Insurance against Fire.

The President and Directors of the

BALTIMORE

FIRE INSURANCE COMPANY,

at their Office, No. 12, South-street, continue to make insurance on very moderate terms, not only on buildings and houses of every description, but also on goods, wares and merchandise, contained in any building, and on ships and their cargo lying in port, for any term at the option of the parties.

Goods to an immense amount have lately been imported into this city. How easy is it for the holders of this property to secure to themselves an indemnity for any loss or destruction, that may happen to it by fire, which so frequently occurs, by making insurance on the same? Those persons who may sustain such loss during the winter, will not fail to reproach themselves, if they shall neglect to guard against it by insurance, means the most simple and easy, and suggest to them by every dictate of prudence and foresight.

Persons desirous of making insurance, will be furnished with the forms of application, by calling at the office.

By order,

THEOPH'S F. DOUGHERTY, Secretary.

CHARLOTTE HALL SCHOOL.

THE Friends and Patrons of this Institution, and the Public in general, are respectfully informed, that the Boarding-House belonging to the School, was thoroughly repaired in the month of August last, and that it is now ready to accommodate sixty boarders.

From the first day of the ensuing year, it will be under the direction of an experienced steward, Mr. John Kigour.

The well known salubrity of this place, proceeding from an advantageous situation, pure air, and excellent water has evinced its superiority this year, by withstanding the influence of a season, which proved uncommonly sickly in many parts of the neighbouring counties, and of the state in general. Not one pupil of this school has been confined a single day by sickness—a rare, and perhaps a singular instance.

The sequestered situation of Charlotte Hall, remote from the vicious examples and lures of populous cities and towns; the impossibility of indulging in habits of dissipation and extravagance, and the freedom enjoyed in healthful and manly exercise during the hours of recreation, must render this institution worthy of the serious attention of all parents and guardians, who set a just value on the literary acquirements, health, easy habits and morals of youth.

Rates of Boarding and Tuition. Boarding, (to be paid quarterly in advance, the boarder finding his own bed, &c.) £28 7 6

If not paid regularly in advance £20 17 6

If he furnishes a bed, &c. and is not regularly paid in advance £3 17 6

Additional for French £2 10 0

The duties of the Mathematical Department of this School, are ably and diligently discharged by Mr. N. H. SHAW. The assistant teacher in the Classical Department, Mr. A. REEVE, adds uncommon industry to very useful talents.

Principal of Charlotte Hall School.

Broad and Narrow WEAVING.

The subscriber respectfully informs his friends and the public generally, that he has commenced and intends carrying on the WEAVING BUSINESS, at his manufactory near Market street bridge, in Plughman-st. where Weaving of the following descriptions will be executed with neatness and dispatch, to wit:—Common Carpet, without a seam, large enough for any Room; Diaper, double or single; Bed Coverlets; Counterpanes; Towels of every description; and all kind of Linen, Cotton or Wollen Cloth, or any part of Bed Ticks. A number of the inhabitants of the city and county of Baltimore being so well acquainted with the abilities of the subscriber in the above line of his profession, he deems it unnecessary to trouble them further than to pledge himself that every exertion shall be used to give entire satisfaction, to those who may be pleased to favour him with their commands; and he flatters himself that from his knowledge of the business, his attention and close application to expeliate all orders he may receive, to merit the approbation of a generous public.

CITY OF ROME.

Extract from the report of the commissioners appointed to lay out and survey the plot contemplated to be called the "CITY OF ROME"

At a meeting of the councillors of the City of Rome, held in the city of Philadelphia, the 30th of October, 1810, the following extract from the report of the commissioners, was ordered to be published in two or more newspapers of the said city.

The commissioners report, that agreeably to the order of the councillor, they have proceeded to the city of Rome, where they arrived on the 21st day of October, 1810, and on that day fixed upon the site and marked the most eligible spot for and determined the course, which the streets are to run. They have measured the distance from the bridge across the Lehigh on the turnpike leading to Wilkesbarre, and found the distance from said bridge to the centre of said city of Rome, called Union Square, to be five miles. Said bridge is about 100 miles from the city of Philadelphia, and 17 miles and an half from Wilkesbarre, on the east side of the Susquehanna. The centre of Union Square aforesaid, is situated on a gentle rise of ground, gradually elevated a few feet above the adjoining squares. The quality of the land contained in the plan of the city of Rome, throughout the whole extent, appears to be excellent, abounding with streams of wholesome water, the principal of which is called "Trout Creek," which affords water sufficient to turn mills of any description. The timber is valuable, consisting of sugar Maple, Black Cherry, Black Birch, White Ash, Spruce and Beech. The road (which is now engaged to be cut from the turnpike to Union Square,) is surveyed through a pleasant tract of country, and a surveyor is now engaged to lay out all the streets.

JOSEPH TYSON, PHILIP HEALF, Jun. TH. B. Q. LOW, RALPH SMITH, Jun.

N. B. ASNER NEAL is appointed agent to sell lots in Baltimore, and deliver certificates for the same, at No. 129, Baltimore-street, where a plan of the city may be seen, together with the names of the different gentlemen who have vested considerable sums in the purchase of lots, and also the different lots already sold.

Persons in the different mechanical branches of business, disposed to reside at the city of Rome, are informed, that advantageous terms will be offered, on application at the office, at the N. W. corner of Calowhill and Sixth-street, Philadelphia, or to ASNER NEAL, Baltimore.
