ED. H. ANDERSON. Scrofula, or King's Evil, is a constitutional disease, a corruption of the blood, by which this fluid becomes vitiated, weak, and poor. Being in the circulation, it pervades the part of it. No organ is free from its attacks, nor Described and the scrofu-

lous taint is variously caused by mercurial disease, Candies & Nuts, low living, disordered or unhealthy food, impure and, above all, by the venercal infection. Whattion, descending "from parents to children unto the third and fourth generation;" indeed, it seems to be the rod of Him who says, "I will visit the iniquities of the fathers upon their children."

Its effects commence by deposition from the Philadelphia Liquors, blood of corrupt or ulecrous matter, which, in the lungs, liver, and internal organs, is termed tubercles; in the glands, swellings; and on the surface, cruptions or sores. This foul corruption, which to withstand the attacks of other diseases; consequently, vast numbers perish by disorders which, although not scrofulous in their nature, are still rendered fatal by this taint in the system. Most of the consumption which decimates the human family has its origin directly in this scrofulous contamination; and many destructive diseases of the liver, One quarter of all our people are scrofulous; their persons are invaded by this lurking infection.

and their health is undermined by it. To cleanse that he has just returned from the city with a it from the system we must renovate the blood full supply that as for cheapness and good qual- by an alterative medicine, and invigorate it by
