In subraitting the above scheme to the public, the Managers will not attempt any subgoint on the importance or necessity of the object in view. They believe that, at his time, not a doubt exists in the small or not well informed person, of the editacy of the Kine Pock as a safe and certain preventive of the Small Pox. The difficulty, and it might be added the impossibility, of precerving this remedy without the aid of appusituation, (such a is intended to be established and supported by the profits arising from this Lottery) is also well known. But it is proper to observe, that this Institution not only contemplaces to preserve the genune Vaccine Marter for the use of the citizens of this state, but also to give it, at all trues, free of every expense, (with directions when required) to any of them who may have occasion to use it. To aid them in accomplishing objects such as these; the stance is free, or ordered of the liberal and
