They believe that, gat this time, not a doubt exists in the mind of any well informed person, of the efficacy of the Kine Pock as a safe and certain preventative of the Small Pox. The difficulty, and it might be added the impossibility, of preserving this remedy without the said of an Institution, (such as is intended to be established and supported by the profits arising from this Lottery) is also well known. But it is proper to observe, that this Institution not only contemplates to preserve the genuine Vaccine Matter for the use of the citizens of this state, but also to give it, at all times, free of every expence, (with directivations) zens of this state, but also to give it, at all times, free of every expence, (with directions when required) to any of them who may have occasion to use it. To aid them in accomplishing objects such as these, the Manage's feel confident of the liberal and prompt support of the public.
