12,000 Dollars Wanted,
I wish in the course of the month to obtain a loan of Twelve Thousand Dollars, for one year; to secure the punctual payment of which, at the end of that time, I will mortgage landed property to the amount, in value of forty thousand dollars at least. The property principally is situated in or within 3 miles of this city, no part of it more than twelve from it. Should it be agreeable for any bank, or monied institution, or for any gentleman, or association of gentlemen, to loan the money, the interest thereon shall be paid in advance every 60 days at any bank the lender shall choose, under the penalty that the credit shall cease from default made: so that the capital advanced shall produce the same interest to the owner, as would be derived from so much bank stock.
Any further explanation or information may be had by those at a distance, addressing me by post; by those near me, communicating personally. The property meant to be mortgaged, is very eligible and the title indisputable. Mr. Lawrence Keene, who lives with me, will show it to any person or persons who wish to see it.
My time is so much engaged in business, that I have no leisure to make personal application, I have therefore adopted this mode. Whoever shall advance the money, will be secure from any loss, will enjoy the same profit upon it as if invested in bank stock, and will confer an obligation upon a person in the catalogue of whose vices, whatsoever they may be, ingratitude has never been named.
LUTHER MARTIN.
