"Sir: I have great satisfaction in assuring you that myself and family have been very much benefited by your medicines. My wife was cured two years since, of ? severe and dangerous cough, by your CHERRY PECTORAL, and since then has enjoyed perfect health. My children have several times been cured from attacks of the Influenza and Croup by it. It is an invaluable remedy for these complaints. Your CATHARTIC PILLS have entirely cured me from a dyspepsia and costiveness, which has grown upon me for some years, - indeed this cure is much more important, from the fact that I had failed to get relief from the best Physicians which this section of the country affords, and from any of the numerous remedies I had taken.
