. FOR PURIFYING THE BLOCD, And for the speedy epre of the following complaints: Berofala and Berofulous Affections, such na Tumora. Ulcera, Sorea, Eruptione, Pimples, Pustules, Blotches, Beits, Blains, and all Skin Discases. OAKLAND, Ind., 6th June, 1839.

V. C. ATER & Co. Gents: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. times it burst out in Ulcers on my hands and arms; stomach. Two years ago it broke out on my head and covered my scalp and cars with one sore, whi disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that anything you made must be good. I sent to Cincinnati and got it, and used it till it cored me. I took it, as you advise, in small doses of BOOKS & STATIONARY, a teaspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by ray feelings that the disease has gone from my system. You can weil lieve that I feel what I am saying when I tel! you, that I hold you to be one of the apostles of the age, and remain ever gratefully.

St. Anthony's Fire. Rose or Erysipelas, Tetter and Salt Bheum, Scald Head, Ringworm, Sore Egra, Dropsy. Dr. Robert M. Preble writes from Salem, N. Y., 1859, that he has cured an inveterate case of Dropsy, which threatened to terminate fatally, by the persevering use of our Sarseparilla, and also a dangerous Malignant Erysipelas by large doors of the same; says be cures the common Eruptions by it constantly.

Bronchocele, Goitre or Swelled Neck. Zebulon Sloan, of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a Goitre - a hideous swelling on the neck, which I had suffered from over two years."

Lestcorrhon or Whites, Ornring Tuntor, Uterine Ulceration, Female Diseases. J. B. S. Channing, of New York City, writes: "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in Female Diseases of the Scrofulous I have cured many inveterate cases of Leucorrhom by it, and some where the complaint was caused by ulceration of the uterus. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements." Edward S. Marrow, of Newbury, Ala., writes:

"A dangerous ovarian tumor on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sarsaparilla. Our physician last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

Syphilis and Mercurial Disease. DR. J. C. AYER: Sir, I cheerfully comply with of the effects I have realized with your Sarsaparilla. I have cared with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of Tenereal and Mercurial Disease. One of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla steadily taken cured him in five weeks Another was attacked by secondary sympterus in his hose, and the ulceration had eaten away a cousiderable part of it, so that I believe the disorder would seen reach his brain and kill him. But it yielded to my administration of your Sarsaparilla; the nicers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her | and an elegant assortment of joints and bones. She, too, was cured entirely by cur Sarsaperilla in a few weeks. I know from its Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me.

Fraterially yours, G. V. LARIMER, M. D. Rheumatism, Cont, Liver Complaint. EDEPENDENCE, Preston Co., Va., 6th July, 1859. Dr. J. C. AYER: Sir, I have been afflicted with a painful chronic Rheumatism for a long time, which buffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried our Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. think it a wonderful medicine. which destroyed my health. I tried everything, and everything falled to relieve me; and I have becu a broken-down man for some years from no other cause than derangement of the Licer. My beloved pastor, the Rev. Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you, and anything you made was worth trying. By the blessing of God it has nred me, and has so purified again. The best that can be said of you is not half

FOR THE RAPID CURE OF Congha, Colda, Influenza, Hoarseness; Croup, Bronchitis, Incipient Consumption, and for the Relief of Consumptive Patients in advanced Stages of the Discase.

This is a remedy so universally known to surpass PURE KEROSENE that it is uscless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and co'ds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its effects - some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and langs. As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the virtues that it did have when making the cures which have won so strongly upon the confidence of mankind.
