

STANTON'S EXTERNAL REMEDY, CALLED HUNT'S LINIMENT.
Is universally acknowledged to be the infallible Remedy for Rheumatism, Spinal Affections, Contractions of the Muscles, Sore Throat and Quinsy, Issues, Old Ulcers, Pains in the Back and Chest, Ague in the breast and Face, Toothache, Sprains, Bruises, Salt Rheum, Burns, Croup, Frosted Feet, and all Nervous Diseases.

The triumphant success which has attended the application of this most wonderful Medicine in curing the most severe cases of the different diseases above named,—and the high encomiums that have been bestowed upon it, whenever it has been introduced, gives me the right to call on the afflicted to resort at once to the only remedy that can be relied on.

The faculty unite in recommending the celebrated External Remedy, Hunt's Liniment: The following letter from the highly eminent Physicians who have been attached to the Mount Pleasant State Prison for many years, is the best evidence of the value of this celebrated Liniment.

Sing Sing, December 25, 1845.
My Dear Sir:—I received your note of yesterday, asking my opinion in relation to Hunt's Liniment, as prepared by Mr. George E. Stanton. Knowing its composition, and having frequently used it, I can recommend it to you as a safe External Remedy, and in my opinion the best Liniment now in use.

Very truly and respectfully yours,
A. H. HOFFMAN.
Col. Pierre Van Cortlandt, Croton Manor.
I fully concur in the above opinion.
W. N. BELCHER.
Yorktown, January 14, 1846.

Sir:—In reply to your letter, I would say that I have used your External Remedy, called Hunt's Liniment, in my practice since you made me acquainted with its composition, and unhesitatingly say that I believe it to be the best External Remedy now in use for the complaints for which you recommend it.

Yours respectfully,
BENJ. D. MILLER, M. D.
Geo. E. Stanton, Esq.
From the N. Y. Sun.

Among the mass of worthless articles and humbugs that are poured forth at the present day upon the country, it is really refreshing to find something of real practical utility, something simple, speedy, and effectual in its operation, and at the same time free from those injurious effects which generally attend powerful remedies. Hunt's Liniment, prepared by Geo. E. Stanton, of Sing Sing, though it has been but a short time before the public, has already obtained the confidence, not only of our most wealthy and influential citizens, but of our most eminent physicians. All acknowledge it to be sovereign balm for many of the ills that flesh is heir to, soothing the aching limb, and by its genuine stimulating influence, banishing disease from the system.

Mr. Stanton—Sir, seeing your advertisement of Hunt's Liniment, I was induced to try its effects on my son, who had been crippled with a lame back from an infant; and it is with gratitude I bear testimony to its wonderful healing properties. My child who is now five years of age, is now in a fair way of recovery.

Yours, &c.
DEMON C. NICKERSON.
Post Office, Towners, Putnam co.
I certify that I am personally acquainted with the above named child, and think the father would be safe in saying that his son is almost well.
J. W. DYKMAN,
Nov. 5, 1845. Deputy Post Master.

P. S. I would also state that I have been for a number of years subject to frequent attacks of the Rheumatism, which in many instances prevented my attending to my business. Two or three applications of the Liniment invariably remove all affections of the kind. In cases of bruises, sprains, and sores too numerous to mention, it has in this vicinity proved a certain remedy. Its value can only be estimated by those who have given it a fair trial.

This Liniment is sold at 25 and 50 cents per bottle, by all the principal Druggists and Merchants throughout the country.

"SUGAR COATED" PILLS.
BEWARE! CAUTION!!
The increasing popularity of Dr. G. Benj. Smith's improved Indian Vegetable Sugar Coated Pills, has induced a number of persons to make something they call pills, and coat them with sugar, in order to sell them for the genuine, while they do not possess a particle of the goodness, nor even assimilate in appearance the original Dr. Smith's Pills. In short, they are an intended fraud upon the community. A minister who at first had an interest in an imitation Sugar Coated Pill, manufactured at Albany, N. Y. has given them up, as he says, on account of the miserable dishonest parties concerned in manufacturing them.

The same party are now industriously circulating reports calculated to injure Dr. Smith and to affect the reputation of his valuable pills; but rather than notice them in public, Dr. Smith is about to institute legal proceedings against them for their slanders, as he has in another

cause against a similar party, in which he recovered a large amount of damages. These miserable imitators have to resort to the most abominable means to palm off their counterfeit pills as the public know Dr. Smith's are the original and genuine. Several instances have come to public notice in which life has been endangered by the unfortunate use of the counterfeits.

REMARKABLE CURE OF COLD.
NEW YORK, MARCH 2, 1846.
I very imprudently went out last week with a pair of shoes on, having sent my boots to the boot maker for repair, and I took a very severe cold, which settled in my limbs, stiffened my neck, and rendered me wholly incapable of attending to business. On the following night I took six of Dr. Smith's Indian Vegetable Sugar Coated Pills, which entirely relieved me, and the next day I felt as well as usual. — I know they are the best medicine that can be used for colds.

COMPLICATED DISEASE CURED.
[From the Rev. John Kellett.]
Brooklyn, 127 Myrtle st. Oct. 1, 1846.

Dr. Smith—Sir, It is with great satisfaction I acknowledge the benefit my wife has received from the use of a few boxes of your pills which she used at the recommendation of a friend. Having fallen into bad health early in winter, she used them with perfect safety even in that cold season. She has at times, used Morrison's Moffat's and others, and she states she has received more benefit from them than all the others. She believes they may be used with perfect safety by females, without changing either their employment or diet, and that at any season of the year.

Yours respectfully,
JOHN KELLETT,
Wesleyan Methodist Minister
To Dr. Smith, 179 Greenwick street; N. Y.
AGUE & FEVER CURED.
Mr G B Remson, (Grocer, Middle Village, I. I.) says he sold Dr. Smith's Indian Vegetable Sugar Coated Pills to two persons there for the fever and ague, and a permanent cure was, in both cases, speedily effected. For headache, colds, fevers, dyspepsia, low spirits, &c, there is not their equal to be found in the whole range of pharmacy. Be careful of imitations, base counterfeits, and mind that the written signature of G Benj Smith is on the bottom of each box otherwise spurious pills will be palmed on you.

BAD COUGH CURED.
New York May 25, 1846
I have been afflicted with a bad cough, so that I raised blood, and at times was under the necessity of neglecting my business. Last fall I commenced using Dr. Smith's Pills, and now used three boxes, which have entirely cured my cough I have taken no other medicine.

HUNT'S LINIMENT.—This invaluable Remedy of the many "ills that flesh is heir to" continues to shed its untold benefits upon all classes of society.— We have seen a Certificate from some of the most respectable, intelligent, and influential citizens of Westchester, where the Proprietor resides, who are above all attempts to mislead the public in reference to any medicine, remedy, or preparation; and as this testimony is at once spontaneous and uniform in commending this truly excellent Medicine for Rheumatism, and various other diseases named in the advertisement, there can no longer be a reasonable doubt entertained of its extraordinary success and triumph over the maladies in question.

Sing Sing, May 3, 1845.
We, the undersigned, do hereby certify that we have used Mr. George E. Stanton's External Remedy, called HUNT'S LINIMENT, and have proved it to be fully equal to the character he gives it. Its healing properties are truly extraordinary, and we most confidently recommend it as one of the most certain remedies, which had rendered me almost helpless, and at the same time made me suffer great pain, I would offer my testimony in favor of the great properties which your External Remedy, Hunt's Liniment is possessed of. I only used one bottle, and with that I consider I have been saved from a protracted and severe illness. I am now attending to my business regularly, which is that of a Farmer.

SELLERS' LIVER PILLS.
LATE SHINN & SELLERS'.
For the cure of Liver Complaints and other diseases arising from a deranged Liver.
SYMPTOMS OF A DISEASED LIVER.—General loss of appetite; sickness of the stomach; pains in the head, shoulders, back and sides; sense of worminess, with sleep less nights; costiveness of bowels, followed in some cases by looseness; slight, dry cough; low spirits, with disinclination to every duty; are prominent symptoms of a diseased state of the liver. The liver is, however, often much deranged when the most formidable symptoms are absent, and becomes sadly out of order before it is known.

If the symptoms are present, and the pills use in accordance to the directions without producing benefit, the money will be returned.
SELLERS' IMPERIAL COUGH SYRUP
For the cure of Coughs, Colds, Hoarseness, Indurated Soreness of the Throat, Whooping Cough, &c. &c.
Pronounced to be the pleasantest and most efficacious remedy now in use.

Most of the mixtures sold for coughs are composed of spirituous and inflammatory articles, which, while they give a little relief really do harm. The Imperial Cough Syrup contains no spirituous ingredient whatever, and may be used in all cases not requiring any medical treatment. The Imperial Cough Syrup has been used for the last six years by the most respectable inhabitants of Pittsburgh and vicinity.

SELLERS' VERMIFUGE.
Warranted equal to any now before the public! No family ought or will be without it after a trial.
WORMS frequently infest children, aggravate other diseases, and are capable of producing great disturbances in the system, and consequently all individuals given to remove them should be prepared with great care and of the best materials; and it is to be feared that many of the worm medicines in use are really destitute of these qualities. The Vermifuge which the subscriber now offers to the public, is prepared of the best materials that can be procured; and it is gaining for itself a reputation which entitles it to a large share of public patronage. The efficacy of this preparation to relieve the rising generations from one of its greatest enemies is fully attested by the accompanying Certificates in another column.
