12,000 Dollars Wanted,
I wish in the course of the month to obtain
a loan of Twelve Thousand Dollars, for one
year; to secure the punctual payment of
which, at the end of that time, I will mortgage
landed property to the amount, in value of
forty thousand dollars at least. The property
principally is situated in or within 3 miles
of this city, no part of it more than twelve
from it. Should it be agreeable for any bank,
or monied institution, or for any gentleman,
or association of gentlemen, to loan the money,
the interest thereon shall be paid in advance
every 60 days at any bank the lender shall
choose, under the penalty that the credit shall
cease from default made; so that the capital
advanced shall produce the same interest to
the owner, as would be derived from so much
bank stock.
Any further explanation or information may
be had by those at a distance, addressing me
by post; by those near me, communicating
personally. The property meant to be mort-
gaged, is very eligible and the title indisputa-
ble. Mr. Lawrence Keow, who lives with
me, will show it to any person or persons who
wish to see it.
My time is so much engaged in business,
that I have no leisure to make personal ap-
plication, I have therefore adopted this mode.
Whoever shall advance the money, will be se-
cure from any loss, will enjoy the same profit
upon it as if invested in bank stock, and will
confer an obligation upon a person in the cat-
alogue of whose vices, whatever they may be,
ingratitude has never been named.

REMOVAL.

The Agency for the Sale of the following
Family Medicines,
Is removed from James Hanna, to G. & R.
Waite's Lottery-Office, No. 158, Market-street,
at the corner of St. Paul's Lane; they are also
for sale at S. C. Leakin's Lottery-Office, No.
1, Market-street, Fell's-Point—where only
purchasers can be certain of procuring the
GENUINE MEDICINES,
of the late Richard Lee, jun. as prepared by
the original recipes in possession of his Wi-
dow in New-York, by whom they are sup-
plied, and without whose signature none are
genuine.

Prevention better than Cure.

For the Prevention and Cure of Bilious and
Malignant Fevers, is recommended
HAIN'S ANTI-BILIOUS PILLS,
Prepared (only) by H. LEE, 55, Maiden-
Lane, New-York.

This Medicine has, for ten years past,
been attended with a degree of success highly
grateful to the inventor's feelings, in several
parts of the West Indies, and the southern
parts of the United States, particularly in Baltimore,
Petersburgh, Richmond, Norfolk, Edenton,
Wilmington, Charleston and Savanna. The
testimony of a number of persons in each of
the above, has been adduced, who have
reason to believe that a timely use of this sa-
lutory remedy has, under Providence, pre-
served their lives when in the most alarming
circumstances.
Facts of this conclusive nature, speak more
in favour of a medicine, than columns of
pompous eulogy founded on mere assertion
could do.
It is not indeed presumptuously proposed
as an infallible cure, but the inventor has
every possible reason that can result from ex-
tensive experience, for believing that a dose
of these pills, taken once every two weeks,
during the prevalence of our bilious fevers,
will prove an infallible preventative—and fur-
ther, that in the earlier stages of those dis-
eases, their use will very generally succeed
in restoring health, and frequently in cases
extremely desperate, and beyond the power of
common remedies.
The operation of these Pills is perfectly
mild, so as to be used with safety by all per-
sons in every situation, and of every age.
They are exceedingly adapted to carry off
superfluous bile, and prevent its morbid se-
cretions—to restore and amend the appetite
—produce a free perspiration, and thereby
prevent colds, which are often of fatal con-
sequences. A dose never fails to remove a
cold, if taken on its first appearance. They
are celebrated for removing habitual consti-
pation—sickness at the stomach and head-ache
—and ought to be taken by all persons on a
change of climate.
They have been found remarkably efficaci-
ous in preventing and curing disorders at-
tendant on long voyages, and should be pro-
cured, and carefully preserved for use by
every seaman.
Certificate of Mr. William Devenny.
During the last nine years, I have been in
the habit of using Hain's Anti-Bilious Pills,
prepared by the late Mr. Lee, whenever
colds, head-aches or costiveness have ren-
dered medicine necessary; in these cases a
single dose has uniformly removed my head-
ache, and has generally been found sufficient
to remove every symptom of cold, if taken on
its first appearance. Induced by the benefit
received, I have for many years past recom-
mended them to many of my friends, and I
have the pleasure to inform you, they have
invariably succeeded in removing the above
complaints. Yours, &c.
WM. DEVENNY,

HAMILTON'S

Celebrated Worm-Destroying Lozenges,
Which there is reason to believe, have,
within ten years past, cured upwards of two
hundred thousand persons of both sexes,
of every age, and in every situation, of various
dangerous complaints arising from worms,
and from obstructions or foulness in the stom-
ach and bowels.
This medicine bears no analogy whatever
to others of similar title, so commonly com-
plained of as operating with violence: on
the contrary, a particular excellence of this
remedy is its being suited to every age and
constitution. It contains nothing but what
is perfectly innocent, and is so mild in its
operation that it cannot injure the most deli-
cate pregnant lady, or the tenderest infant of a
week old, should no worms exist in the body,
but will, without pain or griping, cleanse the
stomach and bowels of whatever is foul or of-
fensive, and thereby prevent the production
of worms and many fatal disorders. The lo-
zenges are particularly efficacious in carrying
off all gross humors and eruptions, feverish
and bilious complaints, and are the safest and
mildest purgative that can be used on any oc-
casion.
A dose of this medicine given occasionally
during the warm season, will effectually pre-
vent the "vomiting and purging of children,"
a dreadful disorder, which annually destroys
thousands of the infant part of our citizens.
—It is likewise the mildest and most certain
remedy known, and has restored to health

and strength, a great number when in an ad-
vanced stage of this fatal complaint.—Par-
ticular and plain instructions are given for
every part of the necessary treatment in such
cases.

Children generally take this medicine with
eagerness; having a pleasing appearance and
an agreeable taste.

Cases of Cures, selected from thousands,
the authenticity of which any person may as-
ertain, either by letter or personal applica-
tion; not being performed in Europe, nobody
knows where—but at home.

TAPE-WORM

Mr. Samuel Fuller, inn-keeper on the Hart-
ford road, ten miles from Baltimore, began a-
bout 12 months ago, to be grievously afflicted
with a tape-worm, which increased fast in
size and strength, so as to excite the most
horrid sensations by its writhing motions
and intolerable pains, resembling the gnaw-
ing and tearing of his bowels, which depriv-
ed him of his necessary sleep, and caused
such dreadful apprehensions as cannot be
described but by one in a similar situation;
his appetite declined rapidly, and with that
his strength, so that he was unable to attend
to any business; when he heard of some ex-
cellent cures performed by Hamilton's Worm
Lozenges, he took a large dose, which
brought away about 4 yards (now in possession
of H. Lee); but a renewal of his pains
soon convinced him that this monstrous re-
pelle had recovered its first vigour. Applica-
tion was made for more of the medicine, with
advice, from which resulted the total expul-
sion of his formidable enemy, in several
pieces, which he supposed to be six or eight
yards more. A few weeks have since elapsed,
and Mr Fuller is now in perfect health. The
above facts are well known to a numerous
circle of his neighbours, and he himself will
gratify any who may wish to make further in-
quiries on the subject.

Although Hamilton's Worm Lozenges pro-
duce such powerful effects, when neeasary,
yet they are perfectly innocent and mild in
their operation on the human body, even
when taken in large doses as M. Fuller
will testify. Their peculiar mildness is abun-
dantly evident in the following cures of in-
fant.

Letter from Mr. Henry Ackerman, bricklayer,
in Magazine-street, near Broadway, New-
York.

It would be ungrateful were I to withhold
my testimony in favour of Hamilton's Worm
Destroying Lozenges. I had been between
5 and 6 years past much indisposed, and lat-
terly often tormented with severe griping and
pains in the bowels, troubled with offensive
breath, with violent feverish fits, and other
obvious symptoms of worms; but frequently
hearing your Worm Lozenges recommended
in cases similar to mine, I determined on a
trial of them, as my last resource. The first
evacuated twelve or thirteen feet of a tape-
worm; two other doses were taken, which
brought away a quantity of matter broken
like skins and pieces of worms. I suppose
the tape-worm, voided at different times,
must, in the whole, have extended forty
feet. The almost incredible benefit I re-
ceived from this medicine, induced me to give
a dose to a child of mine who was pining and
sickly; it produced the same good effect in
this instance, expelled a worm of a different
kind, from nine to twelve inches long, and at
the same time restoring a good state of health.

HENRY ACKERMAN.

Dr. Hamilton's Grand Restorative,
Which the inventor confidently recom-
mends as an invaluable medicine for the spee-
dily relief and permanent cure of various com-
plaints which result from dissipated pleasures,
juvenile indiscretions, residence in climates
unfavourable to the constitution, the immoder-
ate use of tea, frequent intoxication, or any
destructive intemperance, the unskillful or
excessive use of mercury, the diseases pecu-
liar to females at a certain period of life, bad
layings in, &c.
And is proved by long and extensive expe-
rience to be absolutely unparalleled in the
cure of nervous disorders, consumptions,
lowness of spirits, loss of appetite, impurity
of the blood, hysterical affections, inward
weakness, violent cramps in the stomach and
back, indigestion, melancholy, gout in the
stomach, pains in the limbs, relaxations, in-
voluntary emissions, senial weakness, obsti-
nate gleet, fluor albus, (or white) impo-
tency, barrenness, &c. &c.

ITCH CURED,

By once using Lee's Sovereign Ointment—
The proprietor informs those persons and fam-
ilies who are suffering under this disease,
(against the infection of which no person is
safe) that if this ointment is used at night
on going to bed it never fails to perform a
cure by the following morning, as thousands
who have used it during the last ten years
can testify. The peculiar excellencies of this
infallible remedy for the itch, over every
other, are the certainty of cure by a single
application; the ingredients being so innocent
as to be applied with perfect safety to the
tenderest infant; and its being not only free
from any offensive smell, but equally agree-
able with the pleasantest pomatum.

**Hahn's true and genuine German
Corn-Plaster,**
An infallible remedy for Corns; speedily
removing them root and branch, without grip-
ing pain.

Genuine Persian Lotion,
The Restorative Powder—for the Teeth and
Gums.

Hahn's Genuine Eye-Water,
A sovereign remedy for all diseases of the
eyes.

**Hamilton's Essence and Extract of
Mustard,**
For Rheumatism, Gout, Palsy, Swelling,
Numbness, &c.

Tooth-Ache Drops,
The only remedy yet discovered, which
gives immediate and lasting relief in the most
severe instances.

The Anodyne Elixir,
For the cure of every kind of head-ache.

The Damask Lip-Salve.

Infallible Fever and Ague Drops.

Observe, the Agency is removed.—The
above well known Medicines are for sale in
Baltimore, only, by G. & R. Waite, at their
Lottery-Office, No. 158, Market-street, cor-
ner of St. Paul's Lane; and at S. C. Leakin's
Lottery-Office, No. 1, Market-street, Fell's-
Point—and no where else in Baltimore.
