Baltimore County, ss.
 ON application to me the subscriber, in
 the recess of the Court as an associate judge
 of the sixth judicial district of the state of Mary-
 land, by petition in writing of Robert C. Catts,
 of Baltimore county, stating that he is an actual
 confinee, and praying the benefit of the
 act for the relief of insolvent debtors, passed
 the several supplements thereto, on the 15th
 of the said act and supplements prescribed;
 a list of his property, and a list of his creditors
 or oaths, as far as he can ascertain them,
 being annexed to his petition; and having
 satisfied me by competent testimony, that he
 has resided in the state of Maryland, for the two
 years immediately preceding the time of his
 application; and having taken the oath of his
 said act prescribed for delivering up his prop-
 erty; and having given sufficient security for
 his personal appearance at the county court of
 Baltimore county, to answer such allegations
 as may be made against him by his creditors;
 I do therefore order and adjudge, that the
 said Robert Catts, be discharged from impris-
 onment, and that by causing a copy of this or-
 der to be inserted in some one of the public
 newspapers in the city of Baltimore, every
 other day for three months successively, or by

Original Family Medicines

BILIOUS & MALIGNANT FEVERS.
Lee's Anti-Bilious Pills,
 prepared by
MICHAEL LEE & CO.
 Persons wishing to purchase this valuable
 medicine, are requested to be particular in
 enquiring for Lee's Anti-Bilious Pills, put up
 in wooden boxes, having on the outside wrap-
 per the signature of Michael Lee & Co. Late
 Richard Lee & Son—this is necessary, as there
 are other Pills of the same name.
 The operation of these highly esteemed pills
 is perfectly mild, and the experience of thou-
 sands has proved, they may be used in every
 situation in life, without the least inconveni-
 ence.

CASES OF CURS!
 Selected from thousands, the authenticity of
 which can be ascertained by personal applica-
 tion to any of the subscribers—not being
 performed in Europe, (no one knows where)
 but at home.
Messrs. Mich. Lee & Co.
 Your Anti-Bilious Pills has had the desired
 effect in relieving me from head-ache, pains
 in the back, lassitude, &c. If you think prop-
 er, you are at liberty to use my name.

With pleasure I acknowledge the benefit
 received from your Anti-Bilious Pills, in re-
 moving violent pains in the bowels, sickness
 and head-ache.
Rd. ROBINSON, Market-st.

Messrs. Mich. Lee & Co.
 I have taken but two doses of your Anti-
 bilious Pills, and I am quite relieved from that
 sickness of the stomach, giddiness, &c. which
 has troubled me for some time. I shall recom-
 mend them to all my friends in similar cases.
G. C. COLLINS.
 Balt. July 13, 1810
Messrs. Richard Lee & Son.

The high opinion I have of your Bilious
 Pills, and a desire to make known their utility
 for the benefit of mankind, I wish you to
 publish the following:
 For two months past, I have been afflicted
 with violent sickness at the stomach, an incli-
 nation to vomit, and loss of appetite—by tak-
 ing two doses of your Pills, I am restored to a
 perfect state of health; which induced my wife
 to try them also, which was attended with
 the same good effects, being now able to
 attend to her domestic concerns. In my opin-
 ion this medicine is unequalled in stomach and
 bowel complaints, not being attended with
 that griping pain, common to other medicines.
JOHN SCOTT,
 Dalany-st. near Columbia Gardens.

LEE'S
Worm-Destroying Lozenges.
 THIS Medicine, which is as innocent and
 mild as it is certain and efficacious in its op-
 eration, cannot injure the youngest infant,
 should no worms exist in the body; but will
 without pain or griping, cleanse the stomach
 and bowels of whatever is foul or offensive,
 and thereby prevent the production of worms
 in many fatal disorders.
Messrs. Mich. Lee & Co.
 Observing that my son, six years of age,
 was troubled with difficulty in breathing,
 (something frequently rising in his throat)
 restlessness at night, loss of flesh, &c. From
 these symptoms I was convinced he had worms,
 and having procured a box of Lee's Worm-
 Destroying Lozenges, the first dose expelled
 twenty-three large worms, which gave him
 immediate relief—he now enjoys a good state
 of health, and I believe I can from experience
 say, that Lee's Lozenges are the most effica-
 cious remedy for worms now in use.
THOMAS PETERS,
 of the late firm of Peters & Johnson.
 Baltimore, July 1, 1810.
Messrs. Mich. Lee & Co.

A child of Mr. Henry Grimes, near Mr.
 E. Betts's nail factory, was for upwards of 18
 months violently afflicted with sickness, which
 appeared to proceed from worms, the symp-
 toms were restlessness at night, debility, pain
 in the legs, loss of flesh, &c. After having
 the advice of an eminent physician, and trying
 a variety of medicines without success, the af-
 flicted parent was advised to try Lee's
 Worm-Destroying Lozenge, which expelled
 during the operation of the medicine, a great
 quantity of large worms, some of which mea-
 sured 12 inches—the child now enjoys a good
 state of health.
 Baltimore, June 8, 1808.
Edward Higgins, South street, Baltimore,
 administered Lee's Lozenges agreeable to the
 directions, to his child of 14 months old—the
 first of which expelled a worm measuring 20
 inches long and near half an inch thick; the
 second dose expelled another 16 inches long and
 the same thickness, and a quantity of small
 worms mixed with lime, &c. The child en-
 joys a good state of health.

LEE'S ELIXIR,
 A sovereign remedy for colds, obstinate
 coughs, catarrhs, asthma, sore throats, and
 approaching consumptions.
Messrs. Michael Lee & Co.
 You are at liberty to use my name in the
 recommendation of Lee's Elixir, as from re-
 peated trials I have found it an excellent re-
 medy for colds, coughs, &c.
RICHARD BARRY
 Balt. June 23, 1810.
Messrs. Michael Lee & Co.
 I was attacked with a most violent cold,
 a severe cough and pains in the breast, which
 continued to grow worse; during which my
 appetite failed, and my voice altered so much
 that it was with the utmost exertion I could
 pronounce a single sentence louder than my
 breath. Some of my friends having observed
 to me that much good had been done by the use
 of Lee's Elixir, advised me to procure a bottle
 from Messrs. Warner and Hanna which I ac-
 cordingly did—and to those persons unacquainted
 with the merits of this medicine, it
 will appear astonishing that three doses should
 remove the pains in my breast, and the use of
 one bottle restored me to perfect health.

Infalible Ague & Fever Drops

 Thousands can testify of their being cured
 by these Drops after the bark and every other
 medicine has proved ineffectual; and that one

 than one, and numbers not at all a bottle.
Messrs. Michael Lee & Co.
 I think it my duty to inform you, that from
 experience I am convinced your Ague Drops is
 an effectual remedy. My little son was vio-
 lently afflicted with Agues and Fevers. The
 advice and attendance of an eminent physician
 failed—I was next advised to try the country
 air, which also failed, and it appeared to all

 World. It has been a long-cherished by the
 proprietor for several years in Europe and Amer-
 ica with the greatest success. By the sim-
 ple application of this fluid, night and morn-
 ing, it will remove the most atrocious and
 alarming scurf in the face. It is perfectly
 safe, yet powerful, and possesses all the
 good qualities of the most celebrated cos-
 metics, without any of their doubtful effects.
 It is the more recommended as a certain and
 efficacious remedy, and a valuable and almost
 indispensable appendage to the toilet—
 infinitely superior to the common trash—Cream

 Suffice it however to say, it has been admin-

 unparallelled success, and without even a
 single complaint of its efficacy. A small bottle

Prevention better than Cure.
 For the Prevention and Cure of Bilious and
 Malignant Fevers, is recommended
HANN'S ANTI-BILIOUS PILLS.
 Prepared (only) by H. LEBB, 56 Maiden
 Lane, New York.

THIS Medicine has, for ten years past,
 been attended with a degree of success
 highly grateful to the inventor's feelings, in
 several parts of the West-Indies, and the
 southern of the United States, particularly
 in Baltimore, Petersburg, Richmond, Nor-
 folk, Edenton, Wilmington, Charleston and
 Savannah. The testimony of a number of
 persons in each of the above places has been
 adduced, who have reason to believe that a
 timely use of this salutary remedy has, un-
 der Providence, preserved their lives when
 in the most alarming circumstances.
 Facts of this conclusive nature, speak more
 in favour of a medicine than columns of
 pompous eulogy founded on mere assertion
 could do.

It is not indeed presumptuously proposed
 as an infallible cure, but the inventor has
 every possible reason that can result from
 extensive experience, for believing that a
 dose of these pills, taken once every two
 weeks, during the prevalence of our bilious
 fevers, will prove an infallible preventative
 —and further, that in the earlier stages of
 those diseases, their use will very generally
 succeed in restoring health, and frequently
 in cases esteemed desperate, and beyond the
 power of common remedies.

The operation of these pills is perfectly
 mild, so as to be used with safety by all per-
 sons in every situation, and of every age.
 They are excellently adapted to carry off
 superfluous bile, and prevent its morbid se-
 cretion—to restore and amend the appetite
 —produce a free perspiration, and thereby
 prevent colds, which are often of fatal con-
 sequence. A dose never fails to remove a
 cold, if taken on its first appearance. They
 are celebrated for removing habitual con-
 stipations—sickness at the stomach and head
 ache—and ought to be taken by all persons
 on a change of climate.
 They have been found remarkably effica-
 cious in preventing and curing disorders at-
 tend on long voyages, and should be pre-
 pared, and carefully preserved for use by
 every seaman.

Certificate of Mr. William Devenney.
 During the last nine years, I have been in
 the habit of using Hahn's Anti-Bilious Pills,
 prepared by the late Mr. Lee, whenever
 colds, head-aches or costiveness have re-
 sulted in any manner; in these cases a
 single dose has uniformly removed my head-
 ache, and has generally been found suffi-
 cient to remove every symptom of cold, if
 taken on its first appearance. Induced by
 the benefit received, I have for many years
 recommended them to many of my friends,
 and I have the pleasure to inform you, they
 have invariably succeeded, in removing the
 above complaints. Yours, &c.
WM. DEVENNEY,
 145, Cherry-street, New-York.

HAMILTON'S
Celebrated Worm-Destroying Lozenges,
 Which there is reason to believe, have,
 within ten years past, cured upward of two
 hundred thousand persons of both sexes,
 of every age, and in every situation, of various
 dangerous complaints arising from worms,
 and from obstructions or fulness in the stom-
 ach and bowels.

This medicine bears no analogy whatever
 to others of similar title, so commonly com-
 plained of as operating with violence; on
 the contrary, a particular excellence of this
 remedy is its being suited to every age and
 constitution. It contains nothing but what
 is perfectly innocent, and is mild in its op-
 eration that it cannot injure the most delicate
 pregnant lady, or the tenderest infant of the
 weak old, should no worms exist in the
 bowels, but will, without pain or griping, cleanse
 the stomach and bowels of whatever is foul
 or offensive, and thereby prevent the pro-
 duction of worms and many fatal disorders.
 The lozenges are particularly efficacious in
 carrying off all gross humors and eruptions,
 ferrous and bilious complaints, and are the
 safest and most effectual purgative that can be
 used on any occasion.

A dose of this medicine given occasionally
 during the warm season, will effectually
 prevent the vomiting and purging of chil-
 dren's a dreadful disorder, which annually
 destroys thousands of the infant part of our
 citizens. It is likewise the mildest and most
 certain remedy known, and has restored to
 health and strength a great number when in
 an advanced stage of this fatal complaint.—
 Particular and plain instructions are given
 for every part of the necessary treatment in
 such cases.
 Children generally take this medicine with
 eagerness; having a pleasing appearance,
 and an agreeable taste.

TAPE-WORM.
 Cases of Cures, selected from thousands,
 the authenticity of which any person may as-
 certain, either by letter or personal applica-
 tion; not being performed in Europe, nobody
 knows where—but at home.
Mr. Samuel Fuller, inn-keeper on the Hart-
ford, ten miles from Baltimore, began about
 12 months ago, to be grievously afflicted
 with a tape-worm, which increased fast in
 size and length, so as to excite the most
 horrid sensations by its writhing motions,
 and intolerable pain, resembling the gnaw-
 ing and tearing of his bowels, which deprived
 him of his necessary sleep, and caused
 such dreadful apprehensions as cannot be
 described but by one in a similar situation;
 his appetite declined rapidly, and with that
 his strength, so that he was unable to attend
 to any business; when he heard of some ex-
 cellent cures performed by Hamilton's Worm
 Lozenges, he took a large dose, which
 brought away about 4 yards (now in posses-
 sion of H. Lee); but a renewal of his pains
 soon convinced him that this monstrous rep-
 tile had recovered its first vigour. Applica-
 tion was made for more of the medicine,
 with advice, from which resulted the total
 expulsion of the formidable enemy, in sev-
 eral pieces, which he supposed to be six or
 eight yards more. A few weeks have since

Letter from Mr. Henry Ackerman, brick-
layer, in Magazine-street, near Broadway,
New-York.
 It would be ungrateful were I to withhold
 my testimony in favor of Hamilton's Worm
 Destroying Lozenges. I had been between
 5 and 6 years past much indisposed, and last-
 ly often tormented with severe griping and
 pains in the bowels, troubled with offensive
 breath, with violent feverish fits, and other
 obvious symptoms of worms; but frequently
 hearing your Worm Lozenges recom-
 mended in cases similar to mine, I determined
 on a trial of them, as my last resource. The
 first evacuated twelve or thirteen feet of a
 tape-worm, two other doses were taken,
 which brought away a quantity of matter
 broken like skins and pieces of worms. I
 suppose the tape-worm, voided at different
 times, must in the whole have exceeded 40
 feet. The almost incredible benefit I re-
 ceived from this medicine, induced me to
 give a dose to a child of mine who was pi-
 ning and sickly; it produced the same good
 effect in this instance, expelled a worm of a
 different kind, from nine to twelve inches
 long, and at the same time restoring a good
 state of health.
HENRY ACKERMAN.

Dr. Hamilton's Grand Restorative,
 Which the inventor confidently recom-
 mends as an invaluable medicine for the speed-
 ily relief, and permanent cure of various
 complaints which result from dissipated
 pleasures, juvenile indiscretions, residence
 in climates unfavorable to the constitution,
 the immoderate use of tea, frequent intem-
 peration, or any destructive intemperance,
 the unskillful or excessive use of mercury,
 the diseases peculiar to females at a certain
 period of life, had lying-in, &c.
 And is proved by long and extensive ex-
 perience to be absolutely unparalleled in the
 cure of nervous disorders, consumptions,
 lowness of spirits, loss of appetite, impurity
 of the blood, hysterical affections, inward
 weakness, vital cramps in the stomach and
 back, indigestion, melancholy, gout in the
 stomach, pains in the limbs, relaxations, in-
 voluntary emissions, seminal weaknesses, ob-
 stinate gleet, fluor albus, (or whites) impo-
 tency, barrenness, &c. &c.

ETCHERED
 By once using Lee's Sovereign Ointment,
 The proprietor informs those persons and fam-
 ilies who are suffering under this disease
 (against the infection of which no person is
 safe) that if this ointment is used at night
 on going to bed it never fails to perform a
 cure by the following morning, as thousands
 who have used it during the last ten years
 can testify. The peculiar excellencies of
 this infallible remedy for the itch, over ev-
 ery other, are the certainty of the cure by a
 single application; the ingredients being so
 innocent as to be applied with perfect safety
 to the tenderest infant; and its being not
 only free from any offensive smell, but equal-
 ly agreeable with the pleasantest pomatum.
