There has been no ofwhile you remained in greater ignorance than ficial despatches received, and no news can be many of your readers. JNO. MASON.

The War In Maryland,

A very severe engagement took place on Sunday last, between the forces of Gen. McClellan, and Gen. Lee. The battle lasted nearly the whole day, the contest being to drive the Rebels from IMPORTANT ORDER FROM WASHINGTON .- the Mountain heights which command the Hagthe shipment of any goods from Baltimore to the erstown road, at a point between Middletown

Our forces on Saturday drove the Rebel rear to get any paper last week, and consequently that night a short distance beyond that village. can issue but half a sheet this morning. This Early on Sunday morning the onward moveorder will operate very oppressively, as it utter- ment was resumed by Gen. McClellan. The ly prohibits the ordering of goods, and compels Rebels were directly in front and retreated slow- in the centre, Generals Hoorker and Franklin erery man to go to the expense of visiting the ly and resolutely, contesting every foot of ground on the right, and Gen. Burnside on the left, the intention being to attempt to turn the enemy's purchases. Of course it falls most heavily on Up to about two o'clock the engagement was intention being to attempt to turn the enemy's poor men. It will seriously embarrass opera- principally with artillery. The Rebels placed crossed the Antietam creek, and in a fight of tions in this section, as our farmers purchase their batteries on every advantageous position two hours drove the enemy about half a mile, most of their groceries directly in the city through and shelled our advance. Our artillery replied inflicting upon them and suffering himself con-To correct the above statement in part it is and the fire was at times very heavy, but the ad- siderable loss. On Wednesday, at daylight, the only necessary to publish the form of the oath being with the Robels in this artillary practice, by our army. Gens. Hooker and Summer in that has to be taken. Neither does a man have being with the Rebels in this artillery practice, two hours drove the enemy's left back about a to go to the city himself toget such articles as he our Generals depended more upon their infan- mile. The Rebels rallied and with terrible loss may desire, nor even to send an affidavit to eve- try, and heavy columns were pushed successful- regained the ground. At this time Gen. Hooker ry house he may deal at, but on the contrary he ly forward, driving the enemy back until about was wounded and Gen. Sumner took command can go before any Justice of the Peace in his half the ascent of the mountain was gained. In General Such Richardson also was wounder
