to patronize him.

THE Schooner "ELIZABETH JANE" having been completely overhauled, and being in every respect reliable and seaworthy, has been placed as a regular packet between Philadelphia and Easton, and will sail as regularly as wind and tide will permit. Proposed sailing days from each port, alternate Thursdays. Farmers can now rely on regular communication with Philadelphia, and at the lowest freights that can possibly be afforded.

Freights of grain respectfully solicited, and, when desired, advances will be made on receipt of grain of two thirds the market quotations. All orders left at my store, or with the agents in Philadelphia, will receive prompt attention. Having a granary at the Point, shippers can

take their own time for hauling the grain down. Grain also taken on board at any place on the T. C. NICOLS, Jr., river. J. L. Bewly & Co., Agents, Easton, Md. 326 South Wharves, Philad.
