UNION PILLS-AN INFALLIBLE REMEDY FOR SECESSION .- A little more than a year ago a strong and fearful epidemic broke out in South Carolina and spread with alarming rapidity into The political doctors, not knowing at first the nature of the disease or how to treat it in a scien. which is now working wonders, and has never Of failed to kill or cure at a single dose, when prothe so-called Confederate States. Others again upon the first symptoms of the disease, were removed to Fort Warren and other healthy localities at the North, where the disease has yielded to mild treatment.

These pills have had a beneficial effect, in the Cotton region. Six hundred thousand agents are now administering them and they are working cures daily and bourly in that region. Ther are a mineral, compounded of lead and iron, very hard to digest, it is true, yet none the less effective. They are put up in doses of from one
