A VALUABLE FARM, On the Patuxent River, Calvert County, FOR SALE.

This plantation contains about 700 acres, is most beautifully situated, has erected thereon a substantial well finished two story brick dwelling house, 36 by 40 feet, and contains four rooms on each floor, a garret, and a cellar under the whole; the kitchen, barn, stables and every necessary out building are in perfect repair. The land is well watered by several abundant springs, and has wood, principally of large Cedar, enough for the consumption of the occupier; it is under complete fence, mostly cedar; and a sufficient part of the land is well calculated for meadow ground, which may be made at small expense. Had on when he went away, a blue cloth coat half worn, one pair black velvet pantaloons, one pair olive corduroy ditto, one black satin waistcoat, one black velvet ditto, one white Marseilles ditto, one coarse shirt and one fine, a dark mink cloth surlout about half worn, three white cambrick handkerchiefs, one black silk ditto, one blue silk ditto, with white spots; one pair white and one pair black stockings; a pair of boots newly bottomed; one pair of fine shoes; and a new black fur hat. CITY OF ROME.

Extract from the report of the commissioners appointed to lay out and survey the plot contemplated to be called the "CITY OF ROME."

At a meeting of the councilors of the City of Rome, held in the city of Philadelphia, the 30th of October, 1810, the following extract from the report of the commissioners, was ordered to be published in two or more newspapers of the said city.

"The commissioners report, that agreeably to the order of the councilors, they have proceeded to the city of Rome, where they arrived on the 21st day of October, 1810, and on that day fixed upon the site and marked the most eligible spot for and determined the course which the streets are to run. They have measured the distance from the bridge across the Lehigh on the turnpike leading to Wilkesbarre, and found the distance from said bridge to the centre of said city of Rome, called Union Square, to be five miles. Said bridge is about 100 miles from the city of Philadelphia, and 17 miles and an half from Wilkesbarre, on the east side of the Susquehanna. The centre of Union Square aforesaid, is situated on a gentle rise of ground, gradually elevated a few feet above the adjoining squares. The quality of the land contained in the plan of the city of Rome, throughout the whole extent, appears to be excellent, abounding with streams of wholesome water, the principal of which is called "Trout Creek," which affords water sufficient to turn mills of any description. The timber is valuable, consisting of Sugar Maple, Black Cherry, Black Birch, White Ash, Spruce and Beech. The road (which is now engaged to be cut from the turnpike to Union Square,) is surveyed through a pleasant tract of country, and a surveyor is now engaged to lay out all the streets.

JOSEPH TYSON, PHILIP HEAF, Junr, TH. BIGELOW, RALPH SMITH, Junr."

N. B. ANNER NEAL is appointed agent to sell lots, in Baltimore, and deliver certificates for the same, at No. 129, Baltimore-street, where a plan of the city may be seen, together with the names of the different gentlemen who have vested considerable sums in the purchase of lots, and also the different lots already sold.

Persons in the different mechanical branches of business, disposed to reside at the city of Rome, are informed, that advantageous terms will be offered, on application at the office, at the N. W. corner of Calowhill and Sixth-street, Philadelphia, or to ANNER NEAL, Baltimore. November 14 w3m6w
