LAWS OF MARYLAND.
NO. 357.

AN Act relating to foreign corporations and their agencies in this State.

Section 1. Be it enacted by the General Assembly of Maryland, That from and after the first day of May next, it shall not be lawful for any person or persons to act as the agent or agents within this State, for any individual or association of individuals or corporations not incorporated and authorized by the laws of this State, to make insurances on marine or fire risks, or insurances on lives or other insurances, or to receive or transmit offers for insurance to their principals, or receive or deliver policies of insurance, although such individual or association of individuals may be incorporated for these purposes by the laws of any other State, District or Territory of the United States, or by the laws of any Foreign Kingdom, State or Nation, to effect insurance, without first obtaining a license therefor, in the manner hereinafter required.

Section 2. And be it enacted, That a license for the purpose of effecting insurances, or receiving or transmitting offers for insurance, or receiving or delivering policies of insurance, as expressed in the preceding section, shall be granted by the Treasurer of the State to any person or persons, body or bodies corporate or politic, who shall apply therefor and pay to the said Treasurer the sum of one hundred dollars for the use of this State, which license shall authorize the person or persons, body or bodies corporate or politic, to whom the same shall be granted, to effect insurances or to receive and deliver policies of insurance as aforesaid, from the day of its date, for the period of twelve months thereafter and no longer.

Section 3. And be it enacted, That any person or persons, body or bodies corporate or politic, acting as Agent or Agents as aforesaid, shall pay to the Treasurer, half-yearly, the sum of three dollars per centum, upon the amount of all premiums received by such Agent or Agents, or any other person or persons, for him or them, or which shall have been agreed to be paid for any insurance effected or agreed to be effected, or procured by him or them, as Agent or Agents as aforesaid, and such Agent or Agents shall, half-yearly on the first Monday in January and the first Monday of July, furnish on his or their affidavit or affirmation, a true list and account of all such premiums to the said Treasurer, and shall at the same time pay over to the said Treasurer, the said sum of three dollars in every hundred dollars of such premium, and in all cases where the said Agent shall be a body corporate or politic, the said oath or affirmation shall be made by the President of said body corporate or politic.

Section 4. And be it enacted, That before any Agent or Agents as aforesaid, shall act as such in this State, he or they shall give bond with sureties, to be approved by the Attorney General or his Deputy, for the county or district in which said Agent or Agents may reside, in the penalty of five thousand dollars, to render a true list of such premiums to the said Treasurer, and to pay him the said sum of three dollars on every hundred dollars of said premiums on the days above mentioned, which said bond it shall be the duty of the said Agent or Agents to transmit to the said Treasurer, to be filed in the Treasury Office, and any Agent or Agents offending against the provisions of this section, shall forfeit the sum of five hundred dollars for every such offence, recoverable as other fines and forfeitures:—Provided, that notwithstanding such forfeiture and payment thereof, the said Agent or Agents shall be personally liable for the payment of the said sum of three dollars, on every hundred dollars of such premiums to the Treasurer aforesaid:—And, provided further, that the principals of such agent or agents and their property shall be also responsible for payment of said tax, and shall and may be proceeded against by suit, attachment or otherwise as the case may require.

Section 5. And be it enacted, That in case any Agent or Agents as aforesaid shall fail to give bond as required by the fourth section of this act, or shall after giving bond, fail to return to the Treasurer the list of premiums, or to pay over the per centage on said premiums as required by the third section of this act, then the Treasurer is hereby directed, within thirty days after the said licence is granted, in case of a failure to give bond, and within thirty days after said failure to make return or to pay over said premiums at the times limited, to publish the name or names of said agent or agents, so failing, as aforesaid, in two newspapers of the City of Baltimore, which publication shall declare the license of said Agent or Agents to be forfeited, and that all policies thereafter made by said Agent or Agents shall be null and void, and the said publication is hereby declared to work a forfeiture of said license, and all policies thereafter made by such Agent or Agents are hereby declared null and void; and it is hereby expressly declared to be the intent and meaning of this act that a new Bond shall be given in each and every year in case the same agent or agents shall take out a license under this act for more than a single year.

acting as agent or agents as aforesaid, shall effect insurances, or receive and transmit offers for insurance, or receive or deliver policies of insurance as aforesaid, without a license first had and obtained as herein before provided, he, she or they shall forfeit and pay, for each offence, the sum of three hundred dollars, one half to the use of the informer, who shall be a competent witness, the other half to be paid to the Clerk of the County Court, or of Howard District Court or of the City Court of Baltimore, as the case may be, for the use of this State, to be recovered in the name of the State of Maryland by action of debt or indictment in the County Court or Howard District Court or the City Court of Baltimore, where such offence shall have been committed, and to be accounted for and paid into the Treasury by the Clerk receiving the same at the period limited for, accounting for and paying monies received for licenses as aforesaid.

Section 7. And be it enacted, That the Treasurer shall annually publish in at least two newspapers, one of which shall be in the City of Baltimore, the names of such agent or agents so taking out licenses under this act, with the names of the companies they represent.

Section 8. And be it enacted, That nothing in this act contained shall authorize any agent or agents to act as such for more than one foreign corporation, individual or association of individuals, by virtue of one license.

Section 9. And be it enacted, That the act of December session 1839, chapter twenty four, and of December session eighteen hundred and forty-five chapter one hundred and sixty-seven, be and the same are hereby repealed, but all rights required by the State under said acts are hereby expressly reserved.

LAW NO. 153.

A Further Supplement to the Act passed at December session, eighteen hundred and forty-four, chapter one hundred and eighty-seven, imposing a tax on Commissions allowed to Trustees and Receivers.

Whereas, doubts are entertained of the true construction of the Supplement to the said original act passed at December session, eighteen hundred and forty-five, chapter one hundred and sixty-six, for remedy whereof and to remove such doubts,

Section 1. And be it enacted by the General Assembly of Maryland, That the said supplement passed at December session, eighteen hundred and forty-five, chapter one hundred and sixty-six, shall not be construed to extend to Trustees appointed or named to preserve contingent remedies, or to any other case when a Trustee is interposed merely to preserve or maintain the title; and in cases when the trust is to be placed in the hands, or made subject to the disposition of the Trustee only upon the happening of a contingency, no bond shall be required until such contingency shall occur.

Section 2. And be it enacted, That in any case where application for the purpose is made to the Chancellor of Maryland, or the Judges of the County Court in any county or in Howard District, the said Chancellor or Judges may in his or their discretion, prescribe the amount of the bond of any Trustee included in the terms of the said supplementary act, if the said Chancellor or Judges should believe from an investigation of the circumstances of the case that it would be improper to require a bond to be given for double the amount of the property placed in the hands or made subject to the disposition of the said Trustee.

STANTON'S EXTERNAL REMEDY,
CALLED HUNT'S LINIMENT,

Is universally acknowledged to be the infallible Remedy for Rheumatism, Spinal Affections, Contractions of the Muscles, Sore Throat and Quinsy, Issues, Old Ulcers, Pains in the Back and Chest, Ague in the breast and Face, Toothache, Sprains, Bruises, Salt Rheum, Burns, Croup, Frosted Feet, and all Nervous Diseases.

The triumphant success which has attended the application of this most wonderful Medicine in curing the most severe cases of the different diseases above named,—and the high encomiums that have been bestowed upon it, wherever it has been introduced, gives me the right to call on the afflicted to resort at once

The faculty unite in recommending the celebrated External Remedy, Hunt's Liniment: The following letter from the highly eminent Physicians who have been attached to the Mount Pleasant State Prison for many years, is the best evidence of the value of this celebrated Liniment.

Sing Sing, December 25, 1845.
My Dear Sir:—I received your note of yesterday, asking my opinion in relation to Hunts Liniment, as prepared by Mr. George E. Stanton. Knowing its composition, and having frequently used it, I can recommend it to you as a safe External Remedy, and in my opinion the best Liniment now in use.
Very truly and respectfully yours,
A. H. HOFFMAN,
Col. Pierre Van Cortlandt, Croton Manor.

I fully concur in the above opinion.
W. N. BELCHER.
Yorktown, January 14, 1846.

Sir:—In reply to your letter, I would say that I have used your External Remedy, called Hunt's Liniment, in my practice since you made me acquainted with its composition, and unhesitatingly say that I believe it to be the best External Remedy now in use for the complaints for which you recommend it.
Yours respectfully,
BENJ. D. MILLER, M. D.

Geo. E. STANTON, Esq.
From the N. Y. Sun.

Among the mass of worthless articles and humbugs that are poured forth at the present day upon the country, it is really refreshing to find something of real practical utility, something simple, speedy, and effectual in its operation, and at the same time free from those injurious effects which generally attend powerful remedies. Hunt's Liniment, prepared by Geo. E. Stanton, of Sing Sing, though it has been but a short time before the public, has already obtained the confidence, not only of our most wealthy and influential citizens, but our most eminent physicians. All acknowledge it to be sovereign balm for many of the ills that flesh is heir to, soothing the aching limb, and by its genuine stimulating influence, banishing disease from the system.

Mr. Stanton—Sir, Seeing your advertisement of Hunt's Liniment, I was induced to try its effects on my son, who had been crippled with a lame back from an infant; and it is with gratitude I bear testimony to its wonderful healing properties. My child who is now five years of age, is now in a fair way of recovery.
Yours, &c.
DEMON C. NICKERSON.

I certify that I am personally acquainted with the above named child, and think the father would be safe in saying that his son is almost well.
J. W. DYKMAN,
Nov. 5, 1845. Deputy Post Master.

P. S. I would also state that I have been for a number of years subject to frequent attacks of the Rheumatism, which in many instances prevented my attending to my business. Two or three applications of the Liniment invariably remove all affections of the kind. In cases of bruises, sprains, and sores too numerous to mention, it has in this vicinity proved a certain remedy. Its value can only be estimated by those who have given it a fair trial.

This Liniment is sold at 25 and 50 cents per bottle, by all the principal Druggists and Merchants throughout the country.

"SUGAR COATED" PILLS.
BEWARE! CAUTION!

The increasing popularity of Dr. G. Benj. Smith's improved Indian Vegetable Sugar Coated Pills, has induced a number of persons to make something they call pills, and coat them with sugar, in order to sell them for the genuine, while they do not possess a particle of the goodness, nor even assimilate in appearance the original Dr. Smith's Pills. In short, they are an intended fraud upon the community. A minister who at first had an interest in an imitation Sugar Coated Pill, manufactured at Albany, N. Y. has given them up, as he says, on account of the miserable dishonest parties concerned in manufacturing them.—The same party are now industriously circulating reports calculated to injure Dr. Smith and to affect the reputation of his valuable pills; but rather than notice them in public, Dr. Smith is about to institute legal proceedings against them for their slanders, as he has in another case against a similar party, in which he recovered a large amount of damages. These miserable imitators have to resort to the most abominable means to palm off their counterfeit pills as the public know Dr. Smith's are the original and genuine. Several instances have come to public notice in which life has been endangered by the unfortunate use of the counterfeits.

REMARKABLE CURE OF COLD,
NEW YORK, MARCH 2, 1846.

I very imprudently went out last week with a pair of shoes on, having sent my boots to the boot maker for repair, and I took a very severe cold, which settled in my limbs, stiffened my neck, and rendered me wholly incapable of attending to business. On the following night
