Are you nick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable! These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors - purify .the blood, and let the fluids move on unobstructed in health again. They stimu-

body into vigorous activity. purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Aver's Fills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deepseated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely cured by the same means. None who know the virtues of these l'ille, will neglect to employ them when suffering from the disorders they cure. Statements from leading physicians in some of the

principal cities, and from other well-known public From a Forwarding Merchant of St. Louis, Feb. 4. DR. AVER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her bair. After our child was cured, she also tried your Pills, and they have cured ber.

As a Family Physic. From Dr. E W. Cartieright, New Orleans. our Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

Headache, Sick Headache, Foul Stomach. From Dr. Edward Boyd, Baltimore. DEAR BEO. ATER: I cannot answer you what complaints I have cured with your Pills better than to say all that we ever treat with a purgative medicine. I place great dependence on that effectual cathartic in my daily contest with disease, and believing, as I do, that your Pills afford us the best we

have, I of course value them highly. PITTEBURG, Pa., May 1, 1866. DR. J. C. ATER. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once. Yours with great respect, ED. W. PREBLE. Clerk of Steamer Clarion.

Bilious Disorders - Liver Complaints. From Dr. Theodore Bell, of New York City. Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bisque complaints than any one remedy I can mention I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people. DEPARTMENT OF THE INTERIOR.

Washington, D. C , 7th Feb., 1856. SIR: I have used your Pills in my general and hospital practice ever since you made them, and cannot besitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have reldom found a case of bilious disease to obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D. Physician of the Marine Hospital.

Dysentery, Diarrhea, Belax, Worms. From Dr. J. G. Green, of Chicago. Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for bilious dysentery and diarthea. Their sugar-coating makes them very acceptable and convenient for the use of women and

Dyspepsia, Impurity of the Blood. From Rev. J. V. Himes, Pastor of Adcent Church, DR. ATER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very

best remedy I have ever known, and I can confidently recommend them to my friends. J. V. HIMES. WARSAW, Wyoming Co., N. Y., Oct. 24, 1855. DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood. JOHN G. MEACHAM, M. D.

Constipation, Costireness, Suppression,

Rheumatism, Gout, Neuralgia, Drepey, Paralysis, Fits, etc. From Dr. J. P. Vaughn, Montreal, Canada. Too much cannot be said of your Pills for the cure of costireness. If others of our fraternity bare found them as efficacious as I have, they should join me in proclaiming it, for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe costmeness to originate in the liver, but your l'ills affect that organ and cure the

From Mrs. E. Stuart, Physician and Midwife, I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the natural secretion when wholly or partially suppressed, and also very effectual to cleanse the stomach and expel worms. They are so much the best physic we have that I recommend no other to my patients. From the Lev. Dr. Hawkes, of the Methodist Epis.

PULASKI HOUSE, Savannah, Ga., Jan. 6, 1856. HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. Notwithstanding and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Fills. Their effects were slow, but sure.
