FOR PURIFYING THE BLOOD, And for the speeds cure of the following complaints: Berofula and Serofulous Affections, such n. Tomor. Clerre, Mores, Eruptions, Pinantes, Pustuics, Blotches, Boils, Blains, and all Mich Disenses. OAKLAND, Ind., 6th June, 1857.

J. C. AYER & Co. Genis: I leel it my duty to reknowledge what your Saisaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcerson my hands and arms; sometimes it turned inward and distressed the at the stomach. Two years ago it broke out on my least and covered my sca'p and ears withrone sore, which was painful and louthsome beroud description. tried many medicines and several physicians, but without much relief from anything. In fact, the disorder grew worse. At length, I was rejoiced to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that auxthing you made must be good. I sent to Cincinnati and got it, and used it till it cared me. I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. New and beatthy skin soon began to form under the scab, which after a while fe I off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saving when I tell you, that I hold you to be one of the sportles of the age, and remain ever gratefully. ALFRED B. TALLEY.

St. Anthony's Fire. Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Nore Eyes, Dropsy. Dr. Robert M. Preble writes from Salem, N. Y., 12th Sept., 1859, that he has cured an inveterate case of Dropsy, which threatened to terminate fatally, by the persevering use of our Sarsaparilla, and also a dangerous Malignant Erysipelas by large doses of the same; says be cures the common Eruptions by it constantly.

Brouchocele, Goitre or Swelled Neck. Zebulon Sloan, of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a Goifre - a hideous swelling on the neck, which I had suffered from over two years."

Leucorrhon or Whites, Ovarian Tumor, Uterine Ulceration, Female Discases. Dr. J. B S. Channing, of New York City, writes: "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in Female Discases of the Scrofulous diathesis. I have cured many inveterate cases of Lencorrhoxa by it, and some where the complaint was caused by n'ceration of the uterus. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements." Edward S. Marrow, of Newbury, Ala., writes: " A dangerous orarian fumor on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extirpation could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

Syphilis and Mercurial Disease. NEW ORLEANS, 25th August, 1859. DR. J. C. AYER: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla. I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of Venereal and Mercurial Disease. One of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla steadily taken cured him in five weeks Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it vielded to my administration of your Sarsaparilla; the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me.

Fraternally yours, G. V. LARIMER, M. D. Rheumatism, Gout, Liver Complaint. INDEPENDENCE, Preston Co., Va., 6th July, 1839. Da. J. C. AYER: Sir, I have been afflicted with a painful chronic Eheumatism for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. think it a wonderful medicine. J. FREAM Jules Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an affection of the Licer. which destroyed my health. I tried everything, and everything failed to relieve me; and I have been a broken-down man for some years from no other cause than derangement of the Liver. My beloved pastor, the Rev Mr. Espy, advised me to try your Sarsaparilla, because be said he knew you, and anything you made was worth trying. By the blessing of God it has cured me, and has so purified my blood as to made a new man of the. I feel young again. The best that can be said of you is not half

good enough." Schirrus, Cancer Tumors, Enlargement, Ulceration, Caries and Exfoliation of the Bones. A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanic, which the agents

Dyspepsia. Heart Disease, Fits, Epilepsy, Mclancholy, Yeuralgia. Many remarkable cures of these affections have been made by the afterative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will do for them all that medicine can do.

FOR THE RAPID CURE OF Coughe, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Cousumption, and for the Relief of Consumptive Patients in advanced Stages of the Discuse.

This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilired nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its effects - some living trophy in their midst of its victory over the subtle and dangerous disorders of the threat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the virtues that it did have when making the cures which have won so strongly ufon the confidence of mankind. FOR THE SPEEDY CURE OF

DR: HOOFLAND'S

Colds, Influenza, Croup, Hoarseness, Bronchitis Pneumonia, Disease of the Bowels arising from Cold, Incipient Consumption, and for the relief and (it at all possible)

cure of Patients in advanced

stages of the latter disease. The Balsamic Cordial is entirely a Vegetable production, combining the healing properties of the Balsam, with the invigorating qualities of a Cordial, producing a combination so well adapted to the purposes intended, that there are but few cases of disease which will not, at an early period, succumb to its healing and life giving

For ages, has the treatment of pulmonary dis eases occupied the greater portion of the attention of the scientific of the medical world, but none acquired more eminence in his treatment of these diseases, than the celebrated Prossian Dr. Hoofland, the originator of the Balsamic Cordial. His life was devoted to the production of remedies that would stand unrivalled. How well he has succeeded, the American people are able to judge; and we positively assert, that no preparations that have ever been placed before them, have conferred the same amount of bene fits on suffering humanity, or have elicited se many commendations from all classes of society as the remedies of Dr. Hoofland, prepared by Dr. C. M. Jackson & Co., of Philadelphia.

The Cordial is designed for a class of disease more general and more fatal than any other to which the people of this country are subjectthose springing from a "slight cold." That eminent authority, Dr. Bell, says: "I will not say that Colds are to our inhabitants what the Plague and Yellow Ferer are to those of other countries; but I can aver confidently that they usher in disease of greater complicity and mortality than these latter." Read what the eminent Glass Manufacturer, Jno.

M. Whiteall, says of the Balsamie Cordial. DR. C. M. JACKSON-Respected Friend: Hav. ing for a long time been acquainted with the virtues of the Balsamic Cordial in Coughs, Colds Inflamation of the loungs, &c., I thus freely bear testimoney to its efficacy. For several years I have never been without it in my tamily. It also gives me pleasure to state that I have used it with entire success in the treatement of Bowel JOHN M. WHITALL. Complaints.. Race Street, above 4th, Philadelphia. Fifth Mo. 17, 1858.

No Alcoholic Preparation. DR. HOOFLAND'S CELEBRATED German Bitters.

PREPARED AY Dr.C.M.Jackson & Co., Philad., Pa. Will effectually cure Liver Complaint, Dyspepsia, Jaun-

Chronic or Nervous Debi'ity. Diseases of the Kid neys, and all discases arising from a disordered Liver or Stomach.

Such as a Constipation, Inward Piles, Fulness or Blood to the head. Acidity of the Stomach. Nausea, Heartburn, Disgust for Food, Ful ness or Weight in the stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach. Swimming of the Head, Hurried and Difficult Breathing, fluttering at the heart, choking or suffocating sensations when in a lying posture, dimness of vision, dots of webs before the sight, fever and dull pain in the head, deficiency of perspiration, yellowness of the skin and eyes, pain in the side, back, chest, limbs, &c., sudden flushes of heat, burning in the flesh, constant imaginings of evil and great depressions of spirits, and will positively prevent YELLOW FE-VER, BILIOUS FEVER, &c.

The Proprietor in calling the attention of the public to this preparation, does so with a feeling of the utmost confidence in its virtues and adaptation to she diseases for which it is recommen-

It is no new and untried article, but one that has stood the test of a twelve years' trial before the American people, and its reputation and sale are unrivalled by any similar preparations extant. The testimony in its favor given by the most prominent and well known physicians and individuals in all parts of the country is immense, and a careful perusal of the Almanac, published annually by the proprietors, and to be had gratis of any of their Agents, cannot but satisfy the most skeptical that this remedy is really deserving the great celebrity it has obtained.

From J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge. Although not disposed to favor or recommend Patent Medicine in general, through distrust of their ingredients and effects, I yet know of no sufficient reason why a man may not tesuty to the benefit he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to "Hoo-J son, of this city, because I was prejudiced against them for years, under the impresssion that general. I am prepared to furnish the former THE LATEST ARRIVAL indebted to my friend Robert Shoemaker, Esq., with Servant's Wear in any quantity, and at as THE LATEST ARRIVAL for the removal of this prejudice by proper tests, they were chiefly an alcoholic mixture. I am and for encouragement to try them, when sufferng from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.
