
stranger who may come hither by land or wa-  
ter.

Terms will be cheap and accommodating.  
Persons wishing to have their animals exam-  
ined, may have it done with any letter or let-  
ters, on the shortest notice, by

### Dr. Church's Cough Drops.

A medicine unequalled by any other in the  
world since first discovered by Dr. Church's  
it has restored to health many thousands of  
the most emaciated objects, both as hematic and  
consumptive, that were ever known to exist  
both in Europe, America and the West-Indies,  
and often when every other medicine had been  
used without effect, and the most eminent of  
the faculty consulted in vain. It is a sove-  
reign, speedy, and effectual remedy in catarrhs,  
asthmas, and other affections of the throat,  
stiffness in the chest, whooping cough, sore  
throats, wheezings, congested phlegm, spitting  
of blood, soreness of the breast and stomach,  
&c. asthma and consumptions, and all disor-  
ders of the breast and lungs.

Sold (by appointment) at
