A VALUABLE FARM,
On the Patuxent River, Calvert County,
FOR SALE.
This Plantation contains about 700 acres, is most beautifully situated, has erected thereon a substantial well finished two-story brick dwelling-house, thirty-six by forty feet, and contains four rooms on each floor, a garret, and a cellar under the whole; the kitchen, barn, stables and every necessary out-building are in perfect repair. The land is well watered by several abundant springs, and has wood, principally of large Cedar, enough for the consumption of the occupier; it is under complete fence, mostly cedar; and a sufficient part of the land is well calculated for mow-grounds, which may be made at small expense. This property, which is equalled by no farm in Calvert county, and excelled by few in this state of the same number of acres, has every advantage of a farm bordering on an extensive river, such as fishing, fowling, boating, &c. and is adapted to the growth of all kinds of produce, situated 110 miles from Baltimore by water, or 60 by land, three miles from St. Leonard's creek, a post town, and about twenty miles from Lower Marlborough. Should the purchaser think proper, he can be accommodated with the present stock, farming utensils, household and kitchen furniture, &c. See at a fair valuation, also with 200 barrels of corn.
The terms will be made known on application to the subscriber.

12,000 Dollars Wanted.
I wish in the course of the month to obtain a loan of Twelve Thousand Dollars, for one year; to secure the punctual payment of which, at the end of that time, I will mortgage landed property to the amount, in value of forty thousand dollars at least. The property principally is situated in or within 3 miles of this city, no part of it more than twelve from it. Should it be agreeable for any bank, or monied institution, or for any gentleman, or association of gentlemen, to loan the money, the interest thereon shall be paid in advance every 60 days at any bank the lender shall choose, under the penalty that the credit shall cease from default made; so that the capital advanced shall produce the same interest to the owner, as would be derived from so much bank stock.
Any further explanation or information may be had by those at a distance, addressing me by post; by those near me, communicating personally. The property meant to be mortgaged, is very eligible and the title indisputable. Mr. Lawrence Keene, who lives with me, will show it to any person or persons who wish to see it.
My time is so much engaged in business, that I have not leisure to make personal application, I have therefore adopted this mode. Whoever shall advance the money, will be secure from any loss, will enjoy the same profit upon it as if invested in bank stock, and will consider an obligation upon a person in the catalogue of whose vices, whatsoever they may be, ingratitude has never been named.

REMOVAL.
The Agency for the Sale of the following Family Medicines,
Is removed from James Hanna, to G. & R. Waite's Lottery-Office, No. 156, Market-street, at the corner of St. Paul's Lane; they are also for sale at S. C. Leati's Lottery-Office, No. 1, Market-street, Fell's-Point—where only purchasers can be certain of procuring the
GENUINE MEDICINES,
of the late Richard Lee, jun. as prepared by the original recipes in possession of his Widow in New-York, by whom they are supplied, and without whose signature none are Genuine.
Prevention better than Cure.
For the Prevention and Cure of Bilious and Malignant Fevers, is recommended
HANN'S ANTI-BILIOUS PILLS,
Prepared (only) by H. LEE, 56, Maiden-Lane, New-York.
THIS Medicine has, for ten years past, been attended with a degree of success highly gratifying to the inventor's feelings, in several parts of the West Indies, and the southern of the United States, particularly in Baltimore, Petersburg, Richmond, Norfolk, Edenton, Wilmington, Charleston and Savannah. The testimony of a number of persons in each of the above, has been adduced, who have reason to believe that a timely use of this salutary remedy has, under Providence, preserved their lives when in the most alarming circumstances.
Facts of this conclusive nature, speak more in favour of a medicine, than columns of pompous eulogy founded on mere assertion can do.
It is not indeed presumptuously proposed as an infallible cure, but the inventor has every possible reason that can result from extensive experience, for believing that a dose of these pills, taken once every two weeks, during the prevalence of our bilious fevers, will prove an infallible preventative—and further, that in the earlier stages of those diseases, their use will very generally succeed in restoring health, and frequently in cases esteemed desperate, and beyond the power of common remedies.
The operation of these Pills is perfectly mild, so as to be used with safety by all persons in every situation, and of every age.
They are exceedingly adapted to carry off superfluous bile, and prevent its noxious secretions—to restore and amend the appetite—produce a free perspiration, and thereby prevent colds, which are often of fatal consequences. A dose never fails to remove a cold, if taken on its first appearance. They are celebrated for removing habitual costiveness—colic at the stomach and head-ache—and ought to be taken by all persons on a change of climate.
They have been found remarkably efficacious in preventing and curing disorders attendant on long voyages, and should be procured, and carefully preserved for use by every seaman.
Certificate of Mr. William Devenny.
During the last nine years, I have been in the habit of using Hahn's Anti-Bilious Pills, prepared by the late Mr. Lee, whenever colds, headaches or costiveness have rendered medicine necessary; in these cases a single dose has uniformly removed my headache, and has generally been found sufficient to remove every symptom of cold, if taken on its first appearance. Induced by the benefit received, I have for many years past recommended them to many of my friends, and I have the pleasure to inform you, they have invariably succeeded in removing the above complaints. Yours, &c.
Wm. DEVENNY,

and strength, a great number when in an advanced stage of this fatal complaint.—Particular and plain instructions are given for every part of the necessary treatment in such cases.
Children generally take this medicine with eagerness; having a pleasing appearance and an agreeable taste.
Cases of Cures, selected from thousands, the authenticity of which any person may ascertain, either by letter or personal application; not being performed in Europe, nobody knows where—but at home.
TAPE-WORM.
Mr. Samuel Fuller, inn-keeper on the Hartford road, ten miles from Baltimore, began about 12 months ago, to be grievously afflicted with a tape-worm, which increased fast in size and strength, so as to excite the most horrid sensations by its writhing motions and intolerable pains, resembling the gnawing and tearing of his bowels, which deprived him of his necessary sleep, and caused such dreadful apprehensions as cannot be described but by one in a similar situation; his appetite declined rapidly, and with that his strength, so that he was unable to attend to any business; when he heard of some excellent cures performed by Hamilton's Worm Lozenges, he took a large dose, which brought away about 4 yards (now in possession of H. Lee); but a renewal of his pains soon convinced him that this monstrous reptile had recovered its first vigour. Application was made for more of the medicine, with advice, from which resulted the total expulsion of his formidable enemy, in several pieces, which he supposed to be six or eight yards more. A few weeks have since elapsed, and Mr Fuller is now in perfect health. The above cases are well known to a numerous circle of his neighbours, and he himself will gratify any who may wish to make further inquiries on the subject.
Although Hamilton's Worm Lozenges produce such powerful effects, when necessary, yet they are perfectly innocent and mild in their operation on the human body, even when taken in large doses as Mr. Fuller will testify. Their peculiar mildness is abundantly evident in the following cures of infants.

Letter from Mr. Henry Ackerman, Bricklayer, in Magazine-street, near Broadway, New-York.
It would be ungrateful were I to withhold my testimony in favour of Hamilton's Worm Destroying Lozenges. I had been between 5 and 6 years past much indisposed, and latterly often tormented with severe griping and pains in the bowels, troubled with offensive breath, with violent feverish fits, and other obvious symptoms of worms; but frequently hearing your Worm Lozenges recommended in cases similar to mine, I determined on a trial of them, as my last resource. The first evacuated twelve or thirteen feet of a tape-worm; two other doses were taken, which brought away a quantity of matter broken like skins and pieces of worms. I suppose the tape-worm, voided at different times, must, in the whole, have extended forty feet. The almost incredible benefit I received from this medicine, induced me to give a dose to a child of mine who was pining and sickly; it produced the same good effect in this instance, expelled a worm of a different kind, from nine to twelve inches long, and at the same time restoring a good state of health.
HENRY ACKERMAN.

Dr. Hamilton's Grand Restorative,
Which the inventor confidently recommends as an invaluable medicine for the speedy relief and permanent cure of various complaints which result from dissipated pleasures, jaded indigestions, residence in climates unfavorable to the constitution, the immoderate use of tea, frequent intoxication, or any destructive intemperance, the unskillful or excessive use of mercury, the diseases peculiar to females at a certain period of life, bad layings, &c.
And is proved by long and extensive experience to be absolutely unparalleled in the cure of nervous disorders, consumptions, loss of spirits, loss of appetite, impurity of the blood, hysterical affections, inward weakness, violent cramps in the stomach and back, indigestion, melancholy, gout in the stomach, pains in the limbs, relaxations, involuntary emissions, seminal weaknesses, obstinate gonorrhoea, (or whites) impotency, barrenness, &c. &c.
ITCH CURED.
By once using Lee's Sovereign Ointment.—The proprietors inform those persons and families who are suffering under this disease, (because the infection of which no person is safe) that if this ointment is used at night on going to bed it never fails to perform a cure by the following morning, as thousands who have used it during the last ten years can testify. The peculiar excellencies of this infallible remedy for the itch, over every other, are the certainty of cure by a single application, the ingredients being so innocent as to be applied with perfect safety to the tenderest infant; and its being not only free from any offensive smell, but equally agreeable with the pleasantest pomatum.
Hahn's true and genuine German Corn-Plaster,
An infallible remedy for Gout; speedily removing their root and branch, without giving pain.
Genuine Persian Lotion,
The Restorative Powder—for the Teeth and Gums.
Hahn's Genuine Eye Water,
A sovereign remedy for all diseases of the eyes.
