From a Forwarding Merchant of St. Louis, Feb. 4, DR AYER. Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of vice:ous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cuted, the also tried your lills, and they ASA MOLGRIDGE have cured Ler.

As a Family Physic. From Dr. E. W. Cartwright, New Orleans. Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bonels, which makes them invaluable to us in the daily freatment of disease. Hendache, Sick Hendache, Foul Stomach.

From Dr Edward Boyd, Baltimore. DEAR LIED. AYER: I cannot answer you what companiets I have cured with your link better than to eas all that we ever treat with a purgative medicine. I place great dependence on that effectual cathartic in my daily contest with disease, and lelieving, as I do, that your l'ills afford us the Lest we have, I of course value them highly. l'ittsecro, l'a . May 1. 1855.

DR. J. C. AYER Sir I have been repeatedly cared of the worst headache any body can have by a do e or two of your lills. It seems to mise from a foul stomach, which they cleanse at once. Yours with great respect, ED. W 1 REELE. Clerk of Steamer Clarion.

Bilious Disorders - Liver Complaints. From Dr. Theodore Bell, of New York City. Not only are your l'ills namin bly adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectuar for the cure of Lilious complaints than any one remedy I can mention I sincerely rejoice that we have st length a purgative which is worthy the confidence of

the profession and the people DEPARTMENT OF THE INTERIOR, Washington, D. C. 7th Feb. 1856. Sin: I have used your I'ills in my general and hospital practice come since you made them, and cannot Lesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirrble remedy for detangements of that organ. Indeed, I have seldom found a case of bilious disease to obstituate that it did not readily yield to

them. Traternally yours, ALONZOBALL, M. D., Physician of the Marine Hospital. Dysentery, Diarrhan, Relax, Worms. From Dr. J. G. Green, of Chicago. Your l'ills have had a long trial in my practice,

Constipution, Costireness, Suppression,

Rheumatism, Cout, Neuralgia, Dropsy, Paralysis, Fits, etc. From Dr. J. P. Vaughn, Mutreal, Canada. Too much cannot be said of your l'ills for the cure of costireness. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it, for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. From Mrs. E. Stuart, Physician and Midwife, I find one or two large doses of your l'ills, taken at the proper time, are excellent promotives of the natural secretion when wholly or partially suppressed, and also very effectual to cleanse the stomach and expel worms. They are so much the best physic we have that I recommend no other to my patients.
