DR. HOOFLAND'S BALSAMIC CORDIAL, FOR THE SPEEDY CURE UF

Coughs, Colds, Influenza, Croup, Hoarseness, Bronchitis, Pneumonia, Disease of the Bowels, arising from Cold, Incipient Consumption, and for the relief and (if at all possible) cure of Patients in advanced stages of the latter

The Balsamic Cordial is entirely a Vegetable production, combining the healing properties of the Balsam, with the invigorating qualities of a Cordial, producing a combination so well adapted to the purposes intended, that there are but few cases of disease which will not, at an early period, succumb to its healing and life giving

For ages, has the treatment of pulmonary diseases occupied the greater portion of the attention of the scientific of the medical world, but none acquired more eminence in his treatment of these diseases, than the celebrated Prussian Dr. Hooffand, the originator of the Balsamic Cordial. His life was devoted to the production of remedies that would stand unrivalled. How well he has succeeded, the American people are able to judge; and we positively assert, that no Fine old Monon.
