Chancery Sale.

BY virtue of a Decree of the High Court of
 Chancery, the subscriber will offer at public
 sale to the highest bidder, in the village of Federa-
 lsburg, on

SATURDAY, the 26th of FEBRUARY,
 between the hours of 9 & 2 o'clock, all that val-
 uable Real Estate, which formerly belonged to the
 late Mr. Eccleston Brown, consisting of the fol-
 lowing tracts or parcels of land, to wit:—One
 tract, comprising "Hackett's Ad. culture" and "Con-
 traction," containing 260 acres, more or less.—
 This land is all heavily timbered, (and chiefly of
 the best pine) except about 80 acres of tolerably
 well improved arable land, with a frame dwelling
 and out houses, and situated in the Fork District
 of Dorchester county, within two miles of navi-
 gable water and about the same distance from
 Cotcher's Ferry.

One tract, composed of the following parcels,
 to wit:—"Wisor" 350 acres—"Sandy Hill" 120
 acres—"Addition to Moore's Meadows" 21 acres
 —"Tanors Outlet" 135 1-2 acres—"Federalsburg"
 93-4 acres, in all 636 1-4 acres, of which there
 are about 300 acres of cleared land and the bal-
 ance in oak timber—a portion of this land is laid
 off in a Farm, with a new frame Dwelling thereon,
 and some out houses. The balance of the cleared
 land may be laid off in lots, from one acre and
 upwards to suit the views of purchasers. The ar-
 able land is naturally of good quality and capable
 of high improvement and well adapted to the
 growth of corn, wheat, rye, oats, grass, &c. The
 most distant portion of the timbered land is not
 more than one mile from navigable water and
 immediately adjoining Federalsburg.

One tract, called "Brown's Landing," contain-
 ing 53-4 acres and 22 perches of cleared land,
 with a frame Dwelling thereon, situated on the
 East side of the Northwest prong of the Nanticoke
 river, and within 1 1-4 miles of Federalsburg.

One tract, called "Addition to Rawley," con-
 taining 50 acres. This tract has erected thereon
 a good Saw Mill, with an excellent supply of wa-
 ter, and located very conveniently for obtaining
 rail timber, being within one hundred yards of
 the Northwest prong of the Nanticoke river, and
 so situated that timber may be floated up to the
 Mill by tide water and within 1 1-4 miles of
 Federalsburg.

One tract, comprised of two tracts, called
 "Small Profit," 47 1-2 acres, and "Poik's Adven-
 ture," precise amount of acres not now known.
 This tract is also a Mill seat, with a tolerably good
 dam, but no mill. The stream and location would
 do very well for either a Grist or Saw Mill, being
 within one mile of Federalsburg, in the county of
 Caroline.

There is also a small ground rent of six dollars
 per annum, for ninety-nine years and renewable
 forever, to Mrs. Neal. All of the above lands are
 located in Dorchester County, except the fifth a-
 bove described parcel. The foregoing mentioned
 lands, and particularly those about the town of
 Federalsburg, will be sold in small lots if desired,
 to suit purchasers, for building or other purposes.
 A further description of the property is unneces-
 sary.

Persons desirous of making examination of the
 property, or wishing lots to be particularly laid off,
 will call on Mr. Sylvester H. Smith, or the Mess-
 rs. Browns, who will render every facility for
 their inspection. They are all sold for the pur-
 pose of fair and equitable division amongst the
 parties entitled thereto, and subject to Mrs.
 Brown's, widow of the late Mr. Eccleston Brown,
 third part, during her life.

Such a body of the most profitable lands for
 speculators, has rarely been offered for sale in
 this County, and general attention is invited
 thereto.
 The Terms of sale are one fourth cash on the
 day of sale—the residue on a credit of 6, 12, 18
 and 24 months, with interest from the day of sale,
 to be secured by bond, with surties, to be ap-
 proved by the Trustee.

When the entire purchase money is paid, the
 Trustee will by a sufficient Deed, at the expense
 of the purchaser, convey the property sold, clear
 of all claims of the parties in the cause or any one

claiming by, from or under them.

CAMBRIDGE ACADEMY.
CAMBRIDGE, E. S. MARYLAND.

THE subscribers, a Committee appointed for
 that purpose, beg leave to inform the public
 that the Classical department of the Cambridge
 Academy will be opened on the 3rd day of Janu-
 ary next, under the direction of WILLIAM CAMP-
 BELL, Esq., a Graduate of *Dublin University*.—
 At the late Election of Mr. Campbell, the Trus-
 tees received such testimonials of his literary and
 classical attainments, that this committee do not
 hesitate to hold out to Parents and Guardians of
 young Gentlemen, the strongest assurance of a
 rapid advancement in Education; and that those
 who may have the benefit of such Instruction as
 can be afforded in the Cambridge Academy, will
 be qualified to enter the higher classes in the
 Colleges of the country or into professional and
 other pursuits. This committee appeal especial-
 ly to the Citizens of this county to sustain an In-
 stitution in their midst. It was the intention of
 the Legislature in appropriating funds for Schools
 and Academies in each county, that the benefit
 of a good Education might be brought within the
 reach of every citizen. The Academy is divided
 into two departments, the Classical and the Eng-
 lish. The English department is under the di-
 rection of GARDNER BAYLEY, Esq. It is neces-
 sary for this committee to speak in commendation
 of Mr. Bayley, he has been an Instructor of youth
 for many years in Cambridge and has few super-
 iors in moral and intellectual worth. His experi-
 ence in the art of Instruction is recognized in
 the fact that his school whether in connection
 with the Academy or otherwise has been at all
 times well sustained.

The locality of this Academy gives it strong
 claims upon the public. The acknowledged
 healthfulness of Cambridge, the facility of access,
 the refinement of the society and the cheapness
 of living, afford every inducement for Parents
 and Guardians to send their sons or wards to this
 Academy. At the next meeting of the board,
 some one or more of the Trustees will be ap-
 pointed as monthly or quarterly visitors, whose duty
 it will be to visit the Academy and report upon
 the advancement of the scholars.
 This committee are safe in saying that the

Board Tuition and incidental Expenses of a
 scholar will not exceed \$150 per annum, and
 there are three large private Boarding Houses in
 Cambridge.

DR. THOMPSON'S
MEDICATED SYRUP OF CASTOR OIL.

THE subscriber would most respectfully in-
 form the Citizens of Cambridge and the
 Public generally, that he has succeeded in mak-
 ing Castor Oil perfectly agreeable; and while it
 is rendered agreeable to the taste, the Cathartic
 properties are very little if any diminished; and
 by the medication all that acid quality of which
 oil is generally possessed, which rendered it in-
 admisable with some persons, especially with
 infants, is entirely destroyed.

It is well known that Castor Oil is almost an
 universal medicine—entering into the use of ev-
 ery family, and administered in the treatment of
 almost every disease—and would be much more
 frequently prescribed by physicians, was it not
 for the great aversion patients have to its use.—
 But in this preparation, the subscriber can assure
 physicians and patients, they will find it so per-
 fectly agreeable to the taste, that infants and la-
 dies of the most delicate stomachs can take it
 without the least inconvenience. Indeed it is
 so perfectly palatable that should it be found ne-
 cessary to take a little more in a dose it will
 not be found objectionable to the patient.

The Medicated Syrup of Castor Oil may be had
 at the subscribers Laboratory or of Mr. Solomon
 Rutter. Wholesale and Retail orders from a dis-
 tance promptly attended to.
