A VALUABLE FARM,
 On the Patuxent River, Calvert County,
 FOR SALE.
 This Plantation contains about 700 acres,
 is most beautifully situated, has erected thereon
 a substantial well finished two-story brick
 dwelling-house, thirty-six by forty feet, and
 contains four rooms on each floor, a garret,
 and a cellar under the whole; the kitchen,
 barn, stables and every necessary out-building
 are in perfect repair. The land is well watered
 by several abundant springs, and has wood,
 principally of large Cedar, enough for the
 consumption of the occupier; it is under
 complete fence, mostly cedar; and a sufficient
 part of the land is well calculated for
 mowing-ground, which may be made at small
 expense. This property, which is equalled by
 no farm in Calvert county, and excelled by
 few in this state of the same number of acres,
 has every advantage of a farm bordering on
 an extensive river, such as fishing, fowling,
 boating, &c. and is adapted to the growth of
 all kinds of produce, situated 110 miles from
 Baltimore by water, or by land, three miles
 from St. Louis and a creek, a post town, and
 about twenty miles from Lower Marlborough.
 Should the purchaser think proper, he can be
 accommodated with the present stock, farming
 utensils, household and kitchen furniture,
 &c. &c. at a fair valuation, also with 200 bar-
 rels of corn.
 The terms will be made known on applica-
 tion to the subscriber.

12,000 Dollars Wanted.
 I wish in the course of the month to obtain
 a loan of Twelve Thousand Dollars, for one
 year; to secure the punctual payment of
 which, at the end of that time, I will mortgage
 landed property to the amount, in value of
 forty thousand dollars at least. The property
 principally is situated in or within 5 miles
 of this city, no part of it more than twelve
 from it. Should it be agreeable for any bank,
 or monied institution, or for any gentleman,
 or association of gentlemen, to loan the money,
 the interest thereon shall be paid in advance
 every 60 days at any bank the lender shall
 choose, under the penalty that the credit shall
 cease from default made; so that the capital
 advanced shall produce the same interest to
 the owner, as would be derived from so much
 bank stock.
 Any further explanation or information may
 be had by those at a distance, addressing me
 by post: by those near me, communicating
 personally. The property meant to be mort-
 gaged, is very eligible and the title indisputa-
 ble. Mr. Lawrence Keene, who lives with
 me, will show it to any person or persons who
 wish to see it.
 My time is so much engaged in business,
 that I have not leisure to make personal ap-
 plication, I have therefore adopted this mode.
 Whoever shall advance the money, will be se-
 cure from any loss, will enjoy the same profit
 upon it as if invested in bank stock, and will
 confer an obligation upon a person in the cat-
 egorie of whose vices, whatsoever they may be,
 ingratitude has never been named.

 of the late Richard Lee, jun. as prepared by
 the original recipes in possession of his Wi-
 dow in New-York, by whom they are sup-
 plied, and without whose signature none are
 Genuine.
Prevention better than Cure.
 For the Prevention and Cure of Bilious and
 Malignant Fevers, is recommended
HAIN'S ANTI-BILIOUS PILLS,
 Prepared (only) by H. LEE, 56, Maiden-
 Lane, New-York.
 THIS Medicine has, for ten years past,
 been attended with a degree of success highly
 grateful to the inventor's feelings, in several
 parts of the West Indies, and the southern of
 the United States, particularly in Baltimore,
 Petersburg, Richmond, Norfolk, Edenton,
 Wilmington, Charleston and Savanna. The
 testimony of a number of persons in each of
 the above, has been added, who have
 reason to believe that a timely use of this sa-
 lutory remedy has, under Providence, pre-
 served their lives when in the most alarming
 circumstances.
 Facts of this conclusive nature, speak more
 in favour of a medicine, than columns of
 pompous eulogy founded on mere assertion
 could do.
 It is not indeed presumptuously proposed
 as an infallible cure, but the inventor has
 every possible reason to think that it can be
 extensively experienced, for believing that a dose
 of these pills, taken once every two weeks,
 during the prevalence of our bilious fevers,
 will prove an infallible preventative—and fur-
 ther, that in the earlier stages of those dis-
 eases, their use will very generally succeed
 in restoring health, and frequently in cases
 esteemed desperate, and beyond the power of
 common remedies.
 The operation of these Pills is perfectly
 mild, so as to be used with safety by all per-
 sons in every situation, and of every age.
 They are exceedingly adapted to carry off
 superfluous bile, and prevent its morbid se-
 cretions—to restore and amend the appetite
 —produce a free perspiration, and thereby
 prevent colds, which are often of fatal con-
 sequences. A dose never fails to remove a
 cold, if taken on its first appearance. They
 are celebrated for removing habitual costive-
 ness—sickness at the stomach and head-ache
 —and ought to be taken by all persons on a
 change of climate.
 They have been found remarkably efficaci-
 ous in preventing and curing disorders at-
 tendant on long voyages, and should be pre-
 served, and carefully preserved for use by
 every seaman.
 Certificate of Mr. William Devenny.
 During the last nine years, I have been in
 the habit of using Hain's Anti-Bilious Pills,
 prepared by the late Mr. Lee, whenever
 colds, head-aches or costiveness have ren-
 dered medicine necessary: in these cases a
 single dose has uniformly removed my head-
 ache, and has generally been found sufficient
 to remove every symptom of cold, if taken on
 its first appearance. Induced by the benefit
 received, I have for many years past recom-
 mended them to many of my friends, and I
 have the pleasure to inform you, they have
 invariably succeeded in removing the above
 complaints. Yours, &c.

TAPE-WORM.
 Mr. Samuel Fuller, inn-keeper on the Hart-
 ford road, ten miles from Baltimore, began
 about 12 months ago, to be grievously afflic-
 ted with a tape-worm, which increased fast in
 size and strength, so as to excite the most
 horrid sensations by its writhing motions
 and intolerable pains, resembling the gnaw-
 ing and tearing of his bowels, which deprived
 him of his necessary sleep, and caused
 such dreadful apprehensions as cannot be
 described but by one in a similar situation;
 his appetite declined rapidly, and with that
 his strength, so that he was unable to attend
 to any business; when he heard of some ex-
 cellent cures performed by Hamilton's Worm
 Lozenges, he took a large dose, which
 brought away about 4 yards (now in posses-
 sion of H. Lee); but a renewal of his pains
 soon convinced him that this monstrous re-
 ptile had recovered its first vigour. Applica-
 tion was made for more of the medicine, with
 advice, from which resulted the total expul-
 sion of his formidable enemy, in several
 pieces, which he supposed to be six or eight
 yards more. A few weeks have since elapsed,
 and Mr. Fuller is now in perfect health. The
 above facts are well known to a numerous
 circle of his neighbours, and he himself will
 gratify any who may wish to make further in-
 quires on the subject.

Although Hamilton's Worm Lozenges pro-
 duce such powerful effects, when necessary,
 yet they are perfectly innocent and mild in
 their operation on the human body, even
 when taken in large doses as Mr. Fuller
 will testify. Their peculiar mildness is abun-
 dantly evident in the following cures of in-
 fants.

Letter from Mr. Henry Ackerman, bricklayer,
 in Magazine-street, near Broadway, New-
 York.

It would be ungrateful were I to withhold
 my testimony in favour of Hamilton's Worm
 Destroying Lozenges. I had been between
 5 and 6 years past much indisposed, and lat-
 tely often tormented with severe griping and
 pains in the bowels, troubled with offensive
 breath, with violent febrile fits, and other
 obvious symptoms of worms; but frequently
 hearing your Worm Lozenges recommended
 in cases similar to mine, I determined on a
 trial of them, as my last resource. The first
 evacuated twelve or thirteen feet of a tape-
 worm; two other doses were taken, which
 brought away a quantity of matter broken
 like skins and pieces of worms. I suppose
 the tape-worm, voided at different times,
 must, in the whole, have extended forty
 feet. The almost incredible benefit I re-
 ceived from this medicine, induced me to give
 a dose to a child of mine who was pining and
 sickly; it produced the same good effect in
 this instance, expelled a worm of a different
 kind, from nine to twelve inches long, and at
 the same time restoring a good state of
 health.

HENRY ACKERMAN.
 Which the inventor confidently recom-
 mends as an invaluable medicine for the speed-
 y relief of permanent cure of various com-
 plaints which result from dissipated pleasures,
 juvenile indiscretions, residence in climates
 unfavourable to the constitution, the immoder-
 ate use of tea, frequent intoxication, or any
 destructive intemperance, the unskilful or
 excessive use of mercury, the diseases pecu-
 liar to females at a certain period of life, bad
 layings in, &c.

And is proved by long and extensive expe-
 rience to be absolutely unparalleled in the
 cure of nervous disorders, constipations,
 loss of spirits, loss of appetite, impurity
 of the blood, hysterical affections, inward
 weakness, violent cramps in the stomach and
 back, indigestion, melancholy, gout in the
 stomach, pains in the limbs, relaxations, in-
 voluntary emissions, seminal weaknesses, ob-
 stinate gleet, fluor albus, (or whites) impe-
 tency, barrenness, &c. &c.

ITCH CURED.
 By once using Lee's Sovereign Ointment.—
 The proprietor informs those persons and fa-
 milies who are suffering under this disease,
 (against the infection of which no person is
 safe) that if this ointment is used at night
 on going to bed it never fails to perform a
 cure by the following morning, as thousands
 who have used it during the last ten years
 can testify. The peculiar excellencies of this
 infallible remedy for the itch, over every
 other, are the certainty of cure by a single
 application; the ingredients being so innocent
 as to be applied with perfect safety to the
 tenderest infants; and its being not only free
 from any offensive smell, but equally agree-
 able with the pleasantest pomatum.
