OF SURGEON General Hammond appeals to the women and children of the country to furnish lint, the supply in the market being nearly exhausted. In no way can assistance be more usefully given than in furnishing this necessary means to dress the wounds of our brave soldiers. Contributions will be received by Surgeon C. C. Cox, at the general hospital, on Camden St., Balt.

Address Frank Leslie, New York.

05- It will be seen by advertisement in anoth-Michaels, has been authorized by Gov. Bradford to raise a volunteer company in this county. There has been a great desire for some time past that Captain Harrison should make an effort to form a company of volunteers in this county, and those desiring to be under the command of this estimable gentleman can now have the opportunity to do so. Capt. Harrison has had considerable experience in military matters and with a little practice in active service would no doubt make a very effective officer.

OUR County Commissioners failed to make an appropriation for volunteers last Tuesday, ing the past week, commencing on Tuesday of the field.
