I hereby certify, that several persons under Medical Treatment for **INTERMITTENT FEVER**, (or **FEVER & AGUE**) within my observation and direction have been cured by the use of **"ROWAND'S IMPROVED TONIC MIXTURE,"** after every preparation of **Peruvian Bark**, (Quinine, &c. & had been tried in vain!!

E. J. DANIEL P. CAUSIN, M. D.,
Washington City, District Columbia.

THOUSANDS of the certificates have from time to time been published. **1,500,000 cases of Fever & Ague have been cured by ROWAND'S IMPROVED TONIC MIXTURE!!** WITHIN FIFTEEN YEARS!!!

However starting this statement may at first appear yet the fact may be demonstrated by the single rule of three, for we estimate by reference to the "Manufacture Book" that Five Hundred THOUSAND BOTTLES have been made and distributed over the country during that period!!

Well, it is well known to the Agents, especially in the Western States; that whole families of 5 or 6 persons have been cured by one single bottle. In a vast majority of instances one bottle has cured 1, 2, 3 and 4 agents.

The average here would give cases cured to every bottle amounting to the astounding number of **1,500,000 cases of this "Bleeding Complaint"** cured by this New and Wonderful Remedy!!!

Now, "Common Sense" dictates the propriety of resorting at once to this old and well tried and long tried remedy, and avoiding all sugar and "counterfeit" mixtures, which are mere counterfeits of this original medicine.

The Agents are fully authorized to return the money paid whenever it changes hands!!

SELLERS' LIVER PILLS.

LATE SHINN & SELLERS'
For the cure of Liver Complaints and other diseases arising from a deranged Liver.

SYMPTOMS OF A DISEASED LIVER.—General loss of appetite; sickness of the stomach; pains in the head, shoulders, back and sides; sense of weakness, with sleep less night; constiveness; of bowels, followed in some cases by looseness; slight dry cough; low spirits; with disinclination to exert duty are prominent symptoms of a diseased state of the liver. The liver is, however, often much deranged when the most formidable symptoms are absent, and becomes sadly out of order before it is known.

If the symptoms are present, and the pills used according to the directions without producing benefit, the money will be returned.

SELLERS' IMPERIAL COUGH SYRUP.

WISTAR'S BALSAM OF WILD CHERRY GREAT REMEDY FOR CONSUMPTION.

The best medicine known to man for incipient Consumption, Asthma of every stage, Liver Complaints, side, oritis, Influenza, Coughs, Colds, Bleeding at the Spoutness of Brea h, pain and weakness in the chest, &c. and all other diseases of the **PULMONARY ORGANS.**

A very important disease over which this "Balsam" exerts a very powerful influence, is that of a **"DISEASED LIVER."** In this complaint it has undoubtedly proved more efficacious than any remedy hitherto employed, and in numerous instances when patients had endured long severe suffering from the disease, without receiving the least benefit from various remedies, and even when **MERCURY** has been resorted to in vain, the use of this BALSAM has restored the LIVER to a healthy action, and in many instances effected permanent cures after every known remedy had failed to produce this desired effect.

Besides its astonishing efficacy in the diseases above mentioned we also find it a very effectual remedy in **ASTHMA**, a complaint in which it has been extensively used with decided success even in cases of years standing.

NATURE'S OWN PRESCRIPTION

A compound Balsamic preparation of the Prunus Virginia, or "Wild Cherry Bark," combined with the Extract of Taro, prepared by a new chemical process, approved and recommended by the most distinguished physicians, and universally acknowledged the most valuable medicine ever discovered.

The universal celebrity which this medicine is rapidly gaining in every section of the country, and the many astonishing cures it has effected, have now established its efficacy beyond all doubt, but it should be remembered, that in diseases of the **LUNGS or LIVER**, as in all other chronic affections, a little time is always necessary to effect a cure. Although in most cases the Balsam will afford a most immediate relief and often effect great changes in a few days, it cannot reasonably be expected to produce the same salutary effect in every case in so short a time; yet, from the high celebrity it has acquired, we find many persons are apt to expect too much at the commencement, while others expect a Single Bottle to afford them greater relief than all the medicine they had taken for months previous.

We will not assert that this BALSAM will cure consumption in its worst form but it has cured many after all other means of relief had been tried in vain. And why not? It seems that the **WILD CHERRY** was destined by Nature to be our PANACEA for the ravaging diseases of this latitude. Let not the despairing invalid waste his money and lose time, to him so all important, in experimenting with the trashy nostrums of the day, but use at once a medicine that will cure, if a cure be possible—a medicine that serene ab proves, and many years of experience have demonstrated that it always relieves. "There is no such thing as fail" in the history of this wonderful Balsam. Evidence the most convincing—evidence that no one can doubt, fully establishes this fact.

Representing this highly useful and valuable medicine to public notice as a remedy for Consumption and Pulmonary diseases in general, the proprietor has been actuated solely by the great success attending its use in his practice and a desire to benefit the afflicted, and would therefore wish particularly to impress upon the public mind that it is entirely different from the nostrums daily ushered into notice by boasting quacks, as it not only emanates from a regular Physician but has also been well tested in all the complaints for which it is recommended. It is not my intention, therefore, either to cloak it in mystery or in any way deceive the public by overrating its virtues; on the contrary, I shall simply endeavor to give a brief statement of its usefulness, and flatter myself that its surprising efficacy will enable me to furnish such proofs of its virtues as will satisfy the most incredulous that **CONSUMPTION** may be **"CAN BE CURED,"** if this medicine be resorted to in time.

WARRANTY NO DECEPTION.

All published statements of cures performed by this medicine, are, in every respect TRUE.

Beware of Counterfeiters and Imitations.—The unparalleled and astonishing efficacy of Dr. Wistar's Balsam of Wild Cherry in all the diseases for which it is recommended—curing many cases after the skill of the best physicians was unavailing—has effected a large and increasing demand for it. This fact has caused several unprincipled counterfeiters and imitators to palm off spurious mixtures, of similar name and appearance, for the genuine Balsam.

Be careful and get the genuine **DR. WISTAR'S BALSAM OF WILD CHERRY.** None genuine unless signed by **I. BUTTS.** Address all orders to **SETH W. FOWLE,** Boston, Mass.

THE GREAT DIGESTOR AND WIND DESTROYER.

The most anti-fluent Medicine ever known in the world, which cures and prevents the formation of Dyspepsia, Constipation, Digestion of the Heart, Rheumatic pains, Costiveness, Liver Complaint, Pains in the Side or in the Small of the Back, Pleuritis of the Heart, Headache, Sore Throat, Shortness of Breath, gout, cholic, and is a specific emmenagogue. This Medicine has been invented more than a score of years ago by the French Doctor of the name of **DR. MEDICAL HOUSE, 16 South Frederick street, Baltimore.** when he was living in Paris as a practicing physician and lecturer. He then made a chemical extraction of the juice of blossom of certain flowers, which acts wonderfully on the nervous system and re-establishes its own circulation.

The Dr. has used it ever since in the above named Diseases, with great success. Many persons think that the French Doctor confines his practice solely to Secret Diseases, but such is not the case; any disease whatever will be treated and cured on a written guaranty and forfeiture, if dissatisfied with strict honesty—even those given up by Regular Doctors. Persons at a distance may consult the French Doctor by letter, and have the medicine sent to them. Advice gratis.

"CONFESSION."

The subscriber publicly confesses that I have been afflicted with a Secret disease ever since 1823. I had thirteen eminent physicians whose names are recorded at the French Medical House; some of them abated the disease; but it all returned worse than before, until I carried away by the loss of several bones of my nose and was almost blind in my eyes, and my face was covered with an immense quantity of scabs, between which the skin was as red as scarlet, and I was in a most deplorable condition, so much so that the learned professor S. pronounced me incurable. It was obvious to me then that a common doctor could not extricate me from the jaws of death—for they all follow the same old route by ignorance and continued by cupidity, and do no good to any but the ignorant vendors. Several persons recommended the French Doctor of the name of **DR. MEDICAL HOUSE, 16 South Frederick St.** as a scientific man, and a genuine genius in his profession. I went to him and he pledged himself to cure me, his promise was as generally done, with strangers, at no expense of patients, who are living evidences of the many wonderful cures he has performed of almost every kind of disease, in his office. If this meets the eye of some of the praiseworthy in the grasp of death, as I was, let him try this medicine in his office. It is the only medicine I have known in my life, which has cured me of my disease, and I believe from my very soul (not forgetting that I am an old man) that his exquisite medicine, as new diseases may be found.

NO MERCURY OR COPAIVA

There are two ways to treat a Secret Disease; the first is to use mercury, or copaiva, or some other violent medicine, and requires two or three weeks, but it is very injurious to the system, and the second way is to eradicate it out of the system, slowly, safely, and surely, without Mercury or Copaiva.

Sound in a day or two.
This is the grand secret to be true.

Thirty odd years of experience in the scientific practice of curing Secret Diseases in Paris and America, have enabled the French Doctor of the French Medical House, 16 South Frederick street, near Second st. to eradicate the most virulent disease, no matter from what cause it may have originated, in a very short but reasonable time, with out Mercury or Copaiva. Victim of an improper treatment, and wearied with disappoinment was consoling apply. Persons who have injured their Health by a certain practice called solitary vice, which brings impotency, will be restored to prime vigor. This is the only place in **BALTIMORE** where a sure cure can be had on written guaranty and forfeiture, with strict honesty and terms moderate. The most respectable city reference will be given.
