The Nation's Prayer, &c. The January No. ing, he advanced anew into the State, by a bet-&c., which will make a very great improvement is well worth perusing. It is full of matter both the North bank of the Cumberland river, naviga-Mr. Luke Farrell, whereattentions both medical quested to meet at the Town Hall, on Tuesday. Island, cutting off the communication between and religious were administered. During the the 4th inst., at 8 o'clock, P. M. atternoon be was conveyed to the Fair Grounds' feb 1-1t

Hospital, but it is thought that The wound will We also hear that several other soldiers were

[From the National Intelligencer.] The Port Royal Expedition.

We resterday received from Brigadier Gener subjoined card, in which, from considerations of duty to the public service, it will be seen he has felt called to take notice of a misrepresentation By the Norfolk boat of Monday, to Fortress that has been extensively disseminated by a pored from another source that there was no foundation whatever for the statement denied by Gen. Sherman, and therefore gave no currency to the "news" in our columns.

It is hardly necessary for us to say that so The Richmond Dispatch of Friday makes the long as the commanders of military and naval following announcement in regard to the defea expeditions tolerate the presence of the "idlers." who, in the guise of sepsation correspondents, "We regret to say that the report of a Federal "intest," to use General Sherman's language, victory in Kentucky, conveyed to us on Wed- the various commands despatched on active ser-

HEADQUARTERS EXPEDITIONARY CORPS. ? PORT ROYAL, S. C., Jan. 11, 1862.

Sirs-I have thus far retrained from noticing. in any manner, the criticisms and the attacks up-"At last accounts Gen. Crittenden was in full country, and shall continue to do so, as my time retreat on Knoxville, badly wounded. It is not a stoo important to be taken up in noticing silly

But it is due to the interests of the public service to publicly proclaim the utter talsity of the state-The following letter was picked up on the bat- ment made in several journals of the country, remisunderstanding between Commodore Dupont

and invself. * We are in Kentucky ten The cordial and hearty co-operation that has

an attack. If they do not attack us, we shall ad- | The commanders of the expedition do not invance upon them. We can whip 50,000. We tend to consult with any of the numerous idlers can whip four or five to one. A boat has run who unfortunately infest this command as to the the blockade from Nashville here. We will get propriety of their movements, or as to their reasupplies by the way of Nashville. We have sons for any change they may see fit to make in

turn to Choctaw once more. Oh! that I may produced nothing but the deepest indignation at Very respectfully, your obedient servant,

T. W. SHERMAN, Brig. Gen. Com'dg.

Lt. Porter is said to be lying seriously ill at the Washington nary-yard.
