DEELATE by their powerful influence on the If internal viscera to parity the blood and stimulate it into healthy action. They remove the obstructions of the stomach, lowels, liver, and other organs of the body, and, by restoring their irregular action to health, correct, wherever they ex st, such derangements as are the first causes of disease. An extensive trial of their virtues, by Professors. Physicians, and Patients, has shown cures of dangerous diseases almost beyond belief, were they not substantiated by persons of such exalted position and character as to forbid the suspicion of untruth. Their certificates are published in my American Almanac, which the Agents below named are pleased to furnish free to all inquiring.

Annexed we give Directions for their use in the complaints which they have been found to cure. For Costiveness, -- Take one or two Pills, or such quantity as to gently more the luwels. Cor tiveness is frequently the aggravating cause of Pites, and the cute of one complaint is the care of both. No person can feel well while under a costive habit of body. Hence it should be, as it can be, promptly relieved.

For Dyspersia, which is sometimes the cause of Costireness, and always uncomfortable, take mild doses - from one to four - to stimulate the stomach and liver into healthy action. They will do it, and the heartburn, bodyburn, and southurn of despepait will rapidly disappear. When it has gone, don't forget what cured you.

For a FOUL STOMACH, or Murbid Inaction of the Bowels, which produces general depression of the spirits and bad health, take from four to eight Pills at first, and smaller doses afterwards, until activity and strength is restored to the system. FOR NERVOTSNESS, SICK HEADACHE, NAUSEA. Pain in the Stomach, Back, or Side, take from fon: to eight pills on going to bed. If ther do not oper-

ate sufficiently, take more the next day until they do. These complaints will be swept out from the system. Don't wear these and their kindred doorders because your stomach is foul. FOR SCHOFTLA, ERY-IPELAS, and all Diseases of the Skin, take the Pills freely and frequently, to keep the bowels open. The emptions will generally soon begin to diminish and disappear. Many dreadful pleers and sores have been healed up by the purging and parifying effect of these Pals, and some disgusting diseases which seemed to saturate the whole system have completely yielded to their influence, leaving the sufferer in perfect bealth. Patients! your duty to society forbids that you should parade yourself around the world covered with pimples, blotches, ulcers, sores, and all or any of the unclean diseases of the skin, because your system wants cleansing To PURIFY THE ELOOD, they are the best medicine ever discovered. They should be taken freely and frequently, and the imparities which sow it.

seeds of incurable diseases will be swept out of the

system like chaff before the wind. By this property

the remarkable cures which they are making ever LIVER COMPLAINT, JAUNDICE, and at it was Affections, arise from some derangement -- 1 ? torpidity, congestion, or obstructions of the Torpidity and congestion vitiate the bile at dechit unfit for digestion. This is disastrues to the health, and the constitution is frequently unevermined by no other cause. Indigestion is the strice tom. Obstruction of the duct which emptic DHILEMON FLOYD takes this method of bile into the stomach causes the bile to mer? into the blood. This produces Jacadie, with a long and dangerous train of cuils. Costingues, of .a diarriage, provide Feverish symptoms, anguer, low spirits, welliers or four I'llis taken at night, followed by two or three in the morning, and repeated a few days, will remove the cause of all these troubles. It is wicked to suffer such pains when you can cure them for 25 cents.

RHEUMATISM, GOUT, and all Inflammatory Ferers, are rapally cured by the purifying effects of these Pills upon the blood and the stimulus which they afford to the vital principal of Life. For these and all kindred complaints they should be taken in mild duses, to move the bowels gently, but freely. Ak a DINNER PILL, this is both agreeable and useful. No Pill can be made more pleasant to take. and certainly none has been made more effectual to. the purpose for which a dinner pill is employed.
