Insurance against Fire.

The President and Directors of the BALTIMORE

FIRE INSURANCE COMPANY,

at their Office, No. 12, South-street, continue at their Office, No. 12, South-street, continue to make insurance on very moderate terms, not only on buildings and houses of every description, but also on goods, wares and merchandize, contained in any building, and on the street of the s

cription, but also on goods, was and an chandize, contained in any building, and on ships and their carg es lying in port, for any term at the option of applicants.

Goods to an immense amount have lately been imported into this city. How easy is it for the holders of this property to secure to themselves an irdemnity for any loss or des ruction, that may happen to it by fire, which so frequently occurs, by making insurance on the same? Those persons who may sustain such loss during the winter, will not fail to reproach themselves, if they shall neglect to guard against it by insurance, means the most simple and easy, and suggested to them by every dictate of prudence and foresight.

Persons desirous of making insurance, will be furnished with the forms of application, by calling at the office.

By order,

THEOPH'S F. DOUGHERTY,

Secretary.

CITY OF ROME.

Extract from the report of the commissioners appointed to lay out and survey the plot contemplated to be called the "CITY OF ROME"

At a meeting of the counsellers of the City of Rome, held in the city of Philadelphia, the 30th of October. 1810, the following axtract from the report of the commissi ne a, was ordered to be sublished in two or more newspapers of the said cny.

dered to be jublished in two or more newspapers of the said cry.

"The commissioners report, that agreeably to the order of the ounsell ire, they have proceeded to the lity of R me, where they arrived on the 21st day for cobert 8.0, and on that day fixed upon the soile and marked the most eligible spot for and determined the course which the stree's are to run. They have measured the distance from the bridge across the Lehigh on the turn, ike leading to Wilkesbarre, and found the distance from said bridge to the centre of said city of Rome, called Unit. Square, to be five miles. Said bridle is about 100 m less from t'e city of 'miladelphia, and 17 miles and an half from Wilkesbarre, on the east side of the Susquehanna. The centre of Union Square aforevaid, is situate on a gentle rise of ground, radually elevated a few feet above the adjoining squar a The quality of the land contained in the plan of the city of Rome, throughout the whole extent appears to be accillent, abounding with streams of wholesome water, the print ipal of which is called "Trout Greek," which affords water sufficient to urn mills of any description. The timber is vituable, consisting of Sugar Maple, Black Cherry, Black Birch, White Ash, Spruce and Beech. The road (which is now engaged to be cut from the turnpike to Union Square,) is surveyed through a pleasant tract of country, and a surveyor is now engaged to lay out all the streets.
