12,000 Dollars Wanted.

I wish in the course of the month to obtain *a Loan of Twelve Thousand Dollars*, for one year; to secure the punctual payment of which, at the end of that time, I will mortgage landed property to the amount, in value of forty thousand dollars at least. The property principally is situated in or within 3 miles of this city, no part of it more than twelve from it. Should it be agreeable for any bank, or monied institution, or for any gentleman, or association of gentlemen, to loan the money, the interest thereon shall be paid in advance every 60 days at any bank the lender shall choose, under the penalty that the credit shall cease from default made; so that the capital advanced shall produce the same interest to the owner, as would be derived from so much bank stock.

Any further explanation or information may be had by those at a distance, addressing me by post; by those near me, communicating personally. The property meant to be mortgaged, is very eligible and the title indisputable. Mr. Lawrence Keene, who lives with me, will show it to any person or persons who wish to see it.

My time is so much engaged in business, that I have not leisure to make personal application, I have therefore adopted this mode. Whoever shall advance the money, will be secure from any loss, will enjoy the same profit upon it as if invested in bank stock, and will confer an obligation upon a person in the catalogue of whose vices, whatsoever they may be, ingratitude has never been named.

I will sell at private sale,

Twenty-five acres of LAND,

A LOT OF GROUND,

Containing about 36 acres, within a quarter of a mile from Fell's Point, fronting on the road from Toon's Gardens to the Philadelphia road, and immediately to the northward of a lot known by the name of Gilmor's Gardens, formerly belonging to Mr. Gilmor. This will be sold together or in lots, as shall best suit purchasers. Any person wishing it, may be shown the whole of the property, by my son in law, Lawrence Keene, who has plats thereof. If not sold before at private sale, it will be offered for public sale, on the premises, the 29th inst. at 12 o'clock.

Baltimore County, ss:

ON application to the subscriber in the recess of the Court, as one of the associate judges of the sixth judicial district of the state of Maryland, by petition in writing of William Moore, of Baltimore county, stating that he is in actual confinement, and praying the benefit of the act of the general assembly of the state of Maryland, passed at November session eighteen hundred and five, entitled, an act for the relief of sundry insolvent debtors, and the several supplements thereto on the terms therein mentioned—a schedule of his property and a list of his creditors on oath, as far as he can ascertain being annexed to his said petition; and the said William Moore having satisfied me by competent testimony, that he has resided two years within the state of Maryland, immediately preceding the time of his application; and the said William Moore having taken the oath by the said act prescribed for delivering up his property; and having given sufficient security for his personal appearance at the county court of Baltimore county to answer such allegations as may be made against him by his creditors.

I do therefore appoint Luke Tiernan his trustee, and order and adjudge that the said William Moore be discharged from imprisonment; and that by causing a copy of this order to be inserted in some one of the public newspapers in the city of Baltimore, every other day for three months successively, before the seventeenth day of November next, he give notice to his creditors to appear before the said court at the court house of said county, at ten o'clock in the forenoon of said day, for the purpose of recommending a trustee for their benefit, and to shew cause if any they have, why the said Wm. Moore should not have the benefit of said act and supplements. Given under my hand this 11th day of August, eighteen hundred and ten.

In submitting the above scheme to the public, the Managers will not attempt any eulogium on the importance or necessity of the object in view. They believe that, at this time, not a doubt exists in the mind of any well informed person, of the efficacy of the Kine Pock as a safe and certain preventative of the Small Pox. The difficulty, and it might be added the impossibility, of preserving this remedy without the aid of an Institution, (such as is intended to be established and supported by the profits arising from this Lottery) is also well known. But it is proper to observe, that this Institution not only contemplates to preserve the genuine Vaccine Matter for the use of the citizens of this state, but also to give it, at all times, free of every expence, (with directions when required) to any of them who may have occasion to use it. To aid them in accomplishing objects such as these, the Managers feel confident of the liberal and prompt support of the public.

The Scheme on an attentive examination, will be found to afford inducements to adventurers, at least equal to any heretofore proposed in this city. All prizes will be paid within sixty days after the drawing is completed.
