to an examination of which they earnestly invite their friends and customers generally. Every department of their stock has been replenished and a very large proportion for nett cash, that they seel consident of being able to successfully compete with the trade in Style, Quality

It has ever afforded them a pleasure to exhibit their stock, and none need fear giving trouble to the proprietors by calling to look through the selections. We cannot with-hold the expression of our thankfulness to the public, for their past patronage and must again express the hope that by constant attention to business, the exhibit of stocks quite equal to any in the market, and a determination to give entire satisfaction, to merit and receive a mendantion of the same.
