12,000 Dollars Wanted.

I wish in the course of the month to obtain
a Loan of Twelve Thousand Dollars, for one
year; to secure the punctual payment of
which, at the end of that time, I will mort-
gage landed property to the amount, in value
of forty thousand dollars at least. The property
principally is situated in or within 3 miles of
this city, no part of it more than twelve from
it. Should it be agreeable for any bank, or
monied institution, or for any gentleman, or
association of gentlemen, to loan the money,
the interest thereon shall be paid in advance
every 60 days at any bank the lender shall
choose, under the penalty that the credit shall
cease from default made; so that the capital
advanced shall produce the same interest to
the owner, as would be derived from so much
bank stock.

Any further explanation or information may
be had by those at a distance, addressing me
by post; by those near me, communicating
personally. The property meant to be mort-
gaged, is very eligible and the title indisputa-
ble. Mr. Lawrence Keene, who lives with
me, will show it to any person or persons who
wish to see it.
My time is so much engaged in business,
that I have not leisure to make personal ap-
plication, I have therefore adopted this mode.
Whoever shall advance the money, will be se-
cure from any loss, will enjoy the same profit
upon it as if invested in bank stock, and will
confer an obligation upon a person in the cata-
logue of whose vices, whatsoever they may be,
ingratitude has never been named.

rents and guardians of those pupils under his
care, and that his manner of teaching is no
ways inferior to any master in this city. This
experience will demonstrate.

Baltimore County, ss:

ON application to the subscriber in the
records of the Court, as one of the associate
judges of the sixth judicial district of the
state of Maryland, by petition in writing of
William Moore, of Baltimore county, stating
that he is in actual confinement, and praying
the benefit of the act of the general assem-
bly of the state of Maryland, passed at No-
vember session eighteen hundred and five,
entitled, an act for the relief of sundry insol-
vent debtors, and the several supplements
thereto on the terms therein mentioned—a
schedule of his property and a list of his cred-
itors on oath, as far as he can ascertain
and being annexed to his said petition; and
the said William Moore having satisfied me by
two competent testimonies, that he has resided two
years within the state of Maryland, immedi-
ately preceding the time of his application;
and the said William Moore having taken the
oath by the said act prescribed for deliver-
ing up his property; and having given sufficient
security for his personal appearance at the
county court of Baltimore county, to answer
such allegations as may be made against
him by his creditors.
I do therefore appoint Luke Tierman his
trustee, and order and adjudge that the said
William Moore be discharged from impris-
onment; and that by causing a copy of this
order to be inserted in some one of the public
newspapers in the city of Baltimore, every
other day for three months successively, be-
fore the seventeenth day of November next,
he give notice to his creditors to appear be-
fore the said court at the court house of said
county, at ten o'clock in the forenoon of said
county, for the purpose of recommending a
trustee for their benefit, and to show cause
if any they have, why the said Wm. Moore
should not have the benefit of said act and
supplements. Given under my hand this
14th day of August, eighteen hundred and
ten.

Dr. Church's Cough Drops.

A medicine unequalled by any other in the
world since first discovered by Dr. Church;
it has restored to health many thousands of
the most emaciated objects, both as humatic and
consumptive, that were ever known to exist
both in Europe, America and the West-Indies,
and often when every other medicine had been
used without effect, and the most eminent of
the faculty consulted in vain. It is a sover-
eign, speedy, and effectual remedy in catarrhs,
shortness of breath, tickling in the throat,
tightness in the chest, whooping cough, sore
throats, wheezings, congealed phlegm, spitting
of blood, soreness of the breast and stomach,
&c. asthmas and consumptions, and all disor-
ders of the breast and lungs.

In submitting the above scheme to the
public, the Managers will not attempt any
eulogium on the importance or necessity of
the object in view. They believe that, at
this time, not a doubt exists in the mind of
any well informed person, of the efficacy of
the Kine Pock as a safe and certain preven-
tive of the Small Pox. The difficulty, and
it might be added the impossibility, of pre-
serving this remedy without the aid of an
Institution, (such as is intended to be estab-
lished and supported by the profits arising
from this Lottery) is also well known. But
it is proper to observe, that this Institution
not only contemplates to preserve the genu-
ine Vaccine Matter for the use of the citi-
zens of this state, but also to give it, at all
times, free of every expense, (with direc-
tions when required) to any of them who
may have occasion to use it. To aid them
in accomplishing objects such as these, the
Managers feel confident of the liberal and
prompt support of the public.
The Scheme on an attentive examination,
will be found to afford inducements to adven-
turers, at least equal to any heretofore pro-
posed in this city. All prizes will be paid
within sixty days after the drawing is com-
pleted.

Intelligence Office.

The convenience of such an establishment
in a large city like this, can be readily appre-
ciated, from the inconveniences which attend
the want of it. Moved by this consideration,
the subscriber informs the citizens of Bal-

Intelligence Office, at the corner of the Fish
Market and Marsh Market, in the house late-
ly occupied by George W. Miller, where he
will provide himself with means of procuring
places for servants, and servants for places;
of giving information respecting animals stray-
ed; and of furnishing intelligence relative to
rare and unusual articles of merchandise or
traffic; together with such other articles of in-
telligence as interest the farmer coming to
market, the citizen resident in town, or the
stranger who may come hither by land or wa-
ter. Terms will be cheap and accommodating.
