 per the signature of Michael Lee & Co. late

 The operation of these highly esteemed pills
 is perfectly mild, and the experience of thou-
 sands has proved, they may be used in every
 situation in life, without the least inconveni-
 ence.

 Balt. July 13, 1810
Messrs. Richard Lee & Son.
 The high opinion I have of your Bilious
 Pills, and a desire to make known their utility
 for the benefit of mankind, I wish you to
 publish the following:
 For two months past, I have been afflicted
 with violent sickness at the stomach, an inclin-
 ation to vomit, and loss of appetite—by tak-
 ing two doses of your Pills, I am restoed to a
 perfect state of health; which I do not wish
 to attribute to any other cause, but to the
 effect of your Pills, which I attended with
 the same good effects, being now able to
 attend to her domestic concerns. In my opin-
 ion this medicine is unequalled in stomach and
 bowel complaints, not being attended with
 that griping pain, common to other medicines.

LEE'S
Worm-Destroying Lozenge.
 THIS Medicine, which is as innocent and
 mild as it is certain and efficacious in its op-
 eration, cannot injure the youngest infant,
 should no worms exist in the body; but will
 without pain or griping, cleanse the stomach
 and bowels of whatever is foul or offensive,
 and thereby prevent the production of worms
 and many fatal disorders.
Messrs. Mich. Lee & Co.
 Observing that my son, six years of age,
 was troubled with difficulty in breathing,
 (something frequently rising in his throat);
 restlessness at night, loss of flesh, &c. From
 those symptoms I was confident he had worms,
 and having procured a box of Lee's Worm-
 Destroying Lozenges, the first dose expelled
 twenty-three large worms, which gave him
 immediate relief—He now enjoys a good state
 of health, and I believe I can from experience
 say, that Lee's Lozenges are the most effica-
 cious remedy for worms now in use.
THOMAS PETERS,
 of the late firm of Peters & Johnson.
 Baltimore, July 1, 1810.
Messrs. Mich. Lee & Co.
 A child of Mr. Henry Grimes, near Mr.
 E. Betts's nail factory, was for upwards of 18
 months violently afflicted with sickness, which
 appeared to proceed from worms, the symp-
 toms were restlessness at night, debility, pains
 in the legs, loss of flesh, &c. After having
 the advice of an eminent physician, and trying
 a variety of medicines without success, the af-
 flicted parents were advised to try Lee's
 Worm-Destroying Lozenge, which expelled
 during the operation of the medicine, a great
 quantity of large worms, some of which mea-
 sured 12 inches—the child now enjoys a good
 state of health.
 Baltimore, June 5, 1803.
 Edward Higgins, South-street, Baltimore,
 administered Lee's Lozenges agreeable to the
 directions, to his child of 14 months old—the
 first of which expelled a worm measuring 20
 inches long and near half an inch thick; the
 second dose expelled another 16 inches long
 and the same thickness, and a quantity of small
 worms mixed with slime, &c. The child en-
 joys a good state of health.

LEE'S ELIXIR,
 A sovereign remedy for colds, obstinate
 coughs, catarrhs, asthma, sore throats, and
 approaching consumptions.
Messrs. Michael Lee & Co.
 You are at liberty to use my name in the
 recommendation of Lee's Elixir, as from re-
 peated trials I have found it an excellent re-
 medy for colds, coughs, &c.
RICHARD BARRY
 Balt. June 20, 1810.
Messrs. Michael Lee & Co.
 I was attacked with a most violent cold,
 a severe cough and pains in the breast, which
 continued to grow worse; during which my
 appetite failed, and my voice altered so much
 that it was with the utmost exertion I could
 pronounce a single sentence louder than my
 breath. Some of my friends having observed
 to me that much good had been done by the use
 of Lee's Elixir, advised me to procure a bottle
 from Messrs Warner and Hanna which I ac-
 cordingly did—and to those persons unac-
 quainted with the merits of this medicine, it
 will appear astonishing that three doses should
 remove the pains in my breast, and the use of
 one bottle restoed me to perfect health.

LEE'S
Infalible Ague & Fever Drops
 For the cure of agues, remittent and inter-
 mittent fevers.
 Thousands can testify of their being cured
 by these Drops after the bark and every other
 medicine has proved ineffectual; and not one
 in a hundred has had occasion to take more
 than one, and numbers not a half a bottle.
Messrs. Michael Lee & Co.
 I think it my duty to inform you, that from
 experience I am convinced your Ague Drops is
 an effectual remedy. My little son was vio-
 lently afflicted with Agues and Fevers. The
 advice and attendance of an eminent physician
 failed—I was next advised to try the country
 air, which also failed, and it appeared to all

that was then, impossible for him to recover.
 When Mr. George Hope advised me to try
 Lee's Ague Drops (showing that they had
 cured him.) A bottle was procured and given
 according to the directions, which effected a
 speedy cure, and he has not had a return there-
 of since.

This Lotion is excelled by no other in the
 World. It has been administered by the pro-
 prietor for several years in Europe and Amer-
 ica with the greatest success. By the sim-
 ple application of this fluid, night and morn-
 ing, it will remove the most rancorous and
 alarming scurf in the face. It is perfectly
 safe, yet powerful, and possesses all the
 good qualities of the most celebrated cos-
 metics, without any of their doubtful effects.
 It is therefore recommended as a certain and
 efficacious remedy, and a valuable and almost
 indispensable appendage to the toilet, in-
 finitely superior to the common trash—Cream
 drawn from Violets and Milk of Roses!—
 Suffice it however to say, it has been admin-
 istered to many thousands in the U. States
 and West Indies, with the greatest and most
 unparalleled success, and without even a sin-
 gle complaint of its efficacy. A small bottle
 at 75 cents, will be found sufficient to prove
 its value.

Prevention better than Cure.
 For the Prevention and Cure of Bilious
 and Malignant Fevers, is recommended
HAHN'S ANTI-BILIOUS PILLS.
 Prepared (only) by H. LEE, 56 Maiden
 Lane, New York.
 THIS Medicine has, for ten years past,
 been attended with a degree of success
 highly grateful to the inventor's feelings, in
 several parts of the United States, particularly
 in Baltimore, Petersburg, Richmond, Nor-
 folk, Edenton, Wilmington, Charleston and
 Savannah. The testimony of a number of
 persons in each of the above places has been
 adduced, who have reason to believe that a
 timely use of this salutary remedy has, un-
 der Providence, preserved their lives when
 in the most alarming circumstances.
 Facts of this conclusive nature, speak more
 in favour of a medicine than columns of
 pompous eulogy founded on mere assertion
 could do.
 It is not indeed presumptuously proposed
 as an infallible cure, but the inventor has
 every possible reason that can result from
 extensive experience, for believing that a
 dose of these pills, taken once every two
 weeks, during the prevalence of our bilious
 fevers, will prove an infallible preventative
 —and further, that in the earlier stages of
 those diseases, their use will generally
 succeed in restoring health, and frequently
 in cases esteemed desperate, and beyond the
 power of common remedies.
 The operation of these pills is perfectly
 mild, so as to be used with safety by all per-
 sons in every situation, and of every age.
 They are excellently adapted to carry off
 superfluous bile, and prevent its morbid ac-
 tions—to restore and amend the appetite
 —produce a free perspiration, and thereby
 prevent colds, which are often of fatal con-
 sequences. A dose never fails to remove a
 cold, if taken on its first appearance. They
 are celebrated for removing habitual cos-
 tiveness—sickness at the stomach and head
 ache—and ought to be taken by all persons
 on a change of climate.
 They have been found remarkably effica-
 cious in preventing and curing disorders at-
 tending on long voyages, and should be pro-
 cured, and carefully preserved for use by
 every seaman.

Certificate of Mr. William Devenney.
 During the last nine years, I have been in
 the habit of using Hahn's Anti-Bilious Pills,
 prepared by the late Mr. Lee, whenever
 colds, head-aches or costiveness have re-
 sulted in medicine necessary; in these cases a
 single dose has uniformly removed my head-
 ache, and has generally been found suffi-
 cient to remove every symptom of cold, if tak-
 en on its first appearance. Induced by the
 benefit received, I have for many years past
 recommended them to many of my friends,
 and I have the pleasure to inform you, they
 have invariably succeeded, in removing the
 above complaints. Yours, &c.
WM. DEVENNEY,
 145, Cherry-street, New-York.

HAMILTON'S
Celebrated Worm-Destroying Lozenges,
 Which there is reason to believe, have,
 within ten years past, cured upward of two
 hundred thousand persons of both sexes, of
 every age, and in every situation, of various
 dangerous complaints arising from worms,
 and from obstructions or foulness in the stom-
 ach and bowels.
 This medicine bears no analogy whatever
 to others of similar title, so commonly com-
 plained of as operating with violence; on
 the contrary, a particular excellence of this
 remedy is its being suited to every age and
 constitution. It contains nothing but what
 is perfectly innocent, and is mild in its op-
 eration that it cannot injure the most delicate
 pregnant lady, or the tenderest infant of a
 week old, should no worms exist in the bod-
 y, but will, without pain or griping, cleanse
 the stomach and bowels of whatever is foul
 or offensive, and thereby prevent the pro-
 duction of worms and many fatal disorders.
 The lozenges are particularly efficacious in
 carrying off all gross humors and eruptions,
 feverish and bilious complaints, and are the
 safest and mildest purgative that can be used
 on any occasion.
 A dose of this medicine given occasionally
 during the warm season, will effectually pre-
 vent the "vomiting and purging of child-
 ren," a dreadful disorder, which annually
 destroys thousands of the infant part of our
 citizens. It is likewise and has restored to
 health and strength a great number when in
 an advanced stage of this fatal complaint.—
 Particular and plain instructions are given
 for every part of the necessary treatment in
 such cases.
 Children generally take this medicine with
 eagerness; having a pleasing appearance,
 and an agreeable taste.

Cases of Cures, selected from thousands,
 the authenticity of which any person may as-
 certain, either by letter or personal applica-
 tion; not being performed in Europe, nobo-
 dy knows where—but at home.
TAPE-WORM.
 Mr. Samuel Fuller, inn-keeper on the Hart-
 Ford, ten miles from Baltimore, began about
 12 months ago, to be grievously afflicted
 with a tape-worm, which increased fast in
 size and strength, so as to excite the most
 horrid sensations by its writhing motions
 and intolerable pains, resembling the gnaw-
 ing and tearing of his bowels, which deprived
 him of his necessary sleep, and caused
 such dreadful apprehensions as cannot be
 described but by one in a similar situation;
 his appetite declined rapidly, and with that
 his strength, so that he was unable to attend
 to any business; when he heard of some ex-
 cellent cures performed by Hamilton's Worm
 Lozenges, he took a large dose, which
 brought away about 4 yards (now in posses-
 sion of H. Lee); but a renewal of his pains
 soon convinced him that this monstrous tap-
 e had recovered its first vigour. Applica-
 tion was made for more of the medicine,
 with advice, from which resulted the total
 expulsion of his formidable enemy, in sev-
 eral pieces, which he supposed to be six or
 eight yards more. A few weeks have since

blighted, and Mr. Fuller is now in perfect
 health. The above facts are well known to
 a numerous circle of his neighbors, and he
 himself will testify who may wish to
 make further inquiries, a true subject.
 Although Hamilton's Worm Lozenges pro-
 duce such powerful effects, when necessary,
 yet they are perfectly innocent and mild
 in their operation on the human body, even
 when taken in large doses. Mr. Fuller
 will testify. Their peculiar mildness is a
 constantly evident in the following cures of
 infants.

Letter from Mr. Henry Ackerman, brick-
 layer, in Magazine-street, near Broadway,
 New-York.
 It would be ungrateful were I to withhold
 my testimony in favor of Hamilton's Worm
 Destroying Lozenges. I had been between
 3 and 6 years past much indisposed, and
 latterly often tormented with severe griping
 pains in the bowels, troubled with offensive
 breath, with violent feverish fits, and other
 obvious symptoms of worms; but frequently
 hearing your Worm Lozenges recommended
 in cases similar to mine, I determined on
 a trial of them, as my last resource. The
 first evacuated twelve or thirteen feet of a
 tape worm, two or three other were taken,
 which brought away a quantity of matter
 broken like skins and pieces of worms. I
 suppose the tape worm, voided at different
 times, must in the whole have exceeded 40
 feet. The almost incredible benefit I re-
 ceived from this medicine, induced me to
 give a dose to a child of mine who was pin-
 ning and sickly; it produced the same good
 effect in this instance, expelled a worm of a
 different kind, from nine to twelve inches
 long, and at the same time restoring a good
 state of health.
HENRY ACKERMAN.

Dr. Hamilton's Grand Restorative,
 Which the inventor confidently recom-
 mends as an invaluable medicine for the
 speedy relief, and permanent cure of various
 complaints which result from dissipated
 pleasures, juvenile indiscretions, residence
 in climates unfavorable to the constitution,
 the immoderate use of tea, frequent intoxi-
 cation, or any destructive intemperance, the
 unskillful or excessive use of mercury, the
 diseases peculiar to females at a certain pe-
 riod of life, bad layings in, &c.
 And is proved by long and extensive ex-
 perience to be absolutely unparalleled in the
 cure of nervous disorders, consumptions,
 loss of spirits, loss of appetite, impurity
 of the blood, hysterical affections, inward
 weakness, violent cramps in the stomach and
 back, indigestion, melancholy, gout in the
 stomach, pains in the limbs, relaxations, in-
 voluntary emissions, seminal weaknesses, ob-
 stinate plects, fluor albus, (or whites) im-
 potency, barrenness, &c. &c.

ITCH CURED

By once using Lee's Sovereign Ointment.
 The proprietor informs those persons and
 families who are suffering under this disease
 (against the infection of which no person is
 safe) that if this ointment is used at night
 on going to bed it never fails to perform a
 cure by the following morning, as thousands
 who have used it during the last ten years
 can testify. The peculiar excellencies of
 this infallible remedy for the Itch, over ev-
 ery other, are the certainty of the cure by a
 single application; the ingredients being so
 innocuous as to be applied with perfect safety
 to the tenderest infant; and its being not
 only free from any offensive smell, but equal-
 ly agreeable with the pleasantest pomatum.

Baltimore County, ss.
 ON application to me the subscriber, in
 the recess of the court as an associate
 judge of the sixth judicial district of the
 state of Maryland, by petition in writing of
 Abraham Long and Henry Millard, insolvent
 debtors of Baltimore county, stating that
 they are in actual confinement, and praying
 the benefit of the act for the relief of sundry
 insolvent debtors, passed at November ses-
 sion 1805, and the several supplements there-
 to, on the terms in the said act and suppli-
 ments prescribed; a schedule of their prop-
 erty, and a list of their creditors on oath,
 as far as they can ascertain them at pres-
 ent, being annexed to their petitions—and
 having satisfied me by competent testimony,
 that they have resided in the state of Mary-
 land, for the two years immediately preced-
 ing the time of their application; and having
 both taken the oath by the said act pre-
 scribed for delivering up their property; and
 having given sufficient security for their per-
 sonal appearance at the county court of Balti-
 more county, to answer such allegations
 as may be made against them by their credi-
 tors. I do therefore order and adjudge, that
 the said Abraham Long and Henry Millard,
 be discharged from imprisonment, and that by
 cause or a copy of this order to be inserted in
 some one of the public newspapers in the city
 of Baltimore, every other day for three
 months successively, before the twenty-
 ninth day of November next, they give no-
 tice to their creditors to appear before the
 said county court at the court-house of said
 county, at ten o'clock in the forenoon of
 said day, for the purpose of recommending
 a trustee for their benefit, and to show cause
 if any they have why the said applicants
 should not have the benefit of the said act
 and supplements as aforesaid.
 Given under my hand this twenty-fifth day
