And in pursuance of authority vested in the undersigned by the last will and testament of said deceased duly executed and enrolled in the Register of Wills Office of said county, I will expose at public sale at the front door of the Court House in the town of Cambridge on

Monday the 7th of December

(if fair, not the next fair day) commencing at 12 o'clock A. M., all that valuable and desirable Real Estate of which the deceased died, seized and possessed, consisting of two fine FARMS beautifully located on the Great Choptank River, within three miles of the Metropolis of the county, on the mail-route between said Metropolis and the Eastern Shore of Va., and of Delaware. The home Farm is bounded by the Choptank and a fine Creek issuing out of same, which abounds with excellent fish, oysters, terrapins and wild fowl in their season, with an excellent spring of mineral water on the land. This farm contains

**280 1-2 Acres of Land,**

a fair proportion of which is in **TIMBER**, and has an excellent two story brick DWELLING thereon, with the necessary out-houses attached and beautifully located on said Creek opposite the residence of the Hon. Francis P. Phelps. The other farm contains

**266 3-4 acres of Land,**

a fair proportion of which is in **TIMBER**, and adjoins the Home Farm and the Choptank and has a frame DWELLING thereon with the necessary out houses attached and located near the Choptank. This farm abounds with good springs of water. It is presumed that all persons desirous of purchasing will view for themselves these lands as they will have a fair opportunity of doing so on the 11th of November on the day of the sale of the persona effects or at any other time; Mr. William Billops, who resides on one of the farms or Elijah Hurst Esq., the dec'd's. brother who adjoins the land will show the same or answer any inquiries touching the same.

These lands are sold for distribution between the deceased several children, all of which are minors, therefore a long credit will be given if desired, provided the purchase money is made entirely secure to the entire satisfaction of the Trustee and the Orphan's Court and the interest paid annually and punctually—these are requisites that will be tenaciously adhered to,

WILL be paid for the apprehension of negroes WILLIAM and MARIA, who absconded on Saturday night last; if they are secured in Baltimore City Jail, or in the jail of this County, William belongs to the estate of the late Mrs. Sophia Murray—is of a bright copper colour, good looking, about five feet eight inches high and about twenty six years of age. He took with him a variety of clothing. I do not recollect any peculiarity of person—he is said to have a swaggering walk. His wife Maria, who is the property of Mr. Sam'l Patterson (by whom I am authorized to offer a reward) is about thirty five years old, of copper colour, black, and rather above the usual stature, erect in person and of good appearance—her clothing various. The reward of \$100 will be paid for William and \$75 for Maria, if taken out of the county; and \$50 for either or it taken in the county and secured as above.

We take this method to inform our friends and the public generally that we have taken the storehouse formerly occupied by our father HENRY BURN, for the purpose of continuing the Mercantile business. We have just returned from the City of Baltimore, with a good assortment of DRY GOODS, GROCERIES & CONFECTIONARIES, which we offer for sale on as moderate terms as they can be purchased in the place. We particularly invite all that need such articles to give us a call before purchasing elsewhere, as we feel assured that it will be to their advantage so to do. At the end of this present year we purpose moving our store, to the house now in the occupancy of Mr. William Luttmann, as a shoe and boot store.

### Notice.

THE public are notified that the undersigned hath presented to the Board of Commissioners for Dorchester County a list of lands, whereon no personal property can be found liable for the payment of the County charges due me thereon, and whereas by an Act of the last Legislature of Maryland Chapter 133, the laws in regard to the sales of such lands by Collectors have been materially altered & amended and whereas many of those lands have changed owners since those charges have become due. In consequence of which it is desirable that land holders generally would examine carefully the advertisement; as some of their lands may be exposed to sale for charges due under former owners; and tax payers generally are interested in making the lands sell, as all deficiencies will have to come against the County as insolvent and will if large swell the county levy beyond the usual amount, The public's obt, servt
