

A successor to Mr. Jackson, notwithstanding the reiterated assurances to you of such an intention, has no claims to further indulgence. On the receipt of this letter, therefore, should the appointment of a plenipotentiary successor not have been made and communicated to you, you will let your purpose be known of returning to the United States, unless, indeed, the British government should have unequivocally manifested a disposition to revoke their orders in council, conformably to the act of congress of May last, and our affairs with them should have accordingly taken so favorable a turn as to justify in your judgment, a further suspension of it.

I have the honor to be, &c. &c.

BOSTON, Dec. 4.

LATEST FROM ENGLAND.
Capt. Lewis, who arrived here yesterday from Liverpool, favoured the Exchange Coffee-house with a London evening paper of the 25th of October, from which the following paragraphs are extracted.

LONDON, Oct. 25.

Dispatches were last night received announcing that the Isle of Bonaparte (late of Bourbon) surrendered to the British arms on the 28th of July. The English had none killed in the attack, and only 18 wounded. A valuable French brig was taken off the Isle of France.

The mysterious allusions in the last Paris papers to the arrival of "a foreign Prince at Fontainebleau," and "the happiness the empress was about to receive in a few days," are explained by letters to the 20th inst. received yesterday from the French coast. According to these, this foreign prince is no less a personage than the emperor FRANCIS, whose visit is supposed to be for other purposes beside the mere indulgence of a father's fondness.

The Dolphin and Zenobia sailed this day from Portsmouth, for Spain and Portugal, with a Convoy in which thirty thousand blankets, and twenty thousand pair of shoes are sent to the patriots in Spain.

Our advices from high authority informs us, that all American vessels that have entered French ports in ballast, and which have been boarded by British cruisers were at liberty to load with French produce, and return to the U. States.

A vessel, under the flag of the Republic, with sugar, coffee, and other commodities, had been permitted in a French harbor to discharge her cargo, upon paying the stipulated duties.

The Board of Trade yesterday desisted from granting licences to and from French ports, and also to and from French ports within the range designated in the orders in council.

Letters under date of the 15th inst. were yesterday received from Rotterdam. They mention that it was intended to impose an exorbitant duty on the importation of bona fide American produce, equal in fact to that extorted from the traffickers in British colonial produce or manufactures.

PLYMOUTH, Oct. 25.

The Melampus and Lela have detained and sent in near the Portuguese ship Fortuna, from Madeira, with rum and rice, for the Brazils—her crew are all Americans.

MARGATE, Oct. 22.

Eleven sail of the line belonging to Sir Richard Strachan's fleet, have been blown from their station off Flushing, and taken shelter in our roads.

British Admiralty Court, Oct. 23.

Retrieve, Powers; this was a question of salvage for a recapture—report ordered of the value of the property.

Sophia, Koster, from Petersburg to Baltimore, under Russian colours. The Trinity Masters ordered to attend.

Married—by the Rev. Mr. Anson, on Thursday evening last, Captain John West to Miss Isabella Smith,—both of this city.

Baltimore County, ss.

ON application to the subscriber in the recess of the Court, as one of the associate judges of the sixth judicial district of the state of Maryland, by petition in writing of Patrick Fitzpatrick, of Baltimore county, stating that he is in actual confinement, and praying the benefit of the act of the general assembly of the state of Maryland, passed at November session eighteen hundred and five, entitled an act for the relief of sundry insolvent debtors, and the several supplements thereto on the terms therein mentioned—a schedule of his property and a list of his creditors on oath, as far as he can ascertain being annexed to his said petition; and the said Patrick Fitzpatrick having satisfied me by competent testimony, that he has resided two years within the state of Maryland, immediately preceding the time of his application; and the said Patrick Fitzpatrick having taken the oath of the said act prescribed for delivering up his property; and having given sufficient security for his personal appearance at the county court of Baltimore county, to answer such allegations as may be made against him by his creditors. I therefore order and adjudge, that the said Patrick Fitzpatrick be discharged from imprisonment, and that by causing a copy of this order to be inserted in some one of the public newspapers in the city of Baltimore, every other day for three months successively, before the thirtieth day of March next, he give notice to his creditors to appear before the said court, at the Court-house of said county, at ten o'clock in the forenoon of said day, for the purpose of recommending a trustee for their benefit, and to show cause, if any they have, why the said Patrick Fitzpatrick should not have the benefit of the said act and supplements. Given under my hand, this first day of September, eighteen hundred and ten.

12,000 Dollars Wanted,

I wish in the course of the month to obtain a loan of Twelve Thousand Dollars, for one year; to secure the punctual payment of which, at the end of that time, I will mortgage landed property to the amount, in value of forty thousand dollars at least. The property principally is situated in or within 3 miles of this city, no part of it more than twelve from it. Should it be agreeable for any bank, or monied institution, or for any gentleman, or association of gentlemen, to loan the money, the interest thereon shall be paid in advance every 90 days at any bank the lender shall choose, under the penalty that the credit shall cease from default made; so that the capital advanced shall produce the same interest to the owner, as would be derived from so much bank stock.
Any further explanation or information may be had by those at a distance, addressing me by post; by those near me, communicating personally. The property meant to be mortgaged, is very eligible and the title indisputable. Mr. Lawrence Keene, who lives with me, will show it to any person or persons who wish to see it.
My time is so much engaged in business, that I have not leisure to make personal application, I have therefore adopted this mode. Whoever shall advance the money, will be secure from any loss, will enjoy the same profit upon it as if invested in bank stock, and will confer an obligation upon a person in the catalogue of whose virtues, whatsoever they may be, ingratitude has never been named.
