Encouraging Volunteering .- We see that Union, was affecting, and his appeal to Irishnot only the city of Balumore has offered liberal men to rush to arms to assist in their liberation, bounties to those who wish to volunteer, but a most forcible. number of the counties in the State have also put their shoulder to the wheel and donated large sums for the benefit of those who desire to volunteer in the cause of their country and to put to overthrow our government. In fact it a mystery to us that every county in the State has not come to the rescue of that government to which it has several times declared in unmistakable tones that it holds allegiance. Among the number that have held back we are sorry to be ,compelled to record the name of old Talbot .-According to her size she ranks among the first counties in the State in improvements in agriculture, in wealth, &c., but she has not as yet opened her treasury to expend the first cent to to sustain those who are sacrificing their lives for their country's sake nor as an inducement to others to take up arms for her desence. Is it because those in authority have not the love of their country sufficiently at heart? That we feel confident is not the case. Do our County Commissioners feel a timidity on account of the strength of the Secesh element in the county ?-This should not deter them for one moment, for ets and Daniel Boons. it is the duty of the loyal citizen to discharge his duty to his country in these times of peril, re- learn that similar proceedings are in vogue in would have been treason at the bar of con- to give you a detailed account of everything that Jackson is on the wrapper of each bottle. FARM FOR RENT. I.. C. COX. "Perry Hall"

Special Notice to all Whom it May Concern.

THE present condition of things in general and a few in paticular require me to say without equivocation, evasion or mental reservation, that, no orders will be put upon my Memorandom Book for articles of any kind to be purchased in Baltimore unless the Cash is paid down at the time of giving said order. I hope this will be sufficient to save my oven feelings and those of my friends. The public's ebedient
