MAGISTRATE'S BLANKS, of every description printed and for sale at the office of the "Cambridge Chronicle."

**Notice.**

THE public are notified that the undersigned hath presented to the Board of Commissioners for Dorchester County a list of lands, whereon no personal property can be found liable for the payment of the County charges due thereon, and whereas by an Act of the last Legislature of Maryland Chapter 133, the laws in regard to the sales of such lands by Collectors have been materially altered & amended and whereas many of those lands have changed owners since those charges have become due. In consequence of which it is desirable that land holders generally would examine carefully the advertisement; as some of their lands may be exposed to sale for charges due under former owners; and tax payers generally are interested in making the lands sell, as all deficiencies will have to come against the County as insolvent and will if large swell the county levy beyond the usual amount.

400 Acres of Land,  
about one-half cleared, and in a fine state of cultivation—with a pleasant HOUSE, most eligibly situated on the margin of the river—the channel of which is hold enough for vessels of large size, with all necessary out houses and in good order.

The Farm lies about 2 miles from Church Creek, and six from Cambridge, and is in all respects one of the most desirable situations in the County. A grave yard, with right of entry &c. is reserved.

I will sell also at the same time and place, being part of the said real estate of said deceased, a HOUSE & LOT, and STORE HOUSE, in the town of Church Creek—it being also in good order, the Lot containing about one acre—the Store House being eligibly situated for business. Also, a LOT in the vicinity of Church Creek containing seven acres, in the highest state of improvement.

Also, some One Hundred and Fifty Acres of WOOD LAND, the greater part of it heavily TIMBERED lying on the Black Water road, about two or three miles from last mentioned town. This land is within two and three miles of navigable water, and will furnish a very considerable amount of cord wood, besides that it contains no small quantity of timber suitable for boat building.

The terms of sale as prescribed by the decree are one fourth cash on the day of sale, and the balance in equal annual payments of one two and three years—the purchaser or purchasers giving bond with security approved by a trustee for the payment thereof, with interest from the day of sale.

**SELLERS' CELEBRATED LIVER PILLS**  
for the cure of the Liver Complaint.

The proprietor of the above medicine, aware of the many instances in which the afflicted have been imposed upon by quack remedies, proclaims to be remedied every disease yet hopes that the Liver Pills will not be placed in that class until they are fairly tested. It is expressly stated "that persons who use these Pills, and find, after following the given directions that they have not been benefited, shall have their money returned."

This is done that the public may see it is not the purpose of the proprietor to speculate upon their credulity, but to give at least an equivalent for their money. In addition to the qualities already mentioned, they are highly recommended as Antibilious and Purgative Pills.

"FEVER & AGUE," and ROWAND'S IMPROVED TONIC MIXTURE,"  
"THE BANE and the ANTIDOTE."

"I hereby certify, that several persons under Medical Treatment for INTERMITTENT FEVER, (or FEVER & AGUE) within my observation and direction have been cured by the use of "ROWAND'S IMPROVED Tonic Mixture, after every preparation of Peruvian Bark, (Quinine) &c. &c. had been tried in vain."  
E. DANIEL T. CAUSIN, M. D.  
Washington City, District Columbia.

THOUSANDS of like certificates have from time to time been published.

1,500,000 cases of Fever & Ague have been cured by ROWAND'S IMPROVED TONIC MIXTURE!  
WITHIN FIFTEEN YEARS!!!

However startling this statement may at first appear yet the fact may be demonstrated by the single rule of three, for we estimate by reference to the "Manufactory Book" that FIVE HUNDRED THOUSAND BOTTLES have been made and distributed over the country during that period!!!

Well, it is well known to the Agents, especially in the Western States; that whole families of 5 or 6 persons have been cured by one single bottle! In a vast majority of instances one bottle has cured 1, 2, 3 and 4 persons! The average here would give THREE cases to every bottle amounting to the astounding number of 1,500,000 cases of this "hated complaint" cured by this inestimable remedy!!!!

Now, "common sense" dictates the propriety of resorting at once to this old favorite well tried and sterling remedy, and of avoiding all vulgar and insignificant tonic mixtures, which are mere counterfeit imitations of this original medicine.

The Agents are fully authorised to return the money paid whenever it chances to fail.

General loss of appetite; sickness of the stomach; pains in the head, shoulders, back and sides; sense of weariness, with sleep less nights; costiveness of bowels, followed in some cases by looseness; slight dry cough; low spirits, with disinclination to every duty are prominent symptoms of a diseased state of the liver. If the symptoms are present, and the pills used according to the directions without producing benefit, the money will be returned.

The Vermifuge which the subscriber now offers to the public, is prepared of the best materials that can be procured; and it is gaining for itself a reputation which entitles it to a large share of public patronage.
